PRICING NOTE:
Utrecht is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored through December 31, 2022. However, as vendors provide price increases, we cannot guarantee printed prices in this catalog. Further, continuing supply chain disruptions have made it difficult to stay in stock on select items, and unfortunately vendors are taking much longer than usual to fill back orders. We ask for your understanding in these unprecedented times. As always, Utrecht reserves the right to correct typographical errors.

F Unison® Handmade Pastel Sets
UP TO 38% OFF LIST PRICE

John Hersey began producing handmade pastels by lightly rolling each pastel so that the pigment was softly compressed, resulting in fluid color unlike any other pastel. While other manufacturers add white or black to make up a color set, Unison uses pure pigments with a cycle of related hues and a very minimal amount of binder for intense, strong color. Sticks are approximately 2"L x 1/2"Dia.

G Blick® Premier Watercolor Blocks and Sheets
20-40% OFF LIST PRICE

The paper in our Blick Premier Watercolor Blocks is made on a traditional cylinder mould in a European mill that has been making paper since the 1700s. Both internally and externally sized, its surface is created using natural woolen felts, to withstand scrubbing and other wet techniques without tearing. The blocks are glued on all four sides, keeping the sheets flat and wrinkle-free. They're great for painting on location — no soaking required. This professional-quality paper is 100% cotton, acid-free, and archival, ideal for watercolors, gouache, inks, and acrylics.

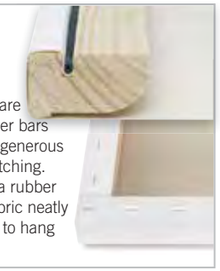
BLICK® PREMIER COTTON CANVAS

SAVE 28-85% OFF LIST PRICE

Blick Premier Cotton Canvas is designed for archival stability and durability. Carefully hand-prepared, the 100% cotton canvas (10 oz) is triple-primed with premium, acid-free gesso to reach a primed weight of 15 oz. Then it's evenly stretched by hand around solid wood stretcher bars that have been kiln-dried for warp-resistance and long-term stability. Choose from splined or back-stapled.

Splined vs. Back-Stapled

Back-stapled canvases are wrapped behind stretcher bars with uncut corners and generous selvage for future restretching. Splined canvases have a rubber gasket that holds the fabric neatly in place, enabling them to hang tight to the wall.



Blick® Premier Cotton Canvas — Gallery 1-1/2" Profile, Back-Stapled

35-80% OFF LIST PRICE

Back-stapled canvas is gallery-wrapped with uncut corners and generous selvage, which allows for future restretching on a larger frame if desired. Keys are included for tension adjustments over time.

BLICK® PREMIER BELGIAN LINEN CANVAS

SAVE UP TO 55% OFF LIST PRICE

Luxurious, flax-based fibers and expertly applied oil primer are meticulously combined to create this ultimate oil painting surface. Extremely smooth, medium texture (4.5 oz) linen is prepared, picked, and pumiced by hand in Belgium. Each canvas is then hand-coated in the USA with three applications of an oil-based, lead-free primer to reach a 10 oz primed weight. Finally, the canvas is hand-stretched and back-stapled around high-density pine stretcher bars with reinforced tenon corners for added strength. It's premier quality at an affordable Blick price.

PRICES/AVAILABILITY - All prices are subject to change without notice. Utrecht is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored through December 31, 2022. However, as vendors provide price increases, we cannot guarantee printed prices in this catalog. Further, continuing supply chain disruptions have made it difficult to stay in stock on select items, and unfortunately vendors are taking much longer than usual to fill back orders. We ask for your understanding in these unprecedented times. As always, Utrecht reserves the right to correct typographical errors.

— What is MSRP? (aka "List Price") MSRP stands for Manufacturer's Suggested Retail Price (also known as "List Price"). MSRPs are published by the manufacturer of each product. Unless a product is our own brand, we do not set or inflate the MSRP. We report it. For our Blick and Utrecht brand products, we establish MSRP based on those of third-party vendors whose products most closely resemble ours in quality and size.

— Does a discount off the MSRP represent a sale price? Not necessarily. A typical example would be that a product has an everyday discount of 30% off the MSRP, but during promotional periods it may rise to 40% off the MSRP. Other products might be 40% and 50% off, respectively, and so on. Paint lines often use this type of model. Some products may never be promotionally priced. For more information about pricing, visit **utrechtart.com/Pricing-FAQ-g140t0.utrecht.**

INTERNATIONAL SHIPPING — Shipping to 100+ Countries! We make international shopping fast and easy. Duties and taxes are calculated at checkout. Prices are displayed in local currency. Low international shipping rates.
Visit Utrecht.com for more details.

TRUCK SHIPMENT

Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately $200. For an additional $45, a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional $30, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call **800.223.9132.**

CHECK POLICY

Upon receipt, your check may be converted into an electronic debit, and processed according to Federal Reserve rules. Receipt of the check will be deemed to be your authorization for an Automated Clearing House debit entry to your account, which likely will be posted to your account the following day. If your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a legal limit of a processing fee as per state law.
