EXPERIENCE

New destinations. Extraordinary routes. Exceptional stays.

PORSCHE TRAVEL EXPERIENCE 2027.

The road opens up ahead. The everyday recedes in the rear-view mirror, and every turn brings a new perspective into view. In a Porsche, travel becomes more than a way of reaching a destination. It becomes something you feel – in the rhythm of the road, the changing landscape and every moment in between.

The Porsche Travel Experience 2027 marks the beginning of a new chapter. Alongside a selection of returning favourites, 5 new journeys invite you to cross the Pyrenees, experience Portugal with every sense, discover the elemental landscapes of Lofoten and Iceland, and follow the celebrated roads of Champagne and Burgundy. Each one different in character. Each one shaped by the same idea: the most memorable way to discover the world starts when you get in the sports car.
