# Important Reminders

-Clapping is the appropriate way to show appreciation for the performance rather than whistling or cheering.

-Pictures and recordings are always welcome. Please avoid flash photography as it can be distracting to the performers.

-Parents with small children who become fussy may quickly step out of the auditorium and into the main lobby area.

-While students are performing, please remain seated and silent as it is distracting to the performers when there is movement in the auditorium.

-Please silence all cell phones, pagers, tablets, and anything else with an On/Off switch.

**We thank you for coming out tonight and hope you enjoy our performance.**
