

14-0608-0000 (06/2018)

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE  
DALLAS TX 75261

ELEVATOR COMPLIANCE

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE  
DALLAS TX 75261

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE  
DALLAS TX 75261

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

ELBI-20036-0001-0001

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**

Executive Director

ELBI-20036-000001

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**

PO BOX 619428

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**

3200 EAST AIRFIELD DRIVE  
DALLAS TX 75261

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

HHQ: 00000 10000-00-00-00

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**

### Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

**Building Physical Location:**  
3200 EAST AIRFIELD DRIVE
