**Subject:** Re: Consultation: Periodic Adjustments to MPs' Pay

Dear IPSA Team,

Thank you for your email concerning the role IPSA plays in determining MPs pay.

I am writing to ask you to reconsider your decision with regard to the assessment of MPs pay for the coming year.

Given the extremely difficult financial circumstances many of our constituents are facing as a result of the Covid 19 pandemic I do not believe it is appropriate for a rise in MPs' salaries to take place in April 2021.

I would recommend that the salary level is frozen for next year.

If it is not frozen for the next year, I have already publicly stated that I will give it to foodbanks in my constituency.

Yours sincerely

Richard Burgon MP
