Subject: Re: News and updates from IPSA: MPs' Pay Consultation, November Payroll, Annual Publication, Deposit Loans Report, Property Renewals

Many thanks for your email.

Could I please urge you NOT to increase the salaries of Members of Parliament for the next financial year. As you will be aware, the Chancellor has announced a pause on salary increases for public sector workers. It would be quite wrong for MPs to have any salary increase in those circumstances.

Yours sincerely,

Rt Hon David Jones MP
