Different Perspective

Different Perspective

EPAM CC

Solution Architecture Book

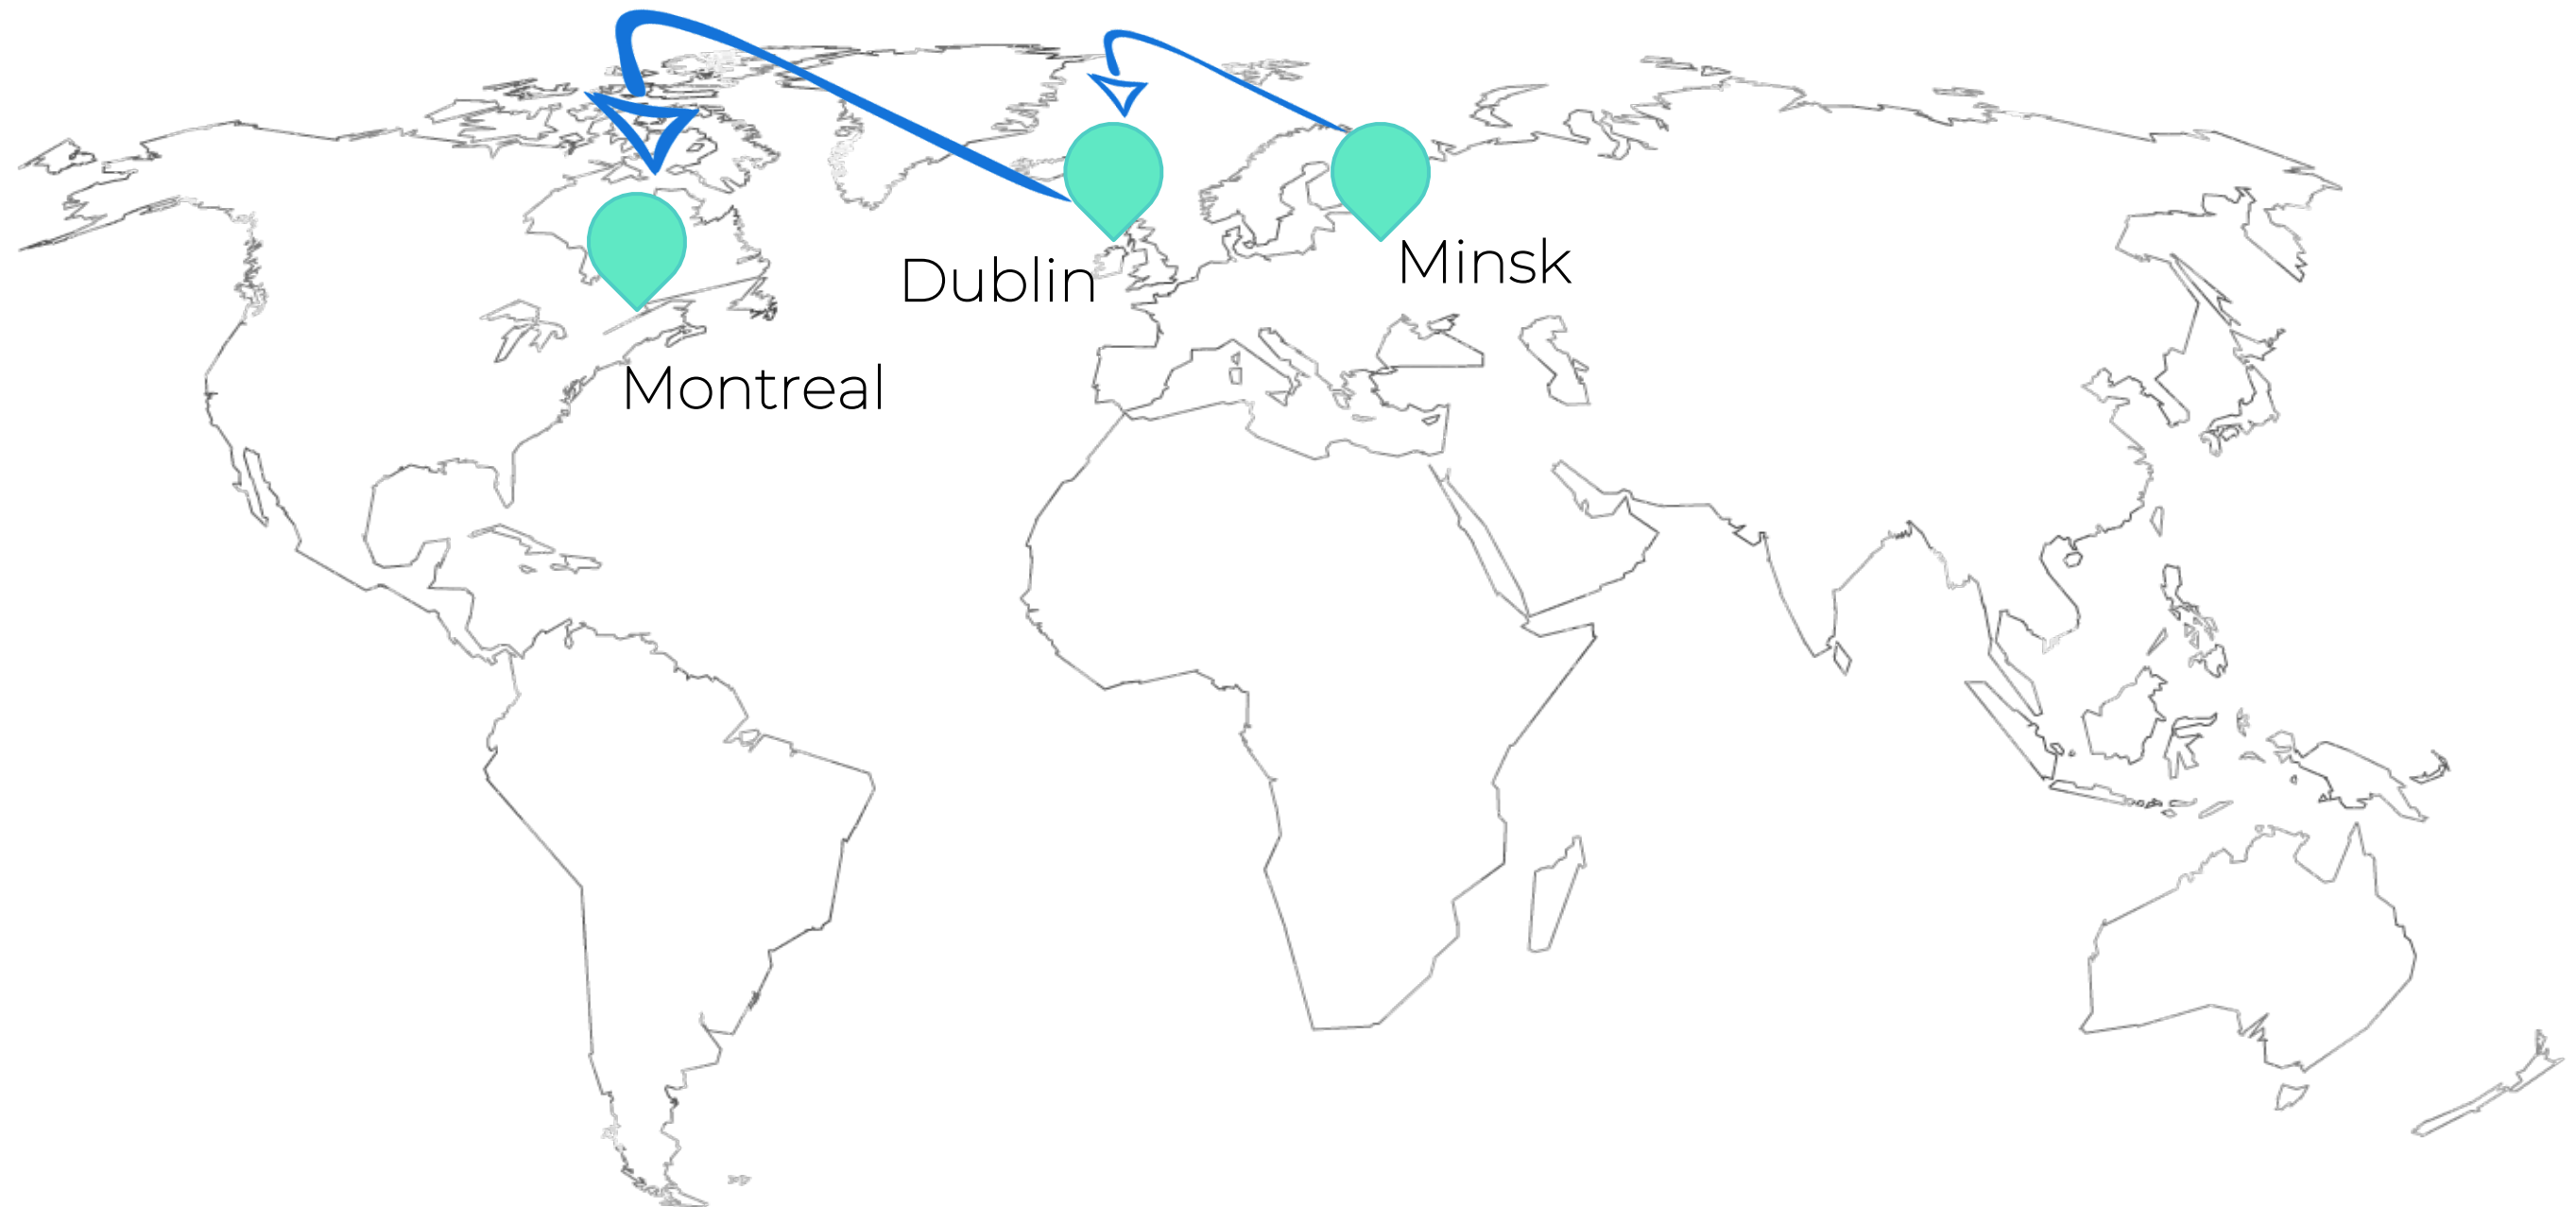

History: Clockwork Jimmy

Architectural Kata is ...

- Replace the current UI solution
- Provide a new approach for D&D
- Provide better User Experience
- Different Platforms

Clockwork Jimmy

Book about architecture

<https://goo.gl/nMa8PA>

Solution Architecture Book

- 
- Stakeholders
 - Business Goals
 - Constrains
 - Quality Attributes
 - Architecture

But Let's do an Example

Architectural Kata is ...

- Provide improvements for current digital platform
- 400 consumer static websites
- High Cost and Long Time to Market for Upgrades
- Expensive content management workflows
- Drupal

Solution

Other
Solution?

Let's play Architecture Game

Define Goals

Business Driver

Improve customer satisfaction

Business Goals

Optimize costs

Objectives

Decrease time to market by X%

Decrease time for content
management by X%

Define Constrains

- Can't say goodbye to Drupal
- ReactJS and VueJS is used in the company

Define Quality Attributes

- Maintainability
- Testability
- Re-usability
- Performance
- Accessibility

Design – C4

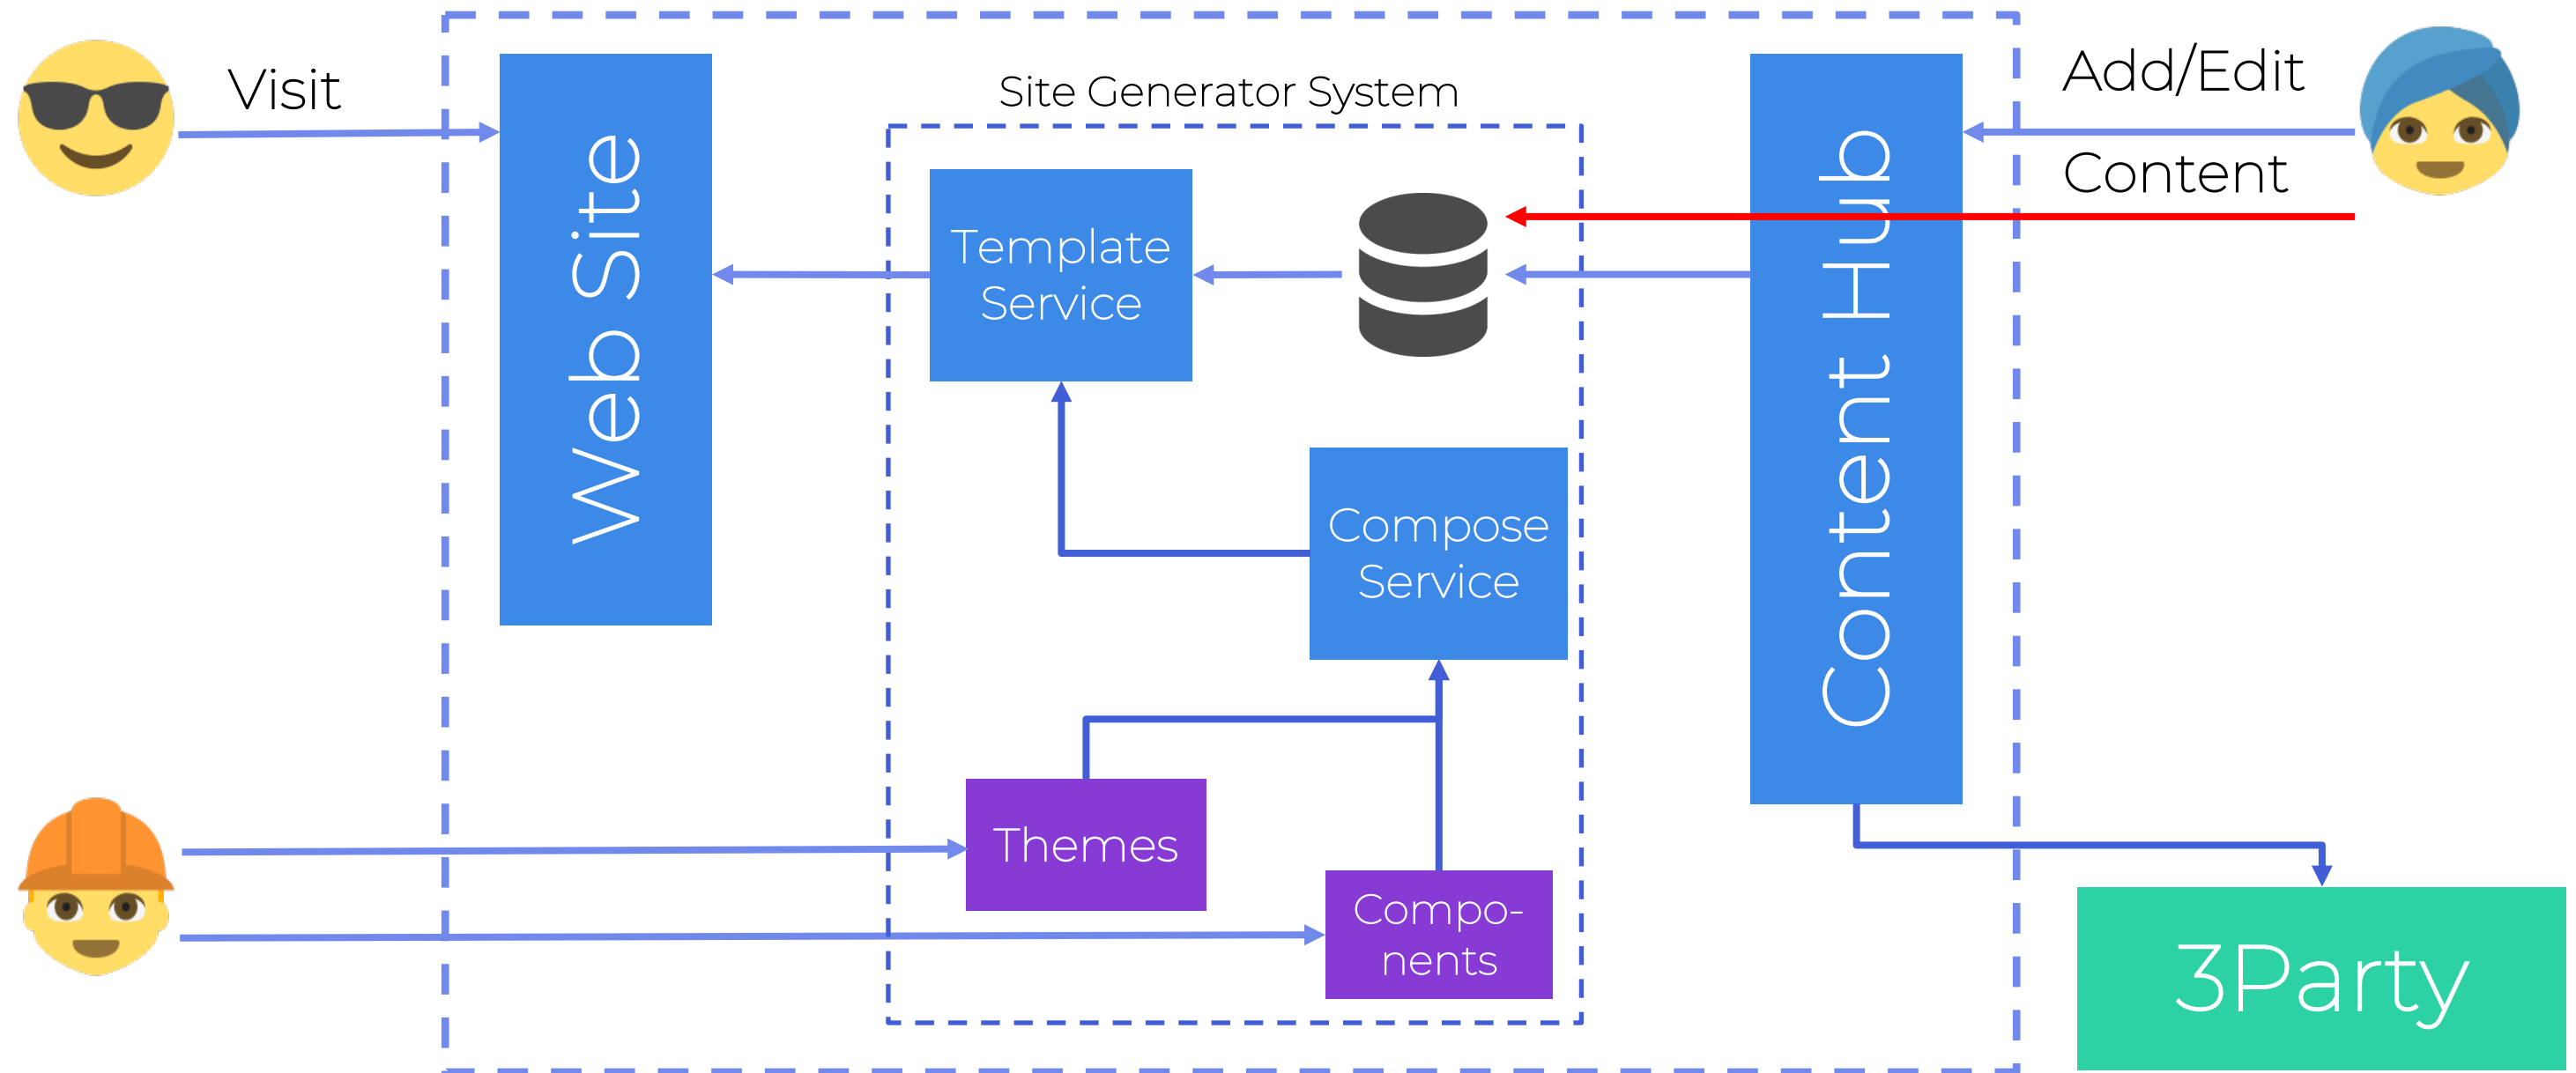

Design – C4

Application Platform

Design – C4

Application Platform

Technology Solution

Solution

Solution Architecture Book

- 
- An open book is shown, with the left page containing a bulleted list. The right page is blank. The book has a light brown cover and the pages are off-white.
- Stakeholders
 - Business Goals
 - Constrains
 - Quality Attributes
 - ...
 - Choice of technology

Think about architecture?

Architectural Kata is ...

- Defined all Architecture Requirements/Goals/etc
- Developed solution
- The project was failed. Why?

Architecture Cycle

Is your project failed?

Thank you!
