## WHERE THE MONEY GOES

Founded in 2008, Pelotonia was established with the objective to fund innovative cancer research. Through the first 15 years, the Pelotonia community raised more than \$283 million for cancer research. Thanks to its generous funding partners, Pelotonia is able to direct **100% of community-raised funds** to cancer research at The Ohio State University Comprehensive Cancer Center – James Cancer Hospital and Solove Research Institute.

### The Pelotonia Institute for Immuno-Oncology (PIIO)

In July 2019, Pelotonia announced the creation of the **Pelotonia Institute for Immuno-Oncology** at the Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute. The institute launched with an initial \$102,265,000 pledge from the Pelotonia community. Representing the 2,265 riders who participated in the first Pelotonia in 2009. The PIIO continues to build upon the successful endeavors in this relatively new area of cancer research and therapy, largely considered the next frontier in cancer prevention and treatment.

# PARTICIPANT PROFILE PERSONALIZATION

Personalizing your profile is a great way to share why you participate in Pelotonia and encourage those who come across your profile to support your efforts.

There are several ways to personalize your participant profile, including writing your 'Why I Participate' story, adding profile images, and setting Challenger goals. Go to [pelotonia.org/sign-in](https://pelotonia.org/sign-in) to start personalizing your page in the following ways:

- 1 Upload high-quality photos for your profile picture and cover photo.  
  
Looking for a Pelotonia-branded cover photo? Find one [here!](#)
- 2 Click the edit button located in the "Why I Participate" section to personalize your participant story and share your motivation for participating.
- 3 Set up to 5 different Challenger goals as an additional way to motivate your supporters to give to your efforts.

Once your profile has been personalized, share your participant profile on social media, email, and even text message!

The screenshot shows a participant's profile on the Pelotonia website. At the top, there's a navigation bar with links like 'SHOP', 'ABOUT', and 'GIVE'. Below that is a green banner with the text 'ENDING → CANCER'. The profile section includes a rider photo (Pelo Tonya), a 'DONATE' button, and a 'SHARE' button. A circular progress indicator shows '\$60' raised of a '\$2,500 Goal'. To the right, a table shows the 'Ride Year 2024 Fundraising Progress' with columns for 'Donations', 'Goal', and 'Commitment', with values '\$60', '\$2,500', and '\$1,250' respectively. Below the progress bar, there's a 'MY PROFILE' section with an 'EDIT' button. This section contains a 'My Activity Goals' card with checkboxes for 'Host a fundraiser for cancer research!' and 'Write thank you cards to my donors!', and a 'Why I Participate' section with a text area for the participant's story. Callout 1 points to the 'DONATE' button, callout 2 points to the 'EDIT' button in the 'Why I Participate' section, and callout 3 points to the 'My Activity Goals' card.

# FUNDRAISING 101

Now that you've decided to be a part of the Greatest Team Ever and participate in Pelotonia, it's time to shout it from the rooftops! It's also time to think ahead about how you'll meet your fundraising commitment. The most successful Pelotonia fundraisers have one thing in common: **they ask as many people for support as possible, in very personal ways.** Don't procrastinate—from the moment you sign up for Pelotonia, it's time to start communicating with your personal community.

Before you begin the process of fundraising, we recommend that you craft a plan. Start by viewing the suggested fundraising timeline on page 20 which provides monthly recommendations throughout the Pelotonia season to help you be a successful fundraiser.

Once you have updated your calendar with your fundraising deadlines, it's time to build your network. Take some time to sit down and brainstorm a list of people who might donate to your efforts this year. We recommend starting with:

- ➔ Friends and family
- ➔ Current or former colleagues and classmates
- ➔ Neighbors
- ➔ Your professional, volunteer, or religious network
- ➔ Your social media connections

Don't be afraid to ask people who live outside of your community to support you. **On average, more than 35% of donations come from outside the state of Ohio!** Think globally and remember that almost everyone has been impacted by cancer in some way.

After you brainstorm your list of potential donors, practice telling your story by asking yourself the following questions:

- 01 What does Pelotonia mean to me?
- 02 Why did I make the commitment to participate in Pelotonia?
- 03 What are my goals this year? Am I increasing my ride distance, riding for the first time or trying to beat my fundraising total from last year?
- 04 How has cancer impacted my life and why do I believe it's important to fund cancer research?
- 05 If a friend told me that their donation wouldn't *really* make a difference, what would I say to them?

---

## FUNDRAISING 101 (continued)

Now that you have thought about these questions, use your answers to draft your fundraising letter. An excellent fundraising email or letter should address the following questions:

- ➔ What is Pelotonia and where does the money go?
- ➔ Why am I participating?
- ➔ What is my fundraising commitment and how much progress have I made?

**NEED HELP CRAFTING YOUR LETTER? CHECK OUT OUR FUNDRAISING LETTER TEMPLATE [HERE!](#)**

Once you have drafted a fundraising letter, it's time to send it out! **We recommend sending at least four communications to your donors throughout the year, using this format:**

- 01** Announce that you've decided to participate in Pelotonia, share your personal story and ask for support. Explain what their support would mean to you.
- 02** Share an update on your training/progress to your goal. This is also a great opportunity to offer a gentle reminder to those who haven't yet donated to your efforts.
- 03** Following Ride Weekend and/or Gravel Day, share details about what your experience was like along with photos from the Ride or Opening Ceremony. This is a great opportunity to thank everyone who has supported you and remind others who haven't yet donated.
- 04** At Pelotonia's annual end-of-year fundraising announcement, the total amount raised throughout the Ride year will be revealed. Share this extraordinary total with your supporters and remind them that it wouldn't have been possible without their support. A great way to thank your donors is to share specific stories about Pelotonia's impact and any photos from the event.

**DON'T FORGET TO POST THESE COMMUNICATIONS TO YOUR SOCIAL MEDIA CHANNELS. YOU MIGHT BE SURPRISED TO HEAR FROM PEOPLE YOU MAY NOT HAVE TALKED TO IN A FEW YEARS!**

Every fundraiser will encounter someone who pledges their support online or says, "I'll give you a check next time I see you!" but may forget to follow through. We know everyone is busy, but it's up to you to remind them that cancer doesn't wait.

How can you tell if someone has pledged, but has not yet sent in their donation? When logged in to your profile, you can see the "Amount" column on your donor list. If the donation amount appears next to a clock with the message that the "Donation is Pending," then that check has not yet been received. If some time passes and you don't see a change, you might want to politely follow up with that individual and ask them if they remembered to send their donation. Please remember, you are still responsible for meeting your fundraising minimum. Any unpaid pledges will not count toward your fundraising. This is why it's important to **send reminders to the people who've pledged to support you.**

Remember, you have until the fundraising deadline of October 15 to meet your fundraising commitment.

# HOST A FUNDRAISER TO BOOST YOUR EFFORTS

Think outside the box and create a fundraiser that will encourage others to participate!

## Host a Social Fundraiser!

- Partner with a local restaurant or bar to host a fundraiser to gather your supporters. Host a raffle, 50/50, or silent auction to boost your fundraising!

## Use Your Unique Talents as a Fundraiser!

- Use your unique and personal talents to raise money! If you have a love for baking, then a bake sale is a great option for fundraising. Offer people different incentives for donating to your fundraising goal. People love a personal touch, like unique handmade items and baked goods.

## Sporting Events

- Who doesn't love a good competition? Take advantage of major sporting events (Super Bowl, March Madness, World Series, etc.) to create brackets or squares to create some competition between your friends and boost your fundraising efforts.

## Instagram Stories Fundraisers

- Add graphics to your Stories that encourage people to donate to your fundraising efforts, such as a BINGO card or a challenge to receive a donation from each state. You can find our templates [here](#).

---

## SOCIAL MEDIA TIPS AND TRICKS

Once you've started putting your social networking skills to use, don't forget about your social media skills! Social media is a great way to recognize your donors, ask for donations, share your story, provide training updates, and actually show your friends what being a part of the Greatest Team Ever is all about.

---

### Best Practices for Social Media

- Use emojis—they catch the eye!
  - Include a photo/visual when posting.
  - Do a Facebook Live video to talk about your experience—you don't need to be a pro!
  - Ask your friends and family to share their cancer experiences in the comments of your posts.
  - Tag Pelotonia on all your posts. We enjoy seeing your fundraising efforts and and just might re-share your photos or posts (with your permission!)
  - Include your Pelotonia profile link in your social media bios so people can easily access it.
  - Put your Pelotonia profile link directly in your Instagram Stories with the Link Button feature.
  - Don't forget to use these hashtags so the Pelotonia community can check out your posts:
- 
- **#Pelotonia**
  - **#EndingCancer**
  - **#OneGoal**

## MATCHING GIFTS & INDIRECT DONATIONS

This section is intended to answer some of our most commonly asked questions about matching gifts and indirect donations. Please carefully read the following pages. For additional questions, visit the Give section of our website [here](#).

---

### Matching Gifts

Matching gifts are a great resource—but can also be complex when you're fundraising on a deadline. Please make note of the things to know below:

- Pelotonia is a 501c3 organization with the EIN 82-4997087.
- We offer a fantastic tool that you can use to find out whether an employer matches charitable contributions, how frequently they disburse gifts, and how to contact their matching gift coordinator: [pelotonia.org/get-involved/give/matching-gifts](https://pelotonia.org/get-involved/give/matching-gifts)
- We encourage you to apply for your matching gift as soon as possible to ensure your funds have the best chance of arriving into your account before the fundraising deadline. **It can take up to a year for a check to arrive in your account after you submit the initial request with a company.**
- Each company controls the schedule on which it issues matching gift checks. Many companies issue matching gift checks on a quarterly basis, while others may issue checks on a semi-annual or even annual basis. Thus, it is very important for you to familiarize yourself with a company's matching gift policy.
- While the Pelotonia team highly encourages the use of matching gifts in fundraising, **we have no control over the timing, distribution and receipt of your matching gift.** For this reason, we encourage you to *supplement* your fundraising efforts with matching gifts instead of relying on them.

**WE MUST RECEIVE ALL MATCHING GIFT DONATIONS BY SUNDAY, OCTOBER 15, 2024 TO BE COUNTED TOWARDS YOUR 2024 FUNDRAISING COMMITMENT.**

---

## MATCHING GIFTS & INDIRECT DONATIONS (continued)

---

### Indirect Donations

At Pelotonia, we consider a donation to be an “indirect donation” when it has traveled through a separate entity to get from the donor to the recipient. Examples of this include websites like Network For Good, Benevity, and JustGive.

---

---

It is important to pay close attention to these donations for these reasons:

- Pelotonia generally has little to no control over the receipt and allocation of these donations, and it is generally more difficult for money donated through a separate entity to find its way into your fundraising account.
- Similar to matching gifts, these donations must go through another company's disbursement process before being received at Pelotonia. This may delay receipt of your donation.
- Many indirect gifts arrive at Pelotonia smaller than when the donor originally made the gift. For example, if you donate \$100 to Pelotonia through an organization that takes a 10% processing and administrative fee from each donation, only \$90 will arrive at Pelotonia.
- If you choose to give through indirect donations, it is imperative that you list the donor name, Participant name, and Public ID number so that the gift can be acknowledged and allocated correctly.

We support the use of indirect giving, but it is important for riders and donors to educate themselves about the fees and legwork involved when donating through a separate entity, instead of donating directly to Pelotonia.

**WE MUST RECEIVE ALL INDIRECT DONATIONS BY SUNDAY, OCTOBER 15, 2024 TO BE COUNTED TOWARDS YOUR 2024 FUNDRAISING COMMITMENT.**

## FAQs

For a full list of FAQs, please visit our website at [Pelotonia.org/faq](https://pelotonia.org/faq).

---

**Q: What happens if I don't meet my fundraising commitment by the deadline?**

**A:** When you registered for Pelotonia, you were provided with and accepted an agreement stating that Pelotonia reserves the right to charge your credit card if your fundraising minimum is not met by the stated deadline. For example, if you choose to ride 100 miles and you've only raised \$1500 by **October 15, 2024**, your credit card will be charged the remaining \$500 to make up the difference.

While you can change your route distance and fundraising commitment up to (but not later than) 11:59 p.m. on **Tuesday, July 9, 2024**, we are confident that our comprehensive resources will give you the tools necessary to reach your commitment.

---

**Q: My employer has a strict no-solicitation policy. How am I going to reach my commitment if I can't tell my colleagues about what I'm doing?**

**A:** We respect your employer's solicitation policy and we encourage you to review it carefully. We hope that this guide helps you think creatively about other fundraising opportunities outside of your area of employment. Additionally, you can always contact our team at [pelotonia@pelotonia.org](mailto:pelotonia@pelotonia.org) if you need help brainstorming additional fundraising ideas. The Pelotonia community is often sharing different ideas on social media as well!

---

**Q: I am nervous that I won't reach my fundraising commitment and that my credit card will be charged in October. What should I do?**

**A:** Don't let fear of the unknown make you nervous. Year after year, we have watched as thousands of participants met and exceeded their fundraising commitments by following these recommendations. If you use our Fundraising 101 tips and keep in contact with our team, we are confident you'll have nothing to worry about. We are always happy to connect you with other members of the community to brainstorm fundraising ideas as well.

---

**Q: I have a personal issue and can no longer devote as much time to fundraising as I'd hoped. What should I do?**

**A:** You can change your route distance and minimum fundraising commitment up to but no later than 11:59 p.m. on **Tuesday, July 9, 2024**. Just visit your profile page under "Manage My Profile: Personal Information." After **Tuesday, July 9, 2024**, you will not be able to decrease your route and minimum fundraising commitment.

---

## FAQs (continued)

---

**Q:** I was expecting a matching gift to arrive before the fundraising deadline and it hasn't.  
What do I do?

**A:** Check with your donor or employer to get an expected date of arrival. If it's received after the fundraising deadline, it can be counted toward next year's fundraising.

---

**Q:** Can Pelotonia staff come and support me or speak at my cool / awesome / unique fundraiser?

**A:** We try to attend as many events as possible throughout the year, but at the end of the day, there are thousands of you and we are a small team. We ask that you contact Pelotonia by emailing [pelotonia@pelotonia.org](mailto:pelotonia@pelotonia.org) and we'll do our very best to be at your special event. If we can't attend, we're happy to equip you with the tools and information needed to have an amazing event!

---

**Q:** Why doesn't the amount 'I've raised' equal the total donations listed on my profile page?

**A:** While every donation pledged to you is immediately reflected on your donation list on your profile page, a check donation can only be added to the amount that you've raised after the check has been received by the Pelotonia office. To see which check donations have not yet been received by the Pelotonia office, log in to your profile page to view your donor list. Check donations which have not yet been received will show a red "NO" in the column title 'Paid.'

## Fundraising Milestones

---

**YOUR BIRTHDAY:** Considering asking for donations to your fundraising in lieu of birthday gifts this year. A great way to ask for birthday donations is through Facebook Fundraisers!

---

**SPRING CLEANING:** Before the summer heat kicks in, pick a weekend morning to sell those old clothes and forgotten treasures sitting around your home. Ask your friends for their donations and host a garage sale. Or work with local community groups on social media to sell those items to help you fundraise.

---

**TRAINING RIDES:** Ask donors to give \$1 for each mile you ride over the summer! If you cross-train, create a fitness challenge such as \$1 for every pushup you complete.

---

**EVERYONE LOVES A GOOD COMPETITION:** Reach out to a fellow Pelotonia rider and tell your friends you're doing a competition to see who can raise the most money. The winner gets to pie the other in the face, or wear a sporting team jersey, etc.

---

## TYING UP LOOSE ENDS...

The Pelotonia community has used these suggestions and resources and has raised over \$283 million dollars (and counting) for cancer research.
