Welcome to the world of OPI

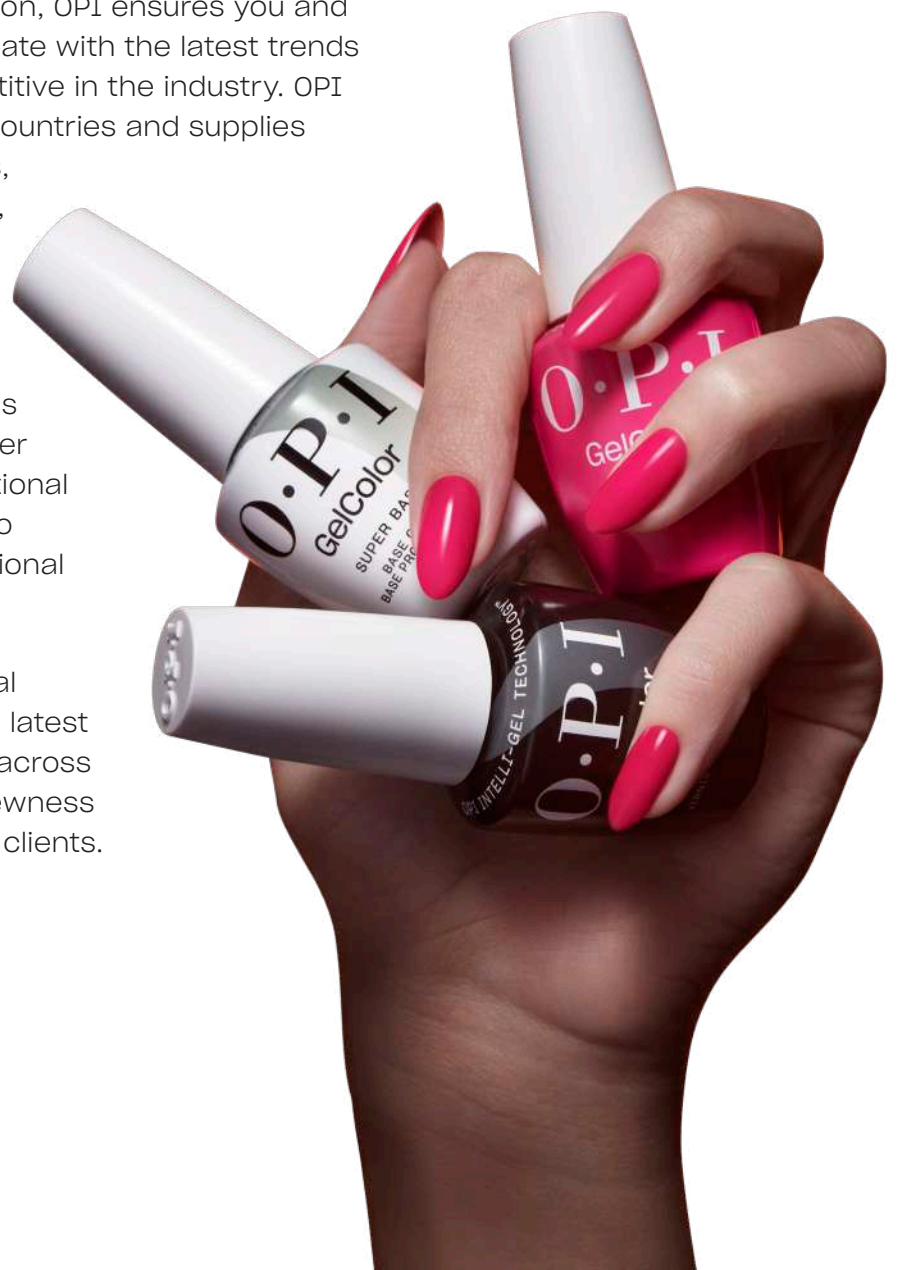

OPI has revolutionised the nail care industry since its inception in 1981, combining leading edge technology with an unerring sense of style, whilst maintaining an incomparable reputation for excellence and innovation around the world.

As the number one salon brand worldwide*, OPI is committed to providing premium services with high-quality products to support both our salon customers and their clients. Education is at the heart of OPI, and we pride ourselves in working with you, the nail professional, toward the right path for success. OPI offers a range of courses designed to accelerate your personal development and support business growth.

Always at the forefront of innovation, OPI ensures you and your business are always up-to-date with the latest trends and techniques to remain competitive in the industry. OPI is currently available in over 100 countries and supplies a full line of professional products, nail treatments, finishing products, lotions, manicure/pedicure products, files, tools, gels, and dipping powder.

OPI continues to set the standards and trends and are proud to deliver products that give you the exceptional results that the world has come to expect from the leader in professional nail care.

Every year OPI brings out seasonal colour collections, inspired by the latest colour trends, cities, and regions across the world with the aim to bring newness that will excite both you and your clients.

GELCOLOR

NEW FORMULA

MEET THE OPI GELCOLOR INTELLI-GEL SYSTEM™

Self-Corrects.
Stays Put.
Brilliant.

GelColor

Meet our OPI GelColor new formulation.
Say Goodbye to Streaking, Flooding & Rework.

This next-level formula self-corrects every stroke before your eyes thanks to Exclusive OPI Intelli-Gel Technology™. Our patent pending Intelli-Brush delivers groundbreaking product pickup, control, and flow. Supercharged pigment & shine adds intense color coverage & gloss to every single shade.

OPI's professional gel polish system is designed to be cured with the OPI Star Light lamp and fully cures from foundation to finish in 4 min per set.

MORE PROFITABLE...

Lowest cost per service vs. leading competitor means maximum profit for upgraded services. GelColor by OPI delivers unbelievably affordable services and it removes at a fraction of the cost and time of other gel colour brands.

Gel-effect polish system

Increase your revenue by 20% with OPI's Infinite Shine Professional Gel-effect polish without increasing service time!

DID YOU KNOW?

42% of clients are willing to pay more for an Infinite Shine manicure and once they've experienced its benefits, they're less likely to go back to using classic nail polish.

WHY?

Infinite Shine offers the benefits of gel in a Lacquer-easy formula.

- Up to 11 days of wear and vibrant colour
- High definition gel-like shine
- Simple and easy to apply and remove

3-Step System

STEP 1 - PRIMER

Apply one coat of the advanced Primer for real staying power and stain-free removal.

STEP 2 - LACQUER

Apply two thin coats of pigment-rich, vivid Infinite Shine colour. Wait two minutes before applying gloss.

STEP 3 - GLOSS

Finish with one coat of Gloss for a durable finish that cures to a mirror shine in natural light.

Infinite Shine

Locks like gel. Unlocks like lacquer.

Infinite Shine's new cutting-edge formula delivers stunning durability. Pre-cured gel technology locks onto nails for up to 11 days of glossy long-wear, and easily unlocks for speedy, damage-free removal.

Increase your revenue without increase service time!

- Professional, 3-Step System
- Easy application and removal
- No light curing needed

Innovative bottle design

Non-slip cap, with a textured finish so it's easy to grip.

Cap is optimum length for firm hold & lacquer application.

Patented bottle design, ideal in weight & shape.

Ergonomic. Perfectly round bottle so it's easy to hold & cup in your hand.

No edges ensures an easy-roll action in your palms to activate the lacquer, no need to shake.

A long soft brush ensures an even application of lacquer & prevents streaks.

Nail Lacquer

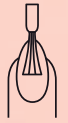

As the world leader in the professional nail care industry, OPI is committed to providing high-quality products and services to both salons and their customers, along with a focus on industry safety and innovation. Known for its exceptional formula, fashionable colours and iconic names, OPI's heavily-pigmented lacquers are super rich, long-lasting and chip-resistant - offering an affordable luxury to consumers.

Each lacquer features OPI's exclusive ProWide™ Brush for the ultimate in application.

OPI Education

The OPI Education Team are here to support you with a wide selection of learning opportunities. Whatever your chosen product or subject, skill level and preferred learning style there is something for you.

Foundation, Professional and Advanced.
Visit opieducationuk.com to see full range of courses and book

Foundation

Our Foundation level courses are for beginners and cover the information you need to learn to get started in the nail industry, including anatomy and physiology, health and safety, ingredient knowledge and practical work. Some element of home learn and a test is required to support and assess your learning. These courses are the foundation of your future as a nail technician and enable you to access classes in more advanced techniques and products.

Professional

For industry professionals already holding a manicure qualification these classes will teach you how to use new products and learn new skills. Often used as a conversion, refresher or introduction to the brand they are also a stand alone qualification in the system of your choice.

Advanced

Classes for experienced nail professionals to advance their skills and learn new techniques such as add on services like nail art.
