

-Chilling out under the serene starlit sky-

Starry Night in Nikko

Period: November to March

Traditionally, there has been a special connection between Nikko and the stars.
We invite you on a starry night journey.

Introduction

Connection between Nikko and its stars

First, look up at the sky and stars in Nikko.
Then watch the video from the code in a relaxed mood.

Narrated by:

Yuki Rhinehart

-FM personality
-TV / Commercial
narrator, etc.

-Art, etc.

Star Cards

We have prepared 5 types of beautiful cards in different places in Nikko.
Please visit there and get the cards.

By reading the code on each card,
you can listen to a special story
about each location and its stars.

Please enjoy your starry night journey
in Nikko.
