Floor plan not to scale.
For indicative purposes only.

Unit 1 ground floor space

The units benefit from superior specification, and are flexible by design to suit to all occupiers needs. This includes the ability to combine units where required.

The bright, open units benefit from solar-controlled double glazing, roof mounted PV panels and heating and cooling throughout. This, alongside the EV charging bays provide an opportunity for occupiers to minimise their environmental footprint without compromising on specification.

Forward focused.

Focus Park is perfectly situated for businesses on the move, with easy access to both road and rail networks, as well as local amenities

Easy access to the A40, A401, and Heathrow Airport - located outside ULEZ

Under a 10 minute walk to Harrow & Wealdstone station for fast access to Central London
