A HIGH QUALITY ENVIRONMENT

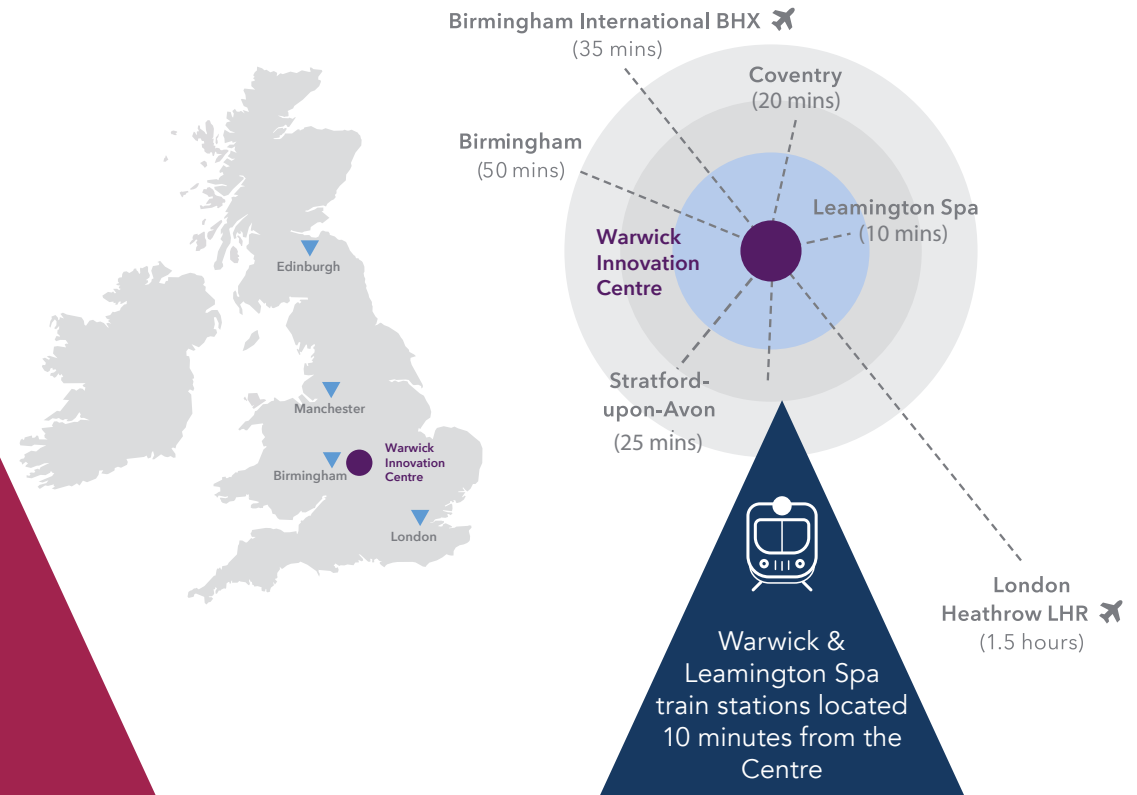

Located on Warwick Technology Park and nestled in landscaped grounds, Warwick Innovation Centre offers flexible, light filled, open plan office space on short leases; ranging from one-person incubators to 2,000 sq ft units.

Warwick Innovation Centre is a joint Venture between the University of Warwick Science Park and Warwickshire County Council, designed to meet the specific needs of innovative businesses in the county, with access to a wide range of Business Support Services and links to research and support from the University of Warwick.

A premier **location** in the heart of the country...

Situated in a highly accessible location, the offices are set approximately 3 miles from the M40, 1 mile south of the historic town centre of Warwick and 2 miles from Leamington Spa.

Warwick Innovation Centre is within easy reach of Birmingham and Coventry with access to London via the M40. Rail links are provided from Leamington Spa and Warwick Parkway train stations into London, whilst Birmingham Airport and Birmingham International railway station are within a 30 minute drive of the property.

A WARM WELCOME

Business support

This service is available to innovation-led businesses ranging from support for start-ups to established businesses. The support team is able to offer general advice and support to tenants on an ad hoc basis, as well as putting together bespoke programmes for internal and external clients.

Leases and Licences

Companies committing to the smallest units for under a year may be offered an "easy-in/easy-out" form of occupational agreement. In all other cases short leases of between 1 and 3 years will be offered according to individual circumstance. Whatever the form of the occupational agreement, renewals can be offered.

Warwick Innovation Centre provides a fully serviced reception to offer a warm welcome to any guests, provide postal and telephony services and can help with general administration.

The Centre has an array of facilities and services including four meeting rooms available to tenants, kitchens, communal break out areas with internet access and hot and cold refreshments.

CONFERENCE ROOMS

Seats 8-30 people

Hot drinks

Flipchart

Air conditioned room

Video conferencing

Phone

Free high speed WiFi

Plasma screen with Barco Clickshare

UNITS

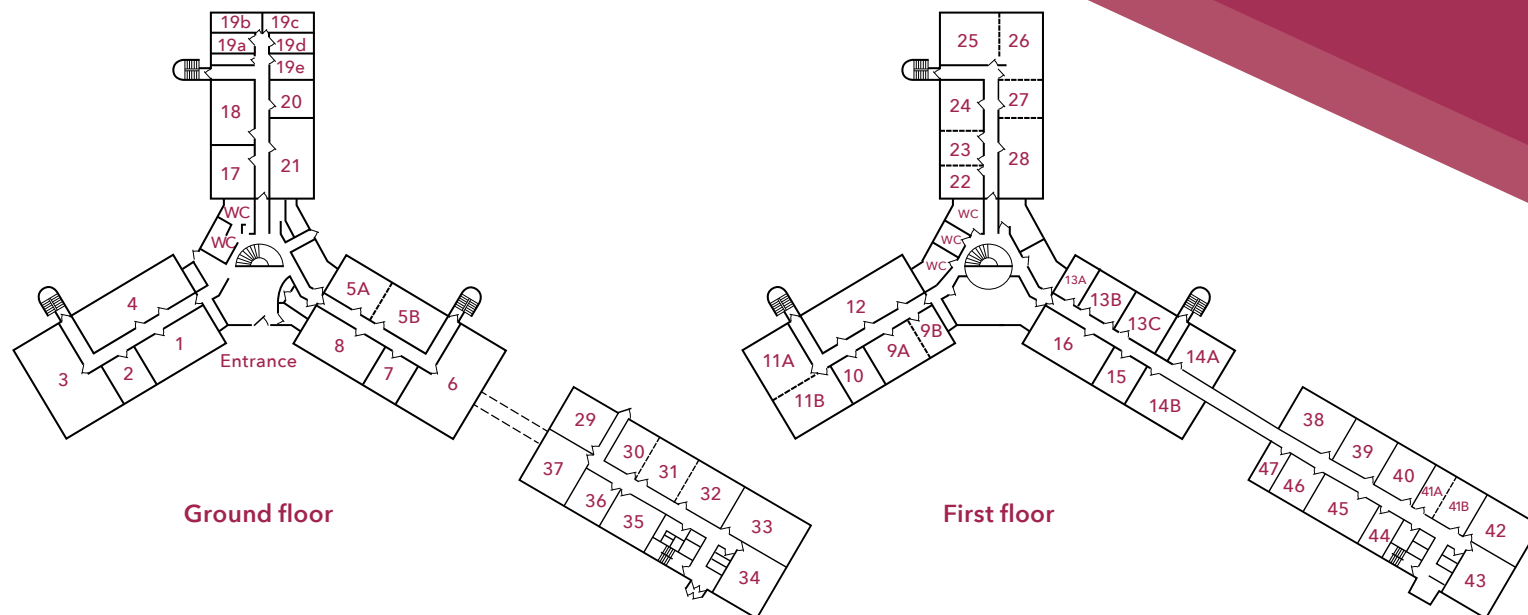

The units have been designed for a full range of uses most commonly required by the smaller technology based business, and can be configured to give office environments for software engineering, demonstration, training and administration, as well as for design and development work, with the possibility of acquiring multiple units to create a larger, flexible office space.

A region with so much...

The Centre is located in the historic town of Warwick, famous for its magnificent castle, superb specialist and independent shops, mediaeval charm and a fantastic range of places to eat & drink.

Warwick is located in the rural Heart of England with Shakespeare's Stratford-upon-Avon, Royal Leamington Spa and Kenilworth all close by whilst still being within easy reach of Birmingham and Coventry.

Great local attractions...

Shakespeare's Stratford
Warwick Castle
Kenilworth Castle
