## DESCRIPTION

Located on the edge of the popular village of Aldbourne, 5 Chandlers Lane is a modern five bedroom family house.

There is a wealth of ground floor accommodation and is perfectly set up for modern day family life. Of particular note is the expansive kitchen / dining / family room which has been beautifully extended to create a wonderful space, ideal for family meals or entertaining guests. This room really is the hub of the home with cathedral windows bringing in great natural light and offering views over the garden and field behind. The kitchen has been tastefully fitted to include quartz work surfaces, integrated appliances and is centred around the island unit.

The garage has been part-converted to create a lovely snug which has a cosy feel to it and offers a handy, extra reception space. The ground floor accommodation is completed by the downstairs cloakroom and sizeable utility room, both of which are accessed off the hallway.

Heading upstairs, the first floor enjoys three double bedrooms all of which are served by the main family bathroom. There is also a study which could be used as a smaller fifth bedroom, should there be the need. A further set of stairs lead up to the top floor where there is an expansive principal bedroom. This room benefits from great views, a wet room (with underfloor heating) and walk-in-wardrobe.

## OUTSIDE

To the front of the property there is a driveway for one car with additional parking on the lane. The garage has been part-converted but an area remains at the front offering useful storage space.

The garden backs onto the paddock and is mainly laid to lawn. There is also a fabulous paved terrace, accessed off the kitchen, offering a great spot for alfresco dining and entertaining.
