Sweeten family time with cookie decorating made easy.

- 1** Make sugar cookie dough using a favourite recipe, cut into circles, bake and cool.

- 2** Make royal icing, and put one third into a piping bag. This will be your white icing.

- 3** Colour the rest of the icing red using food colouring and put it into a piping bag.

- 4** Use the red icing to pipe a circle border.

- 5** Use the red icing to flood the inside. Let set for 30 minutes.

- 6** Once set, pipe a plus sign with the white icing.

- 7** Next, pipe an X overtop of the plus sign.

- 8** Use the white icing to create small "v" shapes at the end of each line, pointing toward the centre.
