During the financial year, ActionStation Aotearoa received \$144,700 for external campaigns and projects. These are not funds for ActionStation's in their operations use and so are held in the liability account Funds held in trust for other parties. #### 11. Ability to Continue Operating

While there is negative equity of \$2,980 at balance date and a budgeted deficit of \$76,998 for the 2020/21 financial year, the Directors consider the going concern assumption is appropriate on the basis that subsequent to balance date, funding has been generated that has significantly decreased the forecast deficit, and the company can continue to operate within its means.

#### 12. Post Balance Date Events

On 11 March 2020, the World Health Organisation declared the outbreak of COVID-19 (a novel Coronavirus) a pandemic. Two weeks later, on 26 March, New Zealand increased its COVID-19 alert level to level 4 and a nationwide lockdown commenced. The

lockdown has since been lifted after balance date, however there is still a level of uncertainty around the flow on effects of the disruption.

At this time the full financial impact of the COVID-19 pandemic is not able to be determined, but it is not expected to be significant to the entity. (Last year - nil)."

# CKS AUDIT

#### INDEPENDENT AUDITOR'S REPORT

#### To the Shareholder of ActionStation Aotearoa Limited

#### Opinion

We have audited the financial statements on pages 6 to 12 of ActionStation Aotearoa Limited which comprise the balance sheet as at 31 March 2020, the statement of profit or loss, the statement of changes in equity, the statement of accounting policies and notes to the financial statements.

In our opinion, the accompanying financial statements on pages 6 to 12 present fairly, in all material respects, the financial position of ActionStation Aotearoa Limited as at 31 March 2020, and its financial performance for the year then ended in accordance with the Special Purpose Financial Reporting Framework for For-Profit Entities (SPFR for FPE) as published by Chartered Accountants Australia and New Zealand.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the *Auditor's Responsibilities* for the Audit of the Financial Statements section of our report. We are independent of ActionStation Aotearoa Limited in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, ActionStation Aotearoa Limited.

#### **Emphasis of Matter - Special Purpose Framework**

We draw attention to Note 1 on page 9 of the financial statements which describes the basis of preparation. The Directors have elected to use a special purpose framework being Special Purpose Financial Reporting Framework for use by for-profit entities ("SPFR for FPE") as published by Chartered Accountants Australia and New Zealand for the benefit of the company and to assist in assessing obligations to the Commissioner of Inland Revenue. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Other Matter - Comparative Figures Not Audited

The financial statements of the company for the year ended 31 March 2019 were not audited as stated in Note 2 on page 10, and as such the 2019 comparative figures disclosed are unaudited. Our opinion is not modified in respect of this matter.

#### **Restriction on Responsibility**

This report is made solely to the company's shareholder, in accordance with Section 207B of the Companies Act 1993. Our audit work has been undertaken so that we might state to the company's shareholder those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholder, for our audit work, for this report, or for the opinion we have formed.

#### Other information

The Directors are responsible on behalf of the company for the other information. The other information comprises the Directory and Directors' Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based, on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the Directors for the Financial Statements**

The Directors are responsible on behalf of the company for the preparation and fair presentation of the financial statements in accordance with Special Purpose Financial Reporting Framework for For-Profit Entities (SPFR for FPE), and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible on behalf of the company for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- conclude on the appropriateness of the use of the going concern basis of accounting by the company and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the company.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.
