ELEVATE YOUR EVENT

EXPERIENCES & SERVICES

Team Building – Expo City Challenge

The Expo City Challenge propels teams through the vibrant heart of Expo City Dubai. Armed with golf buggies, participants race against each other, deciphering a trail of clues, riddles, and puzzles that lead them to explore the city's most iconic attractions.

The activity sharpens leadership abilities and critical thinking, requiring teams to collaborate effectively and, at times, resolve conflicts on the fly.

As they traverse the city, from the innovative Terra Sustainability Pavilion to the futuristic Alif Mobility Pavilion

and beneath the grandeur of the golden Al Wasl Dome, teams experience the thrill of competition alongside the beauty of innovation and sustainability.

Duration: 1.5 to 3 hours

Minimum: 20 pax

VIP Guided Tours

1

1 - Sustainable Planet Tour

Unveil the nature-based solutions and eco-friendly architectural designs that make Expo City Dubai a blueprint for sustainable urban living. Go on an exclusive behind-the-scenes tour at Terra to discover cutting edge energy, water and waste systems, and explore the inspiration behind the structure's iconic canopy and architecture.

2 - From Sand to Space: Exploring Arab Civilization

Embark on a captivating journey unveiling how historical and modern contributions of the Arab World have shaped the world as we know it today and in the future. From visionary leadership to the Arab world's giants of mobility, the tour proudly covers world renown innovations regionally developed.

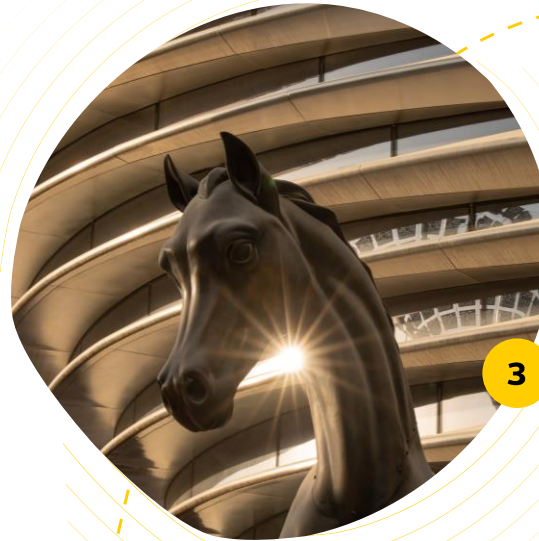

2

3 - Art, Architecture & Design Tour

Experience an immersive journey of sustainable design principles applied across seamlessly interwoven artwork and contemporary architecture throughout Expo City Dubai.

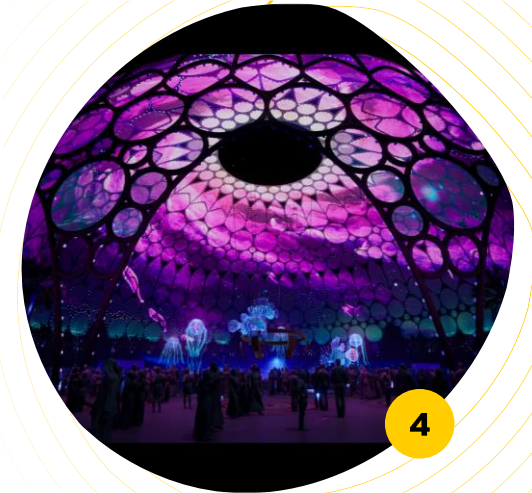

3

4 - Innovation & Technology Tour

AL WASL PLAZA & SURREAL

Epic experiences await at Al Wasl Plaza

Named after the Arabic word for “connection”, this unique massive steel trellis dome, measuring 67.5 meters high houses the largest 360-degree projection surface in the world. Be transformed by **Surreal**, where mesmerising larger-than-life immersive walls are swept over by gushing water which then appears to flow upwards in a gravity-defying feat of engineering.
