WHY DID YOU DECIDE TO TRAVEL?

Photos and videos just don't do the world justice, we wanted to see it for ourselves! Experience the different people, cultures and of course: FOOD. We now have the travel bug and won't be stopping any time soon.

FUNNIEST STORY?

Picture this, it's the last day of our Turkey Sail and we're in pyjamas, socks and sandals. Running frantically down Fethiye ferry port after waking up in a panic because we had slept through 5 alarms and missed our transfer to Dalaman airport. We JUST made our flight to Paris, with a lot of weird looks and laughs included. Here's some advice - don't stay out 'til 4 in the morning when you have a 7am transfer for an international flight!

FAVOURITE MEMORY?

Exploring Paris one day, we accidentally took the wrong bus heading in the wrong direction. Confused as to where we were headed an elderly man overheard us talking and interrupted saying, "If you jump off at the next stop, you won't regret the view you'll see". So we decided to take his advice, not really knowing what to expect. We got off, walked around the corner of the Palais de Chaillot to a breath taking view of the Eiffel Tower.

FAVOURITE DESTINATION?

It's so hard to pick a favourite because there are too many! So far Lauterbrunnen, Switzerland is a massive favourite of ours. If you ever want to live in a postcard - go there! Also Paros, in Greece. The cutest, prettiest little town with the bluest water you will ever see. Anywhere we can escape the chaos of big cities for a brief moment is a big hit for us.

WHO IS THE MOST INTERESTING PERSON YOU'VE MET?

That's a hard question! Once you get talking with the random people you meet, whether it's on the street, on a tour, or in a dorm room, they all seem to have something interesting about them. It's impossible to cut it down to just one person. One of the many reasons why we love to travel so much.

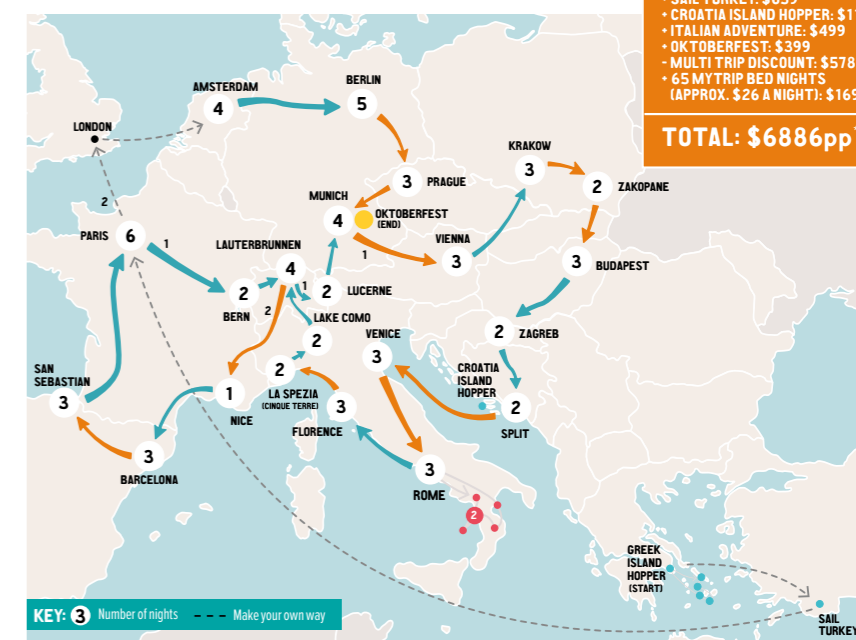

BEST FOOD ON YOUR TRIP?

Our chef on Turkey Sail made the most delicious traditional Turkish meals. Lots of pastas, a different type of rice every day, so many amazing vegetarian dishes. We definitely ate our weight in food over the 8 days on that boat!

CHLOE & DAN

WHY DID YOU DECIDE TO TRAVEL?

Chloe: To learn, experience new things, and to finally be able to see those amazing places that you see in photos in real life. It's so rewarding!

Dan: I wasn't very interested in traveling but my partner Chloe was all for it. I'm always open to try new things so we booked Europe. Since then, I haven't looked back and we are now planning our next adventure!

FAVOURITE DESTINATION AND WHY?

Chloe: Prague 100%. It is such a beautiful city, I could have walked the streets around Old Town Square for hours, and the Prague Castle was absolutely stunning. The food was awesome and the locals were so nice as well.

Dan: The Swiss Alps for me! The scenery was incredible, it was almost hard to believe what I was seeing. Plus I'm all about that adrenaline rush.

FAVOURITE MEMORY?

Watching the sunset in Santorini was something! We had dreamed about it for as long as I can remember. It was so simple yet incredible at the same time.

WHO IS THE MOST INTERESTING PERSON YOU'VE MET?

We met a German guy in Lisbon who cycled from Germany to Portugal taking over 6 weeks to ride and travelled around 3,000km. He is planning on riding through Canada, USA, New Zealand and Australia. We were really impressed!

BEST FOOD ON YOUR TRIP?

Dan: My personal favourite was paella. Go with the traditional meals of the country you are in and you cannot go wrong. Stick to what they do best!

FUNNIEST STORY OF THE TRIP?

Getting lost in Prague, we rode the tram into town but didn't realise we were actually traveling the wrong way. Wandering around with no reception and navigating our way back with help from the locals and a map from the hostel.

ANKUSH

WHY DID YOU DECIDE TO TRAVEL?

I haven't travelled Europe much even though I live in Scotland. I'm near so many beautiful countries and I hadn't given it much thought until this year. I'm so glad I decided to travel this year because I've met so many amazing people along the way!

FAVOURITE FOOD?

Raclette in Switzerland, cheese mixed with pickles and potatoes.

FAVOURITE DESTINATION AND WHY?

For me it was a whole country: Switzerland. It was absolutely breathtaking, every stop along the way just got better and better!

WHO IS THE MOST INTERESTING PERSON YOU'VE MET?

Has to be fellow Busabouters, Ryan Steven. We spent about a week together and still keep in touch, planned our USA route when I go to see him in the States. By the end of the trip it was more of a bromance, anyone who tagged along with us became the third wheel.

TAYLOR

WHO IS THE MOST INTERESTING PERSON YOU'VE MET?

My Greece guide Mike was an interesting character. He always had a story to tell! He knew how to keep us all entertained, while giving us as much information possible. Never a dull moment.

FAVOURITE FOOD?

I definitely have a sweet tooth when it comes to food but as far as traditional dessert goes, you can't beat a big cup of fritule (mini doughnut balls) from Croatia covered in cinnamon and Nutella, yum!

FAVOURITE DESTINATION AND WHY?

It has to be Santorini. Despite all of the stairs, it's well worth the climb when you get into town to wander through the pebble stone streets, witness the picturesque views of the white houses surrounded by beautiful blue water and eat some traditional Greek food.

YOU'LL GET AWARD-WINNING SERVICE

Travelling on Hop-on Hop-off is a stress-free experience. Our comfy modern coaches pick you up and drop you off at our recommended accommodations. You'll meet like-minded people that love to travel as much as you do. And our legendary guides are always on hand to help you out with your plans.

In essence, we deal with the serious stuff so you can focus on the fun. It's that easy!

COACHES

We have an epic private fleet of coaches waiting for you. They're **modern and air-conditioned** with reclining seats and plenty of legroom so you won't feel cramped like you would on public transport. A true first-class experience!

They are equipped with an **onboard entertainment system** so you can watch great movies from your phone or tablet. Or just hook up to the WiFi and post all those FOMO-inducing photos on Instagram. There's plenty to keep you entertained so you won't be twiddling your thumbs. Oh, and the views are pretty grand too.

One of the biggest perks of these coaches is the **door-to-door service**. You'll be dropped off and picked up from our recommended accommodation partners and save plenty of time and cash on unnecessary transport getting to and from stations. You'll also skip having to lug your bags around town figuring out which road to turn down. And you can't put a price on that!

CREW

Your Guides

You're going to meet plenty of these **legends on your trip**. They're like walking European encyclopaedias and will go out of their way to make sure they have an answer for all questions. They go through months of training to learn about all the destinations you'll be visiting. They are always beyond excited to help you make your trip the best ever. You'll love them because they're travellers, just like you!

Your Drivers

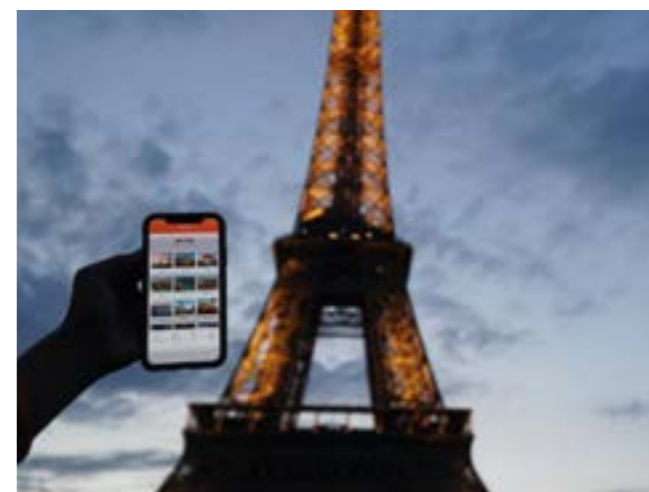

These guys love Europe so much that they never tire (see what we did there) of driving the same scenic roads. Always a bundle of joy, don't be surprised if they break into song mid-journey or share a few jokes. The only thing they love more than Europe is their coaches, and you're likely to see them shining some chrome at sunset with the biggest smile on their faces.

FLEXIBILITY

Ever wanted to spend an extra day in a city so you could have that special dessert one last time? Or leaving as soon as you get there because it's just not your vibe? With Hop-on Hop-off you can have your cake and eat it too. Making **last-minute changes** is **hassle-free** and won't cost you a cent. It's your choice, your way.

Use **MyTrip** (our travel planning tool) to switch out your coach days and no longer worry about having to pay extra fees, because Europe is best enjoyed stress-free!

YOU GET TO CHOOSE

The coolest thing about Hop-on Hop-off is the freedom of choice. You have a say in everything, so you can design the trip you always imagined. From who you're going to spend time with to what you'll be doing day-to-day, this is where your adventure comes to life!

YOUR TRAVEL MATES

We believe the biggest myth about solo travel is that you'll be on your own the whole time. You won't. At all. There are **thousands of travellers** on our network every season. From history buffs to adrenaline junkies and foodies to culture vultures. You'll come across them all. Some will instantly become BFFs, others won't get past the small talk at the service stop. And that's OK!

The beauty of Hop-on Hop-off is that you can **choose who you travel with** at all times. Pick your new best friends and set out to create the shared memories you'll never forget. That unique connection is what brings us together. As a tribe. The Busabout tribe.

YOUR ACCOMMODATION

With Hop-on Hop-off you have loads of options when choosing where to rest your head at night. From modern hostels to idyllic campsites, and five-star hotels to your long lost cousin's family home (#awks much?) - your options are endless.

If you love convenience but hate giving up on comfort, then we have some good news for you. We hand-pick **one great place to stay** per destination so you don't have to. This is also where the coach will **pick you up and drop you off**. They're mostly vibey hostels that have a combination of great city-centre locations, excellent ratings, variety of room types and free WIFI. What's more? They're filled with other travellers! We recommend them for a reason.

If you're keen to join us there, **book your beds through MyTrip** and get 5% back to use on a future Busabout trip. Visit busabout.com/bedcred for more info.

YOUR ACTIVITIES

The only way to truly experience Europe is by... experiencing it! Have a go at making some sangria and paella in Spain, jump out of a plane in the Alps, or dress to the nines and go to the Moulin Rouge. We have you covered on all of these and loads more, at a **discounted rate!**

Your guide will give you a run down on the optional activities we offer for your next destination. They're optional for a reason, so if all you want to do is sit in a park and watch the locals go about their lives, you can do that instead. We won't judge!

Tip: Bike tours, walking tours and pub crawls are a great intro to any destination and a great way to loosen up with new friends!

- I'M THINKING OF TRAVELLING ON MY OWN. WILL I MEET OTHER SOLO TRAVELLERS?**
Absolutely! The great thing about Busabout is that it's so easy to meet like-minded independent travellers and you'll soon have lots of new friends on the road. Also with Busabout's Trip Mates and Community you can even get in touch before you start (arrange to meet at the hostel bar the night before maybe?). So it's a lot more fun than travelling on trains and buses by yourself.
- DO LOTS OF PEOPLE TRAVELLING ON THE BUS MEET EACH OTHER AND THEN START TRAVELLING TOGETHER?**
Yes, totally! By the end of the season you'll have met loads of really cool, like-minded people. Your pass is flexible, so you can change routes if you'd like and travel with a new groups of friends.
- I'M TRAVELLING WITH MY PARTNER - CAN I BOOK OUR HOSTELS AND COACH JOURNEYS TOGETHER?**
Yes. In MyTrip you have the option to book everything at the same time if you all have the same trips booked. If you're travelling with a group you can also nominate a lead passenger to take charge of all the bookings.
- DO YOU HAVE TO STAY IN ONE OF THE HOSTELS YOU RECOMMEND, OR CAN WE BOOK OUR OWN ACCOMMODATION?**
We give you the freedom and flexibility to choose any accommodation style you like. Though we select the best value for money option in each city (and we do recommend staying with the group), if you'd like to stay somewhere else that's absolutely no problem at all. The choice is yours!
- CAN I START ANYWHERE ON THE HOP-ON HOP-OFF NETWORK?**
Yes, you can even break away from your pass and return to it later at a different city if you like! When purchasing a Hop-on Hop-off Pass you'll have the choice of starting anywhere you like on the network map.
- CAN I VISIT THE SAME CITY A FEW TIMES?**
Yes, you can revisit a city. Most passengers with longer itineraries travel through some of the major hubs a few times each year. The second time is always better!
- AM I TOO YOUNG/OLD FOR BUSABOUT?**
As the nature of our trips are for independent travellers, you'll need to be 18 at the time of travel. We don't have any upper limits at all, and anyone who shares our flexible and fun spirit of travel is welcome onboard.
- CAN YOU HELP ME PLAN MY EUROTRIP?**
We'd love to! Just get in touch and we will happily help you plan your route.
- HOW MUCH CAN I TRAVEL?**
If you have an Unlimited Pass you can travel for as long as you want between May and October while the coaches are running. If you have a Stop Pass, you can travel on the coach for as many days you have allocated from your pass. Eg: 3 Stop Pass will give you 3 days on the coach.
- HOW MUCH SHOULD I BUDGET FOR EACH DAY?**
It will depend on the city and which part of Europe you are in, but a good base would be around €75 a day for your dorm bed, local activities, lunch from a supermarket, an inexpensive dinner and a good night out.

In a way, UNESCO-listed Meteora could easily claim the title of Greece's best-kept secret. These huge sandstone structures with monasteries perched precariously on top are nothing short of spectacular, and will quickly drain your camera's battery as you fail to resist the urge to go absolutely snap happy. Hey, it happens! The rock formations have been around for about 25 million years, but the monasteries were not built until the 14th to 16th centuries. These days you can still visit 6 of the 24 original temples, so make sure you wear comfortable footwear for all the steps that await you!

The originals to pioneer the Dalmatian Coast. These beautifully preserved boats are full of character and offer great deck space, well laid out cabins and shared bathrooms.

CLASSIC ENSUITE

Twin-share cabin with private bathroom facilities

These boats have been sailing with us for seasons. They offer great big decks to dance and sunbathe on, and a large galley to enjoy the seafood. They are slightly larger than their Classic Standard counterparts and could be described as Dalmatia's party boats.

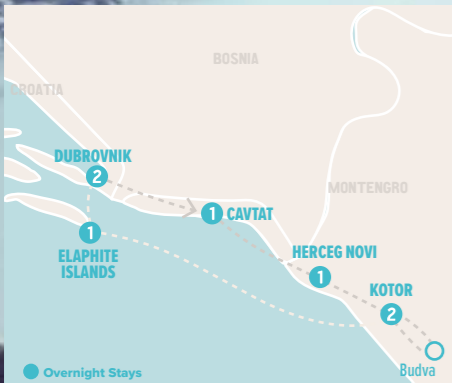

CRUISER ENSUITE

Spacious modern twin-share cabin with private bathroom facilities

These modern steel hulled giants offer large ensuite cabins with air conditioning, huge deck space and large galleys, plus a hot buffet breakfast daily. They're the new Croatian cruising experience!

WHY CHOOSE THE FLEXI-HOPPER?

You decide how long you stay on each of the islands, where you want to lay your head, and which optional excursions you want to do. It's all about flexibility, and creating the adventure that's right for you

HOW IT WORKS:

Ferries Book your ferries through MyTrip (our travel planning tool). There's a minimum stay of 2 nights per island and groups depart islands every 2 days. Ensure your travel dates are locked down 14 days prior to departure from Athens, and we'll take care of booking, collecting, printing and caring for your tickets.

Accommodation Our recommended properties are bookable through MyTrip and include transfers to and from ferry ports. Staying elsewhere? Contact your property to see if a transfer can be arranged.

Optional excursions Book Busabout recommended excursions on each island through your Guide and create an itinerary that suits you!

Keeping in touch You'll be added to a Facebook group where plans and meeting times are shared. Use the group to contact your Guide and see what fellow Busabouters are doing - no matter where you're staying!

WHAT YOU GET:

Ferry tickets Book your ferries through MyTrip. Spend 2 or more nights on each island - it's up to you.

Busabout Guide These legends are there to enhance your experience. They'll arrange your ferry transfers and excursions, tell awesome tales of history and mythology, arrange nights out and give you personal recommendations based on your interests!

New friends There are loads of Busabout travellers on the islands each season, so you're guaranteed to make plenty of friends.

Extras You'll have access to discounted excursions, drinks, jewellery, club entry and just general VIP treatment with your trusty Busabout wristband!

Hassle-free travel Navigating the Greek islands can be hard work in summer! We take care of the hassle, so that you can sit back, relax and enjoy your trip!

THE WILD CHILD OF SCOTTISH ADVENTURES

Our tours are like an epic road trip with new friends. Our local guides will wildly entertain you with tales of our deep and dirty history. Laughs are guaranteed and wild antics are inevitable.

Discover romantic ruins, ancient trees and insane geological wonders. Scotland looks its age, but we don't always act it! We'll laugh together at your attempts to do a Scottish accent, and ceilidh dance until you're too dizzy to stand. We'll show you the best of Scotland's wild side, and help you find yours too.

Before long, you'll stand by misty lochs with love in your eyes, and diagonal rain in your face. You'll pose for whisky fuelled selfies wearing nothing but a tartan toga and a smile.

Scotland will change you, and we're taking full credit.

GRAND MASTER GUIDES

OUR-HOME GROWN GUIDES ARE SCOTTISH TO THE CORE

They've been singing songs, drinking drams and leaping into lochs for as long as they can remember. Raised on a diet of porridge and passion, they harbour a **Deep Scottish Love** which conquers all.

They are **master-storytellers, memory-makers and experts in having fun.** Not to mention, undiscovered comedians and on-bus DJs! As fellow travellers, they are passionate about giving you an authentic experience. They impart infinite local knowledge, with personal tales of the land they love so much.

To earn their grand-master status, they **have all clocked over 10,000 hours on the road.** They're a legendary clan of explorers, who will welcome you as one of our own.

When the grand-master guides are on board, our buses burst with pride and personality.

Touring Scotland isn't just a job, it's their...

WAY OF LIFE!

Kirsty's BRAW DAY OOT!

1 day tour

Like most of the HAGGIS crew, Kirsty is a grand-master traveller as well as guide. Years away in Australia, New Zealand and South America has made her appreciate her hometown of Edinburgh even more. She reckons it's the most beautiful city in the world, and she's seen plenty. Who better to show you round? She'll take you to Edinburgh's local gems giving you a truly personal insight into this beautiful city.

★ **ARTISTS ALWAYS
SIGN THEIR WORK**

Gill's NATURAL HIGHS

3 day tour

Gill reckons that getting to the highest point is the best way to appreciate any location – whether it's our great Cairngorm Mountain range or Mount Kenya, Africa's second highest peak. Gill always returns to hillwalking as it's the 'purest form' of adventure. Having explored the Cairngorms for over a decade, it was only natural that her passion project would be based in this magical location. Gill's three day tour is a true Scottish adventure made for people who love the outdoors.

Yvonne's HIGHLAND CHARGE

1 day tour

Yvonne was her school sprinting champion. But don't worry too much about keeping up, nowadays she just enjoys running for fun. Yvonne has a real passion for being outside and embracing all of nature's elements. That is why guiding came naturally to her. But living and breathing the guiding lifestyle, like travelling in general, can make it hard to keep up positive health and fitness intentions. Enter the Highland Charge! A one day tour to the Scottish Highlands that combines, fitness fun and history.

CALLANISH STANDING STONES

The enormous Neolithic standing stones of Callanish date back more than 4,000 years and are older than Stonehenge. Their meaning remains a mystery. Perhaps an ancient calendar? A site of worship? Who knows!? But these are considered to be some of the most impressive and inspiring of any of the ancient stones in Britain, so no wonder they were used as a model for the fictional stone circle Craigh na Dun in Outlander.

EDINBURGH HOGMANAY

Scotland is THE place to see in the New Year. Enjoy three fantastic days of celebrations, with top bands, amazing performances and fantastic crowds.

@STEPHENBRIDGER

TORCH LIGHT PROCESSION 30th DECEMBER 2018 & 2019

@JESS_ISMORE

The city is illuminated by the golden, orange glow of the torch bearers as they snake their way along the streets finishing up at Holyrood Park for the firework display. Whether you decide to take part in the parade itself or simply spectate, this evening event is one that will leave you feeling all warm and fuzzy inside. It's the perfect warm up for our legendary HAGGIS ceilidh!

NB: Add a torch ticket at the time of booking.

HOGMANAY STREET PARTY 31st DECEMBER 2018 & 2019

@STEPHENBRIDGER

Revellers from all corners of the Globe head to the streets of Edinburgh to bring in the New Year Scottish Style. Four street party stages and 8 large screens cover the live bands, DJ's and traditional Scottish music throughout the evening. Fireworks are let off on the hour from 9pm culminating in the ground-rumbling, heart-thumping eye-popping finale at midnight.

NB: Street Party tickets included as part of the tour package.

LOONY DOOK 1st JANUARY 2019 & 2020

Not many people choose to swim in the sea on New Year's Day in Scotland (it's a wee bit chilly) but for those mad enough to take the plunge, the appropriately named 'Loony Dook' is just the thing. Fancy dress is a must as you follow the parade along the length of South Queensferry High Street before braving the freezing waters. This has to be one of HAGGIS' favourite events.

**THERE ARE TWO TYPES OF PEOPLE IN THIS WORLD...
THE IRISH AND THOSE WHO WANT TO BE IRISH!**

Our Irish adventures are shamelessly good fun. From the moment you arrive, 'the craic' will be flowing as freely as Guinness, and we'll have you laughing quicker than you can say "thanks a million". Our 100% Irish guides are champion chatterboxes with legendary storytelling abilities. The best tales are told with an Irish accent and a mischievous twinkle in the eye.

As we blaze a trail through the Emerald Isle, you'll learn about our turbulent past; from mass migration through the centuries, to the recent 'Troubles' of Northern Ireland. Venture north, beyond the wall, to the 'Home of Thrones', where we follow the three-eyed raven across epic landscapes to the heart of the Seven Kingdoms. Conquer the Iron Islands and wander through the 'Dark Hedges', before we return to the real world outside Westeros.

After an action-packed day roaming the forty shades of green that is our Irish countryside, we congregate in the cultural centre of Ireland... the pub. You'll experience cheeky charm and traditional tunes like no other so prepare to bust out your best Irish jig, as we paint the town green. It is our duty to make sure you have an authentic Irish experience, so shenanigans are guaranteed, and the craic will be mighty!

DARK HEDGES

Dating back to the eighteenth century, the beautiful avenue of beech trees was planted by the Stuart family to impress visitors as they approached their home, Gracehill House. Two centuries later, and with the help of Game of Thrones, they still impress today and are better known as the 'Dark Hedges'.

FAN-FECKIN-TASTIC GUIDES..

Our Guides are the real deal: master storytellers, yarn-spinners and total legends. One thing's for sure, you won't shut them up – they are a living proof that kissing the Blarney Stone gives you the gift of the gab forever more! Oh, and a little heads up: you'll probably develop a crush - and that's okay. Our Guides could charm the birds from the trees – whether it's their passion, that gorgeous lilt (one of the sexiest accents in the world) or the cheeky twinkle in their eye – you're likely to leave a piece of your heart in Ireland.

I am an Irish gal through and through and the one thing I love to do most is show off the beauty of my country, retell the old tales and keep our culture alive! To learn is to live and I love imparting my knowledge to those who listen! I get to do this and meet people from all over the world. My favourite place in Ireland has to be the diverse gardens of Blarney Castle where I can watch the wildlife and soak in the mythical Irish beauty.
Emma, Dublin

My favourite thing about travelling is making new friends from all over the world. As a Shamrockers guide I get to do this every day. After a week spent walking along our highest cliffs, learning our most fascinating history and partying in our wildest bars your Shamrockers tour group will become a second family. My favourite part of the tour has to be the mighty Cliffs of Moher. When you're up here, over 200 metres above the ocean below, you really do feel as though you're on the edge of the earth.

Jack, County Cork

I've travelled all over the world but there's nowhere I've been that can compare to the rugged beauty of the west coast of Ireland. My happy place is Inis Mór, a stunning island off the coast of Galway where you will hear our beautiful native language being spoken. You can cycle for miles without any traffic (except maybe a horse and cart), visit ancient ruins, swim in crystal clear turquoise water, watch seals playing on the rocks and sample some fresh local seafood!

The Operator will use its best efforts to ensure that departure and return times are met.

3. CANCELLATION & CHANGES

3.1 Cancellation of your booking must be in writing to either the Operator (for direct or website bookings) or the authorised Agent through which your booking was made. If your booking was made through an authorised Agent, all amendments and cancellations must be made directly through the Agent and not with the Operator (the Agent may also levy cancellation charges in addition to those noted below - please check with the Agent at time of booking). When written notification has been received by the Operator, a fee will be levied to cover the costs incurred. The amount of the cancellation fee will be dependent on the number of days prior to the departure date of the tour (not including the day of departure or the day of notification).

3.2 Flexi-Deposit: If you need to cancel for whatever reason, where written confirmation is received from you or your authorised Agent with minimum 45 days notice prior to your confirmed or nominated departure date, your deposit value will remain secure with the Operator or the authorised agent (as originally booked) until you are ready to use it against a trip of the same or greater total value than that originally purchased. It is your responsibility to notify the Operator in writing of your new nominated departure date. If the Operator has not received notification prior to the minimum notice period given the Operator will assume that you have cancelled your tour, you no longer wish to travel and your deposit will be forfeited. All changes are subject to availability. Flexi-Deposit option is not available on Haggis Up Helly Aa Viking Fire Festival.

3.3 Cancellation of individual passengers from a multiple booking where a group discount applies (e.g. 'Mates' Rates' discount) will mean that the discount applied at the time of booking will be forfeited, due to the qualifying criteria no longer being met. If the cancellation results in the qualifying criteria no longer being met, then the total price payable for the remaining passengers on the booking will be adjusted, and any forfeited discount will be reclaimed through deduction in calculating any refund due to the cancelling passengers.
