SIGNAGE

BALISAGE BILATÉRAL DE LA COULEUR DES PISTES

MARKERS ON EITHER SIDE OF THE SLOPE SHOW THE SLOPE'S COLOUR

Les pistes du domaine skiable sont délimitées par des jalons latéraux de la couleur de la piste avec sommet orange pour ceux du bord droit. En dehors de cette délimitation, on est hors-piste.

The ski area's slopes are lined with markers, which show the difficulty (colour) of the slope. The markers on the right of the slope have an orange tip. If you venture outside these markers, you are off-piste.

48 GÉNÉRI

Des balises circulaires sont implantées à vue tout le long des pistes: elles portent le nom de la piste, une couleur et un numéro décroissant depuis le haut de la piste (à préciser en cas d'accident).

Round signs are placed at regular intervals along the edge of the slopes. These show the name and colour (difficulty) of the slope, as well as a number, which tells you where you are on the slope (highest number at the top of the slope). Give this number to the ski patrol in the event of an accident.

En prévoyance des jours de brouillard, on reconnaît le bord droit de la piste par une signalisation orange sur le haut des jalons.

In the event of foggy weather, slope-users can recognise the right-hand boundary line of the slope by the orange-tipped marker poles.

Les piquets jaunes et noirs, les filets et les banderoles indiquent un danger. Ne pas les respecter, c'est s'exposer.

Yellow and black striped posts, ropes and nets indicate danger. Failure to respect these signs puts you in danger.

RISQUE D'AVALANCHE

AVAILANCE RISK

Les secteurs hors-piste du domaine skiable ne sont ni sécurisés, ni balisés, ni patrouillés. Le ski hors-piste se pratique aux risques et périls des usagers. Le port d'appareil DVA, d'une pelle et d'une sonde est fortement conseillé.

The off-piste areas are not secured or marked or patrolled. Anyone who ventures off-piste does so at their own risk. We strongly...

SKIEZ EN TOUTE TRANQUILLITÉ, SKIEZ ASSURÉ.

SAFE SKIING FOR EVERYONE.

6 STATIONNEMENT

7 MONTÉE ET DESCENTE À PIED

CLIMBING AND DESCENDING ON FOOT

Le skieur et snowboarder qui monte ne doit utiliser que le bord de la piste. Il en est de même du skieur et snowboarder qui descend à pied.

A skier or snowboarder either climbing or descending on foot must keep to the side of the piste.

8 RESPECT DU BALISAGE ET DE LA SIGNALISATION

RESPECT FOR SIGNS AND MARKINGS
