

**Size**  
178mm x 292mm x 100mm  
(16oz/500g)

**Color**  
CMYK or Pantone

**Sustainability**  
This pouch is recyclable – no need to remove zipper.,  
Recyclable Material: BOPE25 / PE95,  
FDA-approved ink

## Print perfect checklist

- ☐ Add your design to the template available on the next page.
- ☐ We recommend using **1.5mm (6pt) font size** or larger.
- ☐ Lines and stroke thickness should be no less than **0.2mm (0.5pt)**.  
**1pt** is recommended if reversed.
- ☐ For best results, your design should be saved in **vector** format,  
but if an image will be used, it should be no less than **300 DPI**.
- ☐ The artwork file must be set up to **CMYK color mode**.  
Our pre-press designers will convert the file to CMYK if it was set in RGB.
- ☐ We recommend to use barcodes with black bars and a white background  
to ensure scan-ability. If a different color combination was used,  
we advise to test the barcode with several types of scanners first.
- ☐ In order to ensure your coffee bag or pouch prints correctly, we require  
that **all fonts be converted to outlines**.
- ☐ For optimal scanning, ensure **QR codes have high contrast** and measure  
**20x20mm or above**. Do not scale the QR code below a **minimum of 16x16mm**.

1

**Download dieline**  
Ensure you have downloaded the correct sized dieline.  
Dielines can be found on the **noissue website**.

2

**Complete your design**  
Use the Print Perfect Checklist as a guide to get the best  
print results. Export as **CMYK PDF**. No crop marks needed.

3

**Upload artwork and order, or share with  
your Account Manager**  
Complete your order, upload your artwork and checkout.  
To guarantee print satisfaction, we'll review your file and  
send you a final proof to approve before going to print.

# Stand Up Pouch

Size:

W: 178 mm  
H: 292 mm  
D: 100 mm

Finish:

- Glossy
- Matte

Base Material:

- Compostable

Product is opaque and does not allow light to pass through it. As a result, visibility of contents inside cannot be seen.

- Recyclable

Product is naturally semi-transparent and will transmit light, but imperfectly. Depending on a dark or light color choice, material may exhibit varying degrees of translucency, perfect detail of contents will be obscured.

- Add Inner Foiling (Recyclable Only)

Adding foil removes any translucency and the product will be opaque. However, this will affect its recyclable credentials.

Product Shape:

- Block Bottom Bag
- Stand Up Pouch
- Side Gusset Pouch
- Flat Pouch

Closure Type

- None
- Press-to-Close Zipper
- Pocket Zipper
