

**Size**  
152mm x 229mm x 89mm  
(6" x 9" x 3.5")

**Color**  
CMYK or Pantone

**Sustainability**  
This pouch is recyclable – no need to remove zipper.,  
Recyclable Material: BOPE25 / PE95,  
FDA-approved ink

## Print perfect checklist

- ☐ Add your design to the template available on the next page.
- ☐ We recommend using **1.5mm (6pt) font size** or larger.
- ☐ Lines and stroke thickness should be no less than **0.2mm (0.5pt)**.  
**1pt** is recommended if reversed.
- ☐ For best results, your design should be saved in **vector** format,  
but if an image will be used, it should be no less than **300 DPI**.
- ☐ The artwork file must be set up to **CMYK color mode**.  
Our pre-press designers will convert the file to CMYK if it was set in RGB.
- ☐ We recommend to use barcodes with black bars and a white background  
to ensure scan-ability. If a different color combination was used,  
we advise to test the barcode with several types of scanners first.
- ☐ In order to ensure your coffee bag or pouch prints correctly, we require  
that **all fonts be converted to outlines**.
- ☐ For optimal scanning, ensure **QR codes have high contrast** and measure  
**20x20mm or above**. Do not scale the QR code below a **minimum of 16x16mm**.

1

**Download dieline**  
Ensure you have downloaded the correct sized dieline.  
Dielines can be found on the **noissue website**.

2

**Complete your design**  
Use the Print Perfect Checklist as a guide to get the best  
print results. Export as **CMYK PDF**. No crop marks needed.

3

**Upload artwork and order, or share with  
your Account Manager**  
Complete your order, upload your artwork and checkout.  
To guarantee print satisfaction, we'll review your file and  
send you a final proof to approve before going to print.

## Connect your packaging

NEW

Tapkit by noissue  
**Add a Dynamic QR code to your packaging**  
Connect to anything and everyone with dynamic QR & microsites  
[Create QR Code \(free\) →](#)

The diagram illustrates the components of the Noissue packaging alliance logo. It consists of three main parts arranged vertically. At the top is a rectangular box with a double border, labeled 'TIN TIE'. Below this is a circle, labeled 'VALVE (Optional and can be removed)'. At the bottom is a QR code, labeled 'NOISSUE QR (Optional)'.
