Step by step...

1

Download the template.

You can find the template on the noissue website. Choose the size and shape you wish to order.

2

Start designing!

You may now start designing your paper tube! Use the **Print Perfect Checklist** as a guide to get the best print results.

3

Once done, send your artwork over to your noissue Account Manager

Send us your design in a PDF file. Fill in the necessary fields: color, size, quantity and eco-badge.

4

We'll be right back to you!

We want to make sure you're happy so before we print anything, we'll send you a visual of your custom design to sign off.

Print Perfect Checklist

Add your design to the template available on the next page.

We recommend using **0.8mm font size** or larger.

Lines and stroke thickness should be no less than **0.2mm**.

For best results, your design should be in **vector** format, but if an image will be used, it should be no less than **300 DPI**.

In order to ensure your custom paper tube prints correctly, we require that **all fonts be converted to outlines**.

Please export as a **CMYK PDF**. No crop marks needed.
