# Recycled Die Cut Handle Bag

**SIZE**  
380mm x 480mm

**PRINT COLOR**  
5 Pantone colors

## Step by step...

- 1 Download the template.**  
You can find the template on the noissue website. Choose the size you wish to order.
- 2 Choose the color.**  
We use up to 5 colors for the recycled die cut handle bag.
- 3 Start designing!**  
You may now start designing your noissue mailer! Use the **Print Perfect Checklist** as a guide to get the best print results.
- 4 Send your artwork over to your noissue Account Manager.**  
Upload your design in PDF file. Fill in the necessary fields: color, size, quantity and eco-badge.
- 5 We'll be right back to you!**  
We want to make sure you're happy so before we print anything, we'll send you a visual of your custom design to sign off.

## Print Perfect Checklist

- Add your design to the template available on the next page. We can't print **edge-to-edge design** for both front and back side of the mailer. Except for the background color, any design elements placed outside the safe area will get cropped.
- If you have a full-page design for the back of your mailer, please consider the parts that will be covered by the flap.
- We recommend using **9pt font size** (1.5mm) or larger for the text height. For reference, they should have a similar size to this text.
- Lines and stroke thickness should be no less than **0.2mm**. This is how a 0.2mm thick line looks like: - - - - -
- We can print up to **5 Pantone Formula Guide and Pastel Colors**. If your design was set in CMYK or RGB colors, we can help you convert them to the closest Pantone colors.
- Colors should be solid **100% opacity**, no gradient or tints.
- In order to ensure your custom mailer prints correctly, we require that design should be converted to **vector** and all fonts converted to **outlines**.
- Please export as a **'CMYK' PDF**. No crop and bleed marks needed.
