From Mrs. Sadafszaz & Mrs. Faille:

How has it already been one year?! Time truly does fly when you're having fun! We are so proud of every single student who steps on that stage tonight. You have worked so hard to get to this point and now, it's show time!

8th graders: You are such a talented and wonderful group of students! We see future music educators in several of you. You have been the leaders of your choir, and for that, we are truly thankful. We hope your final year here with us and the CMS Choir has been one you will never forget. It was for us! Don't forget to keep singing and come visit!

To the wonderful parents, **THANK YOU** for your patience, love, time, commitment, and much, much more. Especially during this chaotic school year! Thank you for supporting your child's passion of music. None of this would be possible without you.

We are extremely proud to be your directors, and are looking forward to the new adventures next year has to offer! **KEEP SINGING!**

Love always,

Mrs. Sadafszaz & Mrs. Faille
