

MONIER

Nova Series

Part of **BMI**

The colours shown here are reproduced as close to the original as printing technology allows. For best accuracy on colour selection, refer to actual tile. Monier recommends the use of underlay in all flat tiles.

The BMI Nova Series roof tile retains its modern minimalist design and distinct features, now featuring a modest and durable surface suitable for our tropical climate.

**MINIMALIST
ELEGANCE**

- Subtle, slightly rough textures that enhance without overpowering.

**LASTING
BEAUTY**

- Designed to withstand tropical climates, ensuring enduring appeal.

**SUPERIOR
CRAFTSMANSHIP**

- A testament to innovation, quality, and our commitment to excellence.
