## Day 1

### Bergen

The voyage starts in Bergen, the colorful capital of western Norway, where you can explore the UNESCO-listed Bryggen warehouses, ride the Fløibanen funicular for scenic views, indulge in fresh seafood at the fish market, or wander the lively harbor's charming streets and quays. Bergen is the gateway to the Norwegian fjords and the start of your coastal adventure.

## Day 2

**Florø → Måløy → Torvik → Ålesund → Geiranger\* / Hjørundfjorden\* → Ålesund → Molde**

On the morning of the second day, you can greet the Havila Voyages headquarters near Torvik before arriving in Ålesund, known for its art nouveau architecture. During the summer months, you have the option to visit the stunning Geiranger Fjord, designated as a UNESCO World Heritage Site, and witness its dramatic waterfalls and steep mountain landscapes. During the autumn months you have the option to visit the untouched and majestic Hjørundfjorden.

## Day 3

**Kristiansund → Trondheim → Rørvik**

It is morning when we dock in the historic city of Trondheim, which was founded over a thousand years ago. The Nidaros Cathedral is the city's major landmark. Furthermore, it is Norway's national shrine and one of the largest cathedrals in northern Europe. After our visit here, the voyage continues towards northern Norway.

## Day 4

**Brønnøysund → Sandnessjøen → Nesna → Ørnes → Bodø → Stamsund → Svolvær**

As we journey further north, we'll celebrate crossing the Arctic Circle with a ceremony before exploring the Arctic regions. Witness the midnight sun during the summer months or see the Northern Lights illuminate the winter sky. Encounter the awe-inspiring power of the world's strongest tidal current, and spot the majestic sea eagles. In the evenings, you can explore the Lofoten fishing villages, admire the steep mountains, and learn about Viking history and heritage.

## Day 5

**Stokmarknes → Sortland → Risøyhamn → Harstad → Finnsnes → Tromsø → Skjervøy**

As we continue through the narrow fjords and wild mountains, we'll arrive in Tromsø, a city with a rich history associated with hunting, fishing, and polar expeditions. Tromsø is also a gateway to the land of the Sami, Norway's indigenous people. Meeting the Sami and learning about their culture, including their unique connection with reindeer, is a truly unforgettable experience.

## Day 6

**Hammerfest → Havøysund → Honningsvåg → Kjøllefjord → Mehamn → Berlevåg**

This is as far north as you can get — by land and sea. For many, the visit to the North Cape is a highlight and a goal for voyages along the Norwegian coast. Up here, in the polar landscape, nature is at its harshest and most desolate, but between bare plains and rugged cliffs, people cling on and reap nature's bounty — and you can have a taste of the catch. How about some king crab?

## Day 7

**Båtsfjord → Vardø → Vadsø → Kirkenes**

Congratulations, you have now reached the easternmost point of your voyage! The border with Russia is only a few kilometers away, and you may notice that road signs in Kirkenes are written in both Norwegian and Russian. Consider joining one of our excursions to visit the border, or venture to the Snowhotel where everything is crafted from ice and snow for a unique and memorable experience.

Kirkenes → Bergen

## Day 8

**Mehamn → Kjøllefjord → Honningsvåg → Havøysund → Hammerfest → Øksfjord → Skjervøy → Tromsø**

As we sail west and south, the polar landscape transforms, giving way to towering peaks. In the evening, we'll arrive in Tromsø, known as "The Paris of the North", where you can attend a midnight concert in the Tromsø Cathedral or take a stroll in the stunning midnight sun or under the mesmerizing Northern Lights. Explore the city's lively nightlife scene.

## Day 9

**Finnsnes → Harstad → Risøyhamn → Sortland → Stokmarknes → Svolvær → Stamsund**

Next, we'll return to the stunning and picturesque Vesterålen and Lofoten Islands. We will enter the Vesterålen region in the morning, and in the evening we visit Lofoten. Along the coastline, you'll discover chalky, white, and sandy beaches alongside charming fishing villages, which still thrive on a vibrant fishing industry. The locals rely on coastal ships for everyday transportation. If the weather permits it, we'll venture into the narrow Trollfjord.

## Day 10

**Bodo → Ørnes → Sandnessjøen → Brønnøysund → Rørvik**

At this juncture of our journey, we have ventured so far south that we have left the polar land behind and crossed the Arctic Circle. However, during winter, you may still witness the Northern Lights illuminating the night sky, while summer brings the magical midnight sun. As we sail, we'll pass by numerous small islands, islets, and skerries, including the unique Torghatten mountain, which features a hole in its center. If you're up for it, consider joining us for a hike on the mountain and explore the cavern.

## Day 11

**Trondheim → Kristiansund → Molde**

We'll sail through the vast Trondheim fjord, flanked by rolling farmland on either side, before reaching the coast and the open sea once more. If you wish to disembark, Kristiansund offers the opportunity for a scenic bus tour along the Atlantic Ocean Road, considered one of the world's most beautiful drives. The road winds along islets and skerries, and after the tour, you can rejoin us in Molde.

## Day 12

**Ålesund → Torvik → Måløy → Florø → Bergen**

On the final day of your journey, we'll take you through a varied coastal landscape that features rugged rocky mountains and an intricate network of straits and waterways between countless islands. The magnificent fjords and glaciers are located further inland. Our voyage concludes in Bergen, but you have the opportunity to join us for one last adventure – a captivating excursion through the city's history, flavors, and breathtaking views. We hope these new memories will be cherished, and we eagerly await the chance to welcome you back on board in the future.

If you prefer to have a paper copy of your trip details and ticket, you may print them out for convenience during check-in and boarding.

### What documents do I need to bring to the ship?

Everyone must bring a valid ID and passport for identification on our longer voyages. Passports are not required for port-to-port travels. ### Havila stops in 34 ports, can I visit all of them?

We stop at 34 ports on northbound journeys and 33 on southbound journeys. You can basically go ashore in all ports, but in some places, we stop in the middle of the night and in other ports there are only short stops.
