

BID GUIDE
**2029-2030 UCI PARA-CYCLING
ROAD WORLD CHAMPIONSHIPS**

1 FOREWORD FROM UCI PRESIDENT DAVID LAPPARTIENT

Para-cyclists worldwide dream of wearing the rainbow jersey of UCI World Champion, a distinction that goes to only the very best of our sport.

Each year, para-cycling's road specialists have the chance to win that precious jersey at the UCI Para-cycling Road World Championships.

The UCI Para-cycling Road World Championships are para-cycling's leading annual road event and are much awaited by athletes and fans alike. To perform to their best, the athletes need to be sure that they can compete in the best possible conditions, which is why the role of the event's host is so important.

The UCI greatly appreciates the interest and commitment shown by potential organisers. In bidding to host the UCI Para-cycling Road World Championships, you have already demonstrated your wish to invest in the future of this sport and I thank you sincerely for that.

To help simplify the bidding process, we have prepared this concise, practical guide that was prepared after consultation with our various partners. Our aim is to help potential hosts compile a water-tight candidature file that contains all the required elements, for example concerning the competition site, infrastructure, transport, emergency services, accessibility etc.

This bidding guide also answers frequently asked questions such as: What commitments do candidate organisers make? What services does the UCI offer? What are our obligations? What about scheduling and deadlines?

I wish you the best of luck in your bidding procedure and hope that we will be able to come to your city or region with an edition of our UCI Para-cycling Road World Championships.

David Lappartient
UCI President

2 A BIT OF HISTORY

Para-cycling has been officially administered by the UCI since an agreement to transfer governance of the discipline from the International Paralympic Committee was signed on 7 February 2007. This discipline is divided into road and track races for a total of seven events.

The UCI defines functional categories for men and women of all ages. Riders are allocated to the appropriate category depending on their functional capacity.

The competitions comprise 4 divisions (tandems, tricycles, handcyclists, and cyclists), and a total of 13 functional categories (5 C, 5 H, 2T and 1B) for men and women in all the age categories defined by the UCI. Riders are placed in the appropriate category in the light of their functional capacity.

The main events are the UCI World's Championships, the Paralympic Games and the UCI World Cup (since 2010).

2028: Sunshine Coast, Queensland (AUS)

THE ADVANTAGES OF HOSTING A UCI EVENT

Hosting a UCI event will help a city to achieve **economic, touristic and social** objectives.

According to UCI experience, the most efficient strategy is to host several events over 3-4 years **to create a link** between cycling and the city.

**BOOST
THE REPUTATION
OF YOUR REGION**

**SHOWCASE
YOUR INITIATIVES
FOR DEVELOPING
THE BICYCLE**

**INCREASE

BIDDING DOCUMENTS : CONTENTS & REQUIREMENTS

1. SITE

- General presentation of the host region
- Geographical location/situation
- Accessibility
- Connections to road network
- Proximity to airport
- Visa procedure and costs
- Accommodation capacity (hotels etc)
- Start and finish area
- Parking facilities
- Facilities for participants (showers, changing rooms, secured bike park...)
- Facilities for officials (meeting rooms, antidoping, media area, LOC permanece...)
- brief television proposal

2. COURSE MAP / ROAD BOOK

3. COURSE DETAILS

- Profile
- Safety plan
- Mechanical assistance

4. SCHEDULE

- Road Races
- Individual Time Trial
- Team Relay

5. OFFICIAL HOTEL

6. SAFETY

- Medical plan including ambulances access, hospitals, medical posts of the courses and start/finish area, etc.

7. DETAILED BUDGET

(use the UCI template in Appendix J)

8. SUPPORT & APPROVALS

- Letter of support from the host National Federation
- Letter of approval (course and organisation) from the local authorities
- Presentation of the Organising Committee, including any previous experience

UCI MANAGEMENT COMMITTEE DECISION : CRITERIA

EVENT DELIVERY

- Logistics: accessibility of the area
- Legacy / cycling development plans
- Overall event sites
- Circuit features: attractive images - technical

SPORT ATTRACTIVENESS

- Sporting difficulty
- Spectators & atmosphere expected
- UCI geographical strategy
- Cycling development

FINANCE

- Financial Guarantee
- Provisional budget including the UCI fees
- Economic opportunities

RESOURCES

- Political risk: stability - elections
- Relations with UCI: multi-year events plan
- Organiser experience
- Stakeholders' commitment

10 APPENDICES

A.	BUSINESS MODEL	12
B.	EXPENSES COVERED BY THE UCI	13
C.	MARKETING AND SPONSORSHIP RIGHTS	14
D.	TV PRODUCTION AND ELECTRONIC MEDIA RIGHTS	17
E.	EVENT MERCHANDISING	18
F.	EVENT MERCHANDISING	19
G.	VIP HOSPITALITY	20
H.	SPORTS REQUIREMENTS	21
I.	GOVERNMENT SUPPORT	23
J.	CLASSIFICATION	24
K.	UCI OFFICIAL HOTEL AND MEETINGS	25
L.	ANTI-DOPING REQUIREMENTS	26
M.	ORGANISER BUDGET	27
N.	EVENT LEGACY	28
O.	SUSTAINABILITY	29

APPENDIX A : **BUSINESS MODEL**

The UCI proposes business models that can be adapted to the local economic environment. Transparency and flexibility are key elements in the relations between the UCI and the organisers.

UCI FEE PER EDITION: CHF 40,000.-*
+ CHE 50.- PER PARTICIPANT

* The indicated amount is subject to potential adjustments due to external factors such as inflation and economic fluctuations.

BANK GUARANTEE

The UCI may request a bank guarantee equivalent to 20% of the contract amount will be requested 60 days after the awarding of the event and will remain in place until 180 days after the last day of the Championships.

CONTRACT SIGNATURE

The contract must be signed by the city or the region where the event will be organised. The Organising Committee or the National Federation may also co-sign the contract.

APPENDIX B : EXPENSES COVERED BY THE UCI

THE UCI COVERS THE FOLLOWING EXPENSES

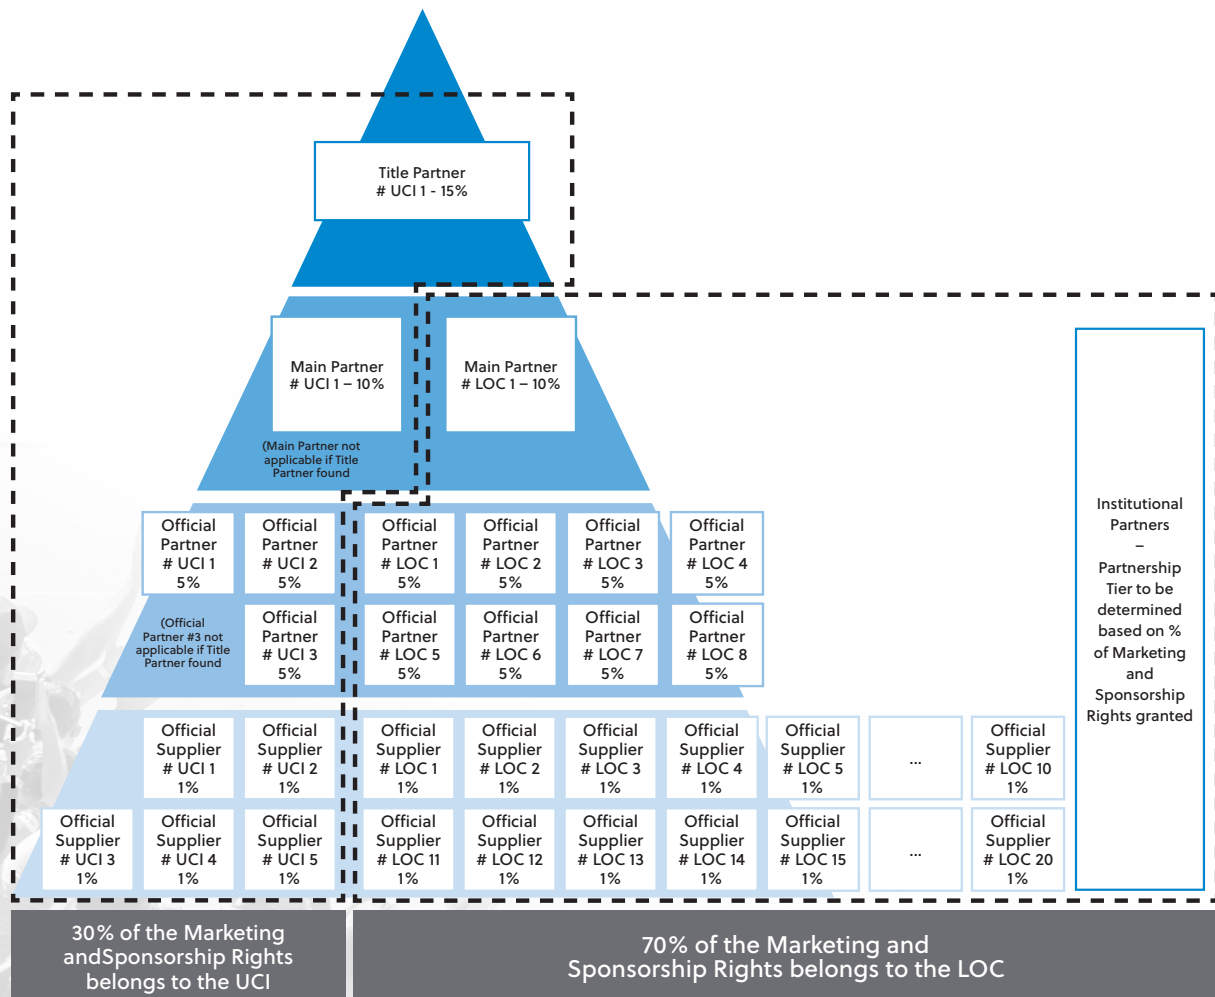

- Presence and travel of the UCI, ITA staff and Officials: Doping Control Officer, International Commissaires, Technical delegate, Timing expert, UCI Doctor and UCI staff*
- Site visits
- Medals and UCI World Champion jerseys
- Anti-doping laboratory analysis expenses and blood tests• UCI partners' dedicated branding
- Photographers & TV broadcasters bibs
- Cost of the sample analyses done in an accredited World Anti Doping Agency (WADA) laboratory
- UCI partners' dedicated branding
- UCI flags and UCI banners.

*Please note that the costs associated with potential visa procedures are to be borne financially by the Organiser.

APPENDIX C : MARKETING AND SPONSORSHIP RIGHTS

PERCENTAGE OF VISIBILITY AND MARKETING STRUCTURE

70% of visibility for the Organiser as per the structure below.

The structure is composed of 4 different tiers which the UCI's and Organiser's commercial and institutional partners will feed into.

These tiers will be reflected accordingly in all the event's communication and visual material. The digits indicate the potential number of partners (of both the UCI and the Organiser) at each level. The percentages represent the approximate share of marketing and sponsorship rights each level will be entitled to.

RESERVED PRODUCTS/SERVICES CATEGORIES

The UCI reserves the following products/services categories for its partners. Please kindly note that the below categories are subject to contract renewals and may be subject to changes. A detailed overview may be provided by the UCI upon the Organiser's request.

- Timepieces and all kind of watches (digital and analogue), smartwatches or activity trackers, clocks, countdown clocks, jewellery pieces with a time piece; timing systems, timing, scoring, scoreboard equipment, system and services; time measuring products, TV graphics system and services, results systems and Commentators Information System and services
- All kind of specific / technical cycling clothes, namely cycling jerseys, bib shorts, gloves, socks, caps, skinsuits, thermo vests and raincoats
- Bicycle-shoes, bicycle components, pedals, rims, wheels, handlebars and stems (except forks, saddles, feeding bottles and tyres), connected cycling components (solely limited to the list of products herein and power meters); e-components (motor, drivetrain, switch unit, computer display and battery)
- IT (anything related to data processing including computing technologies, hardware, software, network providers, etc.)

In addition, the Organiser agrees not to enter into any partnership with any tobacco manufacturer, companies producing pornographic products, spirits, or sport betting companies (some categories are prohibited and others tolerated under certain conditions by virtue of articles 1.1.008 to 1.1.090 of the UCI Regulations).

ORGANISER'S PARTNERS

Outside of the reserved products/services categories, the Organiser is free to negotiate with partners in other products/services categories, provided that the exclusive rights of the UCI partners are scrupulously respected. The Organiser's partners are subject to the UCI's approval before the Organiser and the partner enter into an agreement.

MARKETING AND SPONSORSHIP INVENTORY

The UCI World Championships offer its partners clear visibility through the event marketing and sponsorship inventory. Please see below a non-exhaustive list of the key items.

- Boards and banners
- Solid arches on course
- Inflatable items off course
- Backdrops and structures
- Finish line paintings
- Official communications (programme, result list, etc.)
- Public announcements by speaker
- 30-second clip played on giant screen
- Digital visibility
- Expo area
- VIP hospitality

IMPLEMENTATION OF VISIBILITY

The Organiser is responsible for the implementation of its own and the UCI partners' signage in, on and around the sport circuit. The appointed implementation team(s) will be piloted by the Marketing representatives of the Organiser and of the UCI.

APPENDIX D : TV PRODUCTION AND ELECTRONIC MEDIA RIGHTS

TV PRODUCTION

Television production is compulsory. Full production or livestream planning must be confirmed by UCI.

ELECTRONIC MEDIA RIGHTS

The UCI is the sole and exclusive owner of all Electronic Media Rights in the widest sense of the term, including any media rights within the territory of the Championships (Host Country Rights). Host Country Rights' acquisition by the Organiser can be discussed together with the television production.

APPENDIX E : EVENT MERCHANDISING

The event merchandising includes all merchandising products carrying the event logo.

The event merchandising can be a source of revenues for the Organiser but it generates also an important workload and can be a source of financial risks for the Organiser.

To make the Organiser's life easier, the UCI has launched a merchandising program: an official partner has been appointed by the UCI and it offers a range of products ready to be ordered.

The UCI official partner will have the exclusivity on the production of the merchandising items: all event merchandising orders have to be addressed to the UCI official partner.

The Organiser owns 100% of the distribution of the event merchandising onsite and will retain 100% of the onsite sales revenues (with the exception of the below reserved categories).

The UCI and the Organiser will discuss the possible distribution channels and opportunities.

PRODUCTS EXCLUSIVITY – CYCLING CLOTHES AND WATCHES

The UCI official partners for the categories "cycling clothes" and "watches" have been granted the respective exclusivity in relation to the production of cycling clothes and watches merchandising.

Consequently, the Organiser is obliged to produce any cycling clothes or watches for its event merchandising via the relevant UCI supplier.

APPENDIX F : **COMMUNICATION & PROMOTION**

The Organiser will have to ensure the promotion of the event, via a Communication and Promotion plan to be defined in collaboration with the UCI. The UCI will also promote the event on its owned platforms and channel. Visuals and contents coming from the Organiser for both above / below-the-line communication will be validated by the UCI.

APPENDIX G : VIP HOSPITALITY

The VIP hospitality is a significant opportunity to generate revenues for the Organiser. The UCI family should have access to the highest level of hospitality.

50 hospitality tickets / day shall be delivered to the UCI.

All VIP revenues, UCI hospitality tickets excluded, are for the Organiser.

APPENDIX H : SPORTS REQUIREMENTS

Circuits should be jointly designed as a result of collaboration between the Organiser, the UCI Technical Delegate and/or UCI Sport Coordinator. At least two potential circuits must have been previously identified by the Organiser and pre-approved by the concerned authorities. These circuits must respect the UCI regulation 16.7.003. The same circuit can be used for both the road race and time trial event.

IDEAL CONFIGURATION OF THE CIRCUITS

- 1 single starting / finishing zone for the time trial, road race and team relay
- 1 circuit for road race
- 1 circuit for time trial (distance between 9-12 kilometres)
- 1 circuit for team relay (one out and back loop of various distances with the same start and finish for all distances.)
- Road in excellent condition (road: minimum width 6m / time trial: allowing vehicles to overtake everywhere)
- Courses must be closed for the entire duration of the races (1 hour before, 30 minutes afterwards) and for training sessions on the evening of the start of the competitions.
- For road races, straight for at least 400m leading up to the finishing line
- Warm-up circuit with a length of at least 400m close to the start of the time trial
- Adequate number of barriers of sufficient height (about 1,30 m – 1,50 m, near the start/finish area, road closure near dangerous areas, etc.)
- No operational level crossing
- Protected access for authorised vehicles to the start/finishing zone which must also be accessible throughout the events
- If the start and finish of the time trial are not located at the same place, a protected liaison route must be provided to facilitate the return of the official vehicles (diversion)
- Diversion road for following vehicles near the finish line (time trial only)
- Staging area for following vehicles in the time trial.

For distances of the road events see UCI regulation 16.7.002 (road race) and 16.7.009 (time trial).

ROOMS NEEDS

- 1 Organiser permanence
- 1 Doping control station
- 1 medical station + ambulances
- 2 equipped classification rooms + waiting area
- 1 equipped room or clinic for Visual Impairment Classification
- 1 room for the confirmation of starters and team managers' meeting
- 1 commissaires' office
- 1 media room
- 1 UCI office
- 1 classification office
- Start finish area (protocol, TT infrastructure, arch, giant screen, expo area, etc.)
- Athletes' village
- Changing rooms (male/ female)
- Sufficient toilets and adapted toilets by the finish line, the protocol area, athletes' village, offices

APPENDIX I : GOVERNMENT SUPPORT

The staging of the World Championships requires guarantees with regard to its funding as well as logistics, infrastructures and the availability of sporting facilities, safety and security, medical care, etc... The Organiser must secure all necessary aspects for which support from public authorities is necessary. In this sense, the Organiser shall obtain binding decisions from the relevant public authorities which detail all commitments made by them and provide assurance to the Organiser that it shall be able to deliver the Championships to the required standards and on budget.

In terms of funding the public authorities' decision shall list precisely the cash and value-in-kind services which are provided for the Championships and such decisions shall be submitted to the UCI along with the bid.

In addition, and within the context of the support from public authorities, the Organiser shall seek to obtain a commitment from the relevant administration to establish a "visa-free" environment for all UCI and national delegations (cf. list below), regardless of their nationality, race, religion and creed. In case of visas being required for any of the above-mentioned categories, the Organiser shall seek to obtain a commitment from the relevant administration guaranteeing a process for the issuance of visas which is free of charge. If such commitment is not obtained, the Organiser shall bear all costs and expenses associated with the visas procedure for the following stakeholders:

- All national delegations (riders, staff and delegates at UCI official meetings),
- UCI Officials (elected officials, commissaires, etc.)
- UCI staff,
- UCI commercial and broadcast partners.

In terms of the assistance that shall be provided, the Organiser shall ensure that a facilitated and expedited procedure is put in place and shall inform the respective consulates about the delegations and individuals participating in the Championships in order to assist them in obtaining visas".

The Organiser shall warrant that the treatment of visa applications shall respect the principle of non-discrimination enshrined in the Olympic Charter and acknowledges that the award of the Championships may be withdrawn in case of any discriminatory treatment of visa applications.

APPENDIX J : CLASSIFICATION

PARA-CYCLING ATHLETES ARE DIVIDED INTO FOUR DIFFERENT DIVISIONS

- C – Cyclist: conventional bike with some minor adaptations
- T – Tricycle: three-wheeled bike
- B – Blind: tandem
- H – Handbike

Each division (except tandems who are all racing together) is sub-divided into different sport classes (1 to 5 for C and H, 1 to 2 for T), depending on the severity of the impairment, which is assessed during a medical examination by classifiers prior to competition.

APPENDIX K : UCI OFFICIAL HOTEL AND MEETINGS

The Organiser must supply the official hotel and single rooms for the UCI Para-cycling Road World Championships.

The hotel must be a quality tourist hotel/restaurant (four stars).

The minimum reservation for the UCI is about 40 rooms, max 250 nights to be borne by the Organiser in full board accommodation (representative of the UCI Management Committee, UCI staff & officials including commissaires, Classifiers, ITA staff & officials, subcontractors, UCI guests, etc.). including one suite for the UCI President when available.

Parking for UCI & ITA officials and guests should be provided free of charge when possible.

Local transportation (airport- venue – official hotel) shall be provided to meet all groups' needs during the whole period of the Championships (frequent shuttles and dedicated vehicles) NB: some vehicles can also be used for the races.

OFFICIAL DINNER

The Organiser can arrange one official dinner. The date of the dinner and the list of guests are established in close collaboration with the UCI.

APPENDIX L: ANTI-DOPING REQUIREMENTS

The UCI Para-cycling Road World Championships are subject to doping controls according to the UCI Anti-Doping Rules. The International Testing Agency (ITA), the independent entity in charge of the operational activities of the UCI Anti-Doping programme, will appoint two or more Doping Control Officers (DCOs). Please refer to the ITA's instructions for further details.

ITA will be responsible for the cost of the DCOs daily allowances and travel arrangement to the event. All costs related to accommodation, catering and individual transportation during the event for the DCOs, are borne by the Organiser.

The UCI is responsible for the cost of the sample analyses carried out in an accredited World Anti-Doping Agency (WADA) laboratory. The relevant Laboratory will be confirmed by the ITA in due time. However, the cost of the transport of the samples to the laboratory is borne by the organiser. Organiser shall assist the ITA and the DCOs with the transport of the samples.

SAMPLE COLLECTION PERSONNEL

The Organiser is also responsible for all practical aspects of the controls and shall provide the DCOs with the following:

- Male doctor or male nurse & female doctor or female nurse: assigned solely for the doping controls (please note it cannot be the race doctor).
- Chaperons: one chaperon per rider to be tested (shall be of the same gender as the rider).
- Assistant: is required to assist the DCOs before and during the event and act as the liaison with the Organiser.

DOPING CONTROL EQUIPMENT

Anti-doping kits and ITA forms are provided by the ITA.

DOPING CONTROL STATION (DCS)

The DCS shall be equipped in such a way to facilitate the running of the controls, be located in the immediate vicinity of the finish line and shall be clearly signposted from the finish line. Privacy of the riders shall be respected. The Organiser shall designate an official to monitor the entrance to the DCS, and only allow people involved in doping controls to enter. The DCS should be lockable.

The DCS shall be heated or climatized, large enough, solely used for anti-doping purposes and shall include a waiting room, two administration areas including lavatories in each for the passing of the sample.

APPENDIX M : ORGANISER BUDGET

The budget template can be downloaded in Excel table format from [*this link*](#).

The budget template provides an indicative overview of usual revenues and expenses based on past events. If necessary, it can be amended.

APPENDIX N : EVENT LEGACY

DEVELOPING CYCLING IN YOUR CITY

Hosting a UCI event provides the perfect platform for promoting the development of cycling in your city.

- Do you want to promote your region/city as a bike-friendly environment?
- Do you wish to develop tourism in your area and encourage your citizens to use bikes as a means of transport?

Hosting a UCI event will provide a concrete translation of your ideas and plans. The UCI can support you as you build a strategy to develop cycling: we can provide you with ideas and benchmarks from successful initiatives around the world to help you to reach your goals.

We share the same target: to develop cycling!

Cycling is more than a sport, it is the answer to many concerns of our society: public health, environment, traffic...

UCI BIKE CITY LABEL

In order to promote cities and regions that invest in cycling, the UCI has created a "UCI Bike City Label". This label will distinguish cities active in two areas:

- Hosting a UCI event
- Developing cycling within its population.

Hosting a UCI event will provide a concrete translation of your ideas and plans. The UCI can support you as you build a strategy to develop cycling: we can provide you with ideas and benchmarks from successful initiatives around the world to help you to reach your goals.

The city/region will be entitled to use the label over a five-year period.

The label will be awarded each year during the UCI Road World Championships. A communication plan dedicated to the winners will be established through the UCI's various communication channels.

APPENDIX O : SUSTAINABILITY

The UCI has the vision to make cycling one of the world's most sustainable sports and promote the bicycle as a key transport mode in combating climate change, improving population health and building a more sustainable future for all.

We invite all organisations operating within the sport of cycling to sign the [*UCI Climate Action Charter*](#) and make a public commitment in solidarity with the UCI to reduce the sport's environmental impacts, advance the United Nations Sustainable Development Goals, and advocate for more everyday cycling.

The UCI requests that all UCI World Championships and UCI World Cup event organisers, as a minimum, take the following actions:

- 1. ENGAGE RELEVANT STAKEHOLDERS:** The strategic value of sustainability comes from involving stakeholders in identifying, understanding, and responding to sustainability issues and concerns. It also allows for the pooling of resources (knowledge, people, money, and technology) to solve problems and reach objectives that your organisation cannot achieve on its own.
- 2. MEASURE & REPORT:** Provide a credible account of the event's environmental impacts through collecting Scope 1, 2 and 3 emissions data to produce a carbon footprint, publish results of actions, and share lessons learnt with the UCI, other event organisers and the wider public.
- 3. AVOID & REDUCE EMISSIONS:** Prioritise opportunities to avoid carbon emissions. Introduce hierarchies that prioritise resource efficiency in energy use, waste, transport, materials and working practices to reduce the event's carbon footprint.
- 4. PROMOTE ACTIVE TRAVEL:** Activate all communication channels to engage local communities, spectators, media, and the wider public on the bicycle's important role in climate action and sustainable development. Encourage spectators, event workforce and other stakeholders to travel to the event by bike, active mobility and public transport.
- 5. ALLOCATE APPROPRIATE RESOURCE:** Ensure people have the right knowledge and time to plan for sustainability interventions. Where specific technical skills or responsibility for sustainability is required, ensure this is accounted for in staffing requirements.
- 6. IMPLEMENT A SUSTAINABLE SOURCING CODE:** This should set out the minimum standards expected within your supply chain – for example the types of materials, energy and transport standards you expect. By ensuring climate impact is considered as part of a sourcing code you can embed better standards from the start.
- 7. BIODIVERSITY:** Take action to address the pressures affecting biodiversity, climate change, pollution, waste management, invasive species and the overexploitation of natural resources. Raise awareness about biodiversity, its values to people, links to the sport, and the importance of conservation through communication and the media.

Detailed guidance on developing effective sustainability programmes and best practices for event organisers can be found in the [*UCI Sustainability Guidelines*](#). For further information, guidance and links to online resources to support these actions, please visit the UCI's [*Sustainability Hub*](#) as well as the [*UCI Sustainability Impact Tracker*](#).

ABOUT THE UNION CYCLISTE INTERNATIONALE

The Union Cycliste Internationale (UCI) is the world governing body for cycling recognised by the International Olympic Committee (IOC). The UCI's mission is to develop and promote cycling - in close collaboration with National Federations - as a competitive sport, as a healthy recreational activity and as a means of transport.

The UCI governs eight disciplines of the sport of cycling: road, track, mountain bike, BMX Racing, BMX Freestyle, cyclo-cross, trials, indoor cycling. Five of them are represented at the Olympic Games (road, track, mountain bike, BMX Racing and BMX Freestyle), two at the Paralympic Games (road and track) and four at the Youth Olympic Games (road, mountain bike, BMX Racing and BMX Freestyle).

Additionally, the UCI promotes a number of its own events, including the UCI Road World Championships, an iconic annual event, and a wide range of other UCI World Championships and World Cups across the various disciplines. The different sizes and scopes of our events ensure that UCI cycling events can be hosted by all cities.
