Rider eligibility

As a reminder, every UCI licence rider who want to register to a UCI BMX Freestyle Park World Cup category have to fill one of the following conditions:

- have on your name a minimum of 50 points in the UCI BMX Freestyle Park Individual Ranking
- Ranked in the Top 50 UCI BMX Freestyle Park World Cup Ranking of the previous year
- If no other rider from a national federation register with a minimum of 50 points on the UCI BMX Freestyle Park Individual ranking, this national federation can send a rider under confirmation of a letter issued by the federation

Registration Timetable

Attention!

At the UCI BMX Freestyle World Cup in Montpellier the total number of athletes in Park will be 72 per gender. In case more than 72 riders sign up, a selection will be made as follows:

UCI Ranking deadline: 26 March 2024

UCI Opening registration: 26 March 2024

The higher ranked riders starting with Rank 1 will be accepted to participate at the UCI BMX Freestyle Park World Cup in Montpellier. We will go down the list until we have reached 72 riders including those riders of nations that do not have any riders with 50 points, those federations can send 1 rider who will be included in the 72 rider field.

This measure is taken to prevent a pre-qualification phase and to give the participants more practice time. Also judging a bigger field becomes difficult and in case of bad weather re-scheduling, it is simpler to work with a smaller group.

Everyone with 50 UCI ranking points at the registration deadline of 26 March 2024 can enter. In case more than 72 athletes sign up, the ones not making the cut will be notified shortly after registration closes at 10 April 2024.

National Federation

Please note that each National Federation taking part in the event must register all persons included in the team staff delegation to have access to the athletes area. Each member of Team staff delegation is mandatory to have a valid UCI Licence at the moment of competition.

To avoid misunderstandings, Hurricane has decided to grant a maximum number of accreditations according to the following list :

- Team Manager – BMX Freestyle Park : 1
- Team Assistant 1
- Coach – BMX Freestyle Park : 1
- Mechanic : 1
- Doctor : 1

Total: 5

The maximum number of accreditations can be reduced depending of the number of athletes registered per country.

Process : Send an email to sports@hurricane-agency.com, with all members of your delegation as well as their UCI cycling license.

Deadline : 10th April 2024

Contact : sports@hurricane-agency.com

In case a national federation does not presently have any riders with 50 or more points as of the ranking deadline for any particular event, that federation nevertheless has the right to enter a single rider for the category in question. In this case, it is up to the national federation to choose which rider is entered, if any.

Exceptions:

- Riders ranked in the top 50 of the final UCI BMX Freestyle Park World Cup ranking of the season prior (2023) may enter if they do not presently have 50 or more points as of the ranking deadline for any particular event in the season following.
- In case a national federation does not presently have any riders with 50 or more points as of the ranking deadline for any particular event, that federation nevertheless has the right to enter a single rider for the category in question.
