Let's Celebrate!

Thank you for your interest
in throwing a party at CAMP,
the family experience store.
We're so excited to celebrate
your kiddo's special day!

CAMP is a magical space for a
super fun celebration!

Spaces

Open our magic door into a world of play and creativity! All our celebration packages include private access to our Campitheater, which serves as home base for the duration of your party. Our Campitheaters come equipped with enough tables and chairs to accommodate around 20-25 kids.

Food

You are welcome to bring your own simple refreshments and party food. All food must be self-serve only; our staff cannot assist in serving or cleaning up. We highly recommend easily served items such as cupcakes, juice boxes, pizza, and pre-packaged snacks (please note: no catered dishes or flames are allowed).

You will be in charge of all food delivery and coordination, with the exception of the ice cream provided by our Cafe as part of your birthday package.

Party Decor

You are welcome to bring simple decorations (such as table cloths and small table decor) that can be set up 10-15 minutes before your allotted party time.

Balloons are only permitted at select locations, and signage cannot be posted on the walls.

Entertainment

Our CAMP Counselors bring all the fun and excitement, so there's no need to book additional entertainment!

However, if you would like to book a specialty performer, we are happy to provide a list of vendors we work with.

Cost

Our standard 90-minute party package starts at \$800 - \$1,000 (varies by location) for up to 15 kids, and up to 50 total guests. All children in attendance who are crafting (including siblings) will count toward the final headcount and cost, except for infants who are not yet walking.

Timing

The duration of our basic party is 90 minutes, which includes time for a treat. If you would like to bring in your own food, we recommend adding an additional 30 minutes of private Campitheater access for \$250.
