85 years of Needlework Kits by LanArte

Belgian Quality

The 17th century Turkish traveller, Evliya Celebi, described embroidery as 'the craft of two hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century the long tradition of embroidery has been enriched with a new name: Lanarte.

In 1934 Guus and Emilie Vergnes' small store, in Leeuwarden in The Netherlands, quickly became synonymous with exclusive needlework kits. For decades Lanarte has held a leading position in the craft sector. In the 1970s and 80s, Guus and Emilie's sons developed their exclusive needlework kits to be among the best in Europe. The sale of the company to the Belgian group, Verachtert, in 2011 brought a new dynamic, creative thrust and further expansion. Today, Lanarte launches 2 new collections per year, each inspired by the latest trends. Nearly a century of excellence and quality is only possible if you are constantly seeking out new challenges; this is what makes Lanarte world class.

Today, Lanarte's exclusivity is not only reflected in the use of the highest quality materials, but also in its unique designs. Lanarte is proud of its collaboration with renowned artists, including the illustrator Marjolein Bastin, together with its own Design Team, which guarantees the success of Lanarte's prestigious collections of highly detailed, timeless and stylish designs combined with striking images.

Working on a Lanarte kit is more than embroidery. It is enveloping yourself in a centuries long tradition of art and craft .

Lanarte is the art of stitching.

‘two hands’. Since those early years, the Lanarte craft has been enriched with a new name: embroidery. Guus and Emilie Vergnes’ small atelier became synonymous with exclusivity and took a leading position in the craft. The Lanarte sons developed their exclusivity into a company. The sale of the company to the Beaufort Group, a dynamic, creative thrust and furthered the production per year, each inspired by nature. Excellence and quality is only possible when you have the best; this is what makes Lanarte what it is. Lanarte’s exclusivity is not only in its products, but also in its unique design. Lanarte has renowned artists, including the Lanarte Design Team, which guarantees the success of its designs. Lanarte produces a wide range of highly detailed, timeless and stylish embroidery kits. Lanarte is more than embroidery. It is a long tradition of art and craft. Lanarte is the art of stitching.

Secret Stitch Along: het is leuk, maar hoe werkt het?

Een telpakket borduren zonder te weten wat het resultaat zal zijn!
Onze ervaring met eerdere Secret Stitch Along projecten laat ons dat de meeste borduursters het leuk vinden.

De achter de Secret Stitch Along is dat klanten een kit kopen zonder te weten welk ontwerp ze gaan maken. Deelnemers aan de Secret Stitch Along zijn de mensen die een prachtig LanArte of Vervaco telpakket kopen dat nadien pas zal uitgebracht worden in één van de latere collecties.

De afbeelding van het ontwerp en de instructies zijn niet bijgeleverd in het pakket. Alle klanten die het pakket kopen kunnen zich inschrijven voor de Secret Stitch Along op onze Facebook pagina of op onze website: www.lanarte.com en/of www.vervaco.be. De inschrijvingen worden op een vooraf vrijgegeven datum. Vanaf de startdatum zal wekelijks een stukje van het patroon worden gedeeld in de Secret Stitch Along Facebook groep en via email. Het patroon zal worden vrijgegeven gedurende een x-aantal weken, dit naargelang de grootte van het patroon. Alle deelnemers kunnen hun ervaringen, voortgang en andere gedachten delen met gelijkgestemde borduursters en onze eigenste Vera Verachttert.

Maak de pret beginnen en zorg ervoor dat je deel uitmaakt van het succes!

Met vriendelijke groeten,

Das LanArte & Vervaco Team

Secret Stitch Along: c'est amusant, mais comment cela marche?

Commencez un kit sans en connaître le résultat final!
Vu les nombreux succès rencontrés auparavant, nous savons qu'un grand nombre de personnes apprécieraient cela.

L'idée du Secret Stitch Along est que les clients achètent un kit sans savoir quel design ils vont faire. Les participants du Secret Stitch seront les premiers à terminer un magnifique kit au point compté LanArte ou Vervaco qui ne sera publié plus tard dans l'une des collections ultérieures.

L'image du résultat final et les instructions ne sont pas incluses dans le kit. Les clients qui achètent le Secret Stitch doivent s'enregistrer sur Facebook ou sur notre site web: www.lanarte.com ou www.vervaco.be. Les inscriptions commenceront à une date pré-publiée. À partir de la date de démarrage, une pièce du patron sera partagée chaque semaine dans la groupe Facebook et par e-mail. Le kit sera publié et complété dans un certain nombre de semaines (en fonction de la taille du dessin). Tous les participants peuvent partager leurs expériences, progrès et toute autre pensée avec des autres couturières et avec notre Vera Verachttert.

Que le plaisir commence et faite en sorte que vous ferez partie de ce beau succès!

Meilleures salutations,

Le team LanArte & Vervaco

Secret Stitch Along: it's fun, but how does it work?

Stitching a cross stitch design without knowing what the end result will be!
Our experience from previous Secret Stitch Along projects tells us that most stitchers love it.

The idea behind the Secret Stitch Along is that customers buy a kit without knowing which design they are going to make. Participants of the Secret Stitch Along will be the first to finish a beautiful LanArte or Vervaco counted cross stitch kit that will only be released in one of our later collections.

The picture of the design and the instructions are not included in the kit. All customers who buy the kit need to register for the Secret Stitch Along on our Facebook page or on our website: www.lanarte.com or www.vervaco.be. Registrations will begin on a pre-released date. As of the start date, a piece of the pattern will be shared weekly in the Secret Stitch Along Facebook group and via email. The pattern will be released and completed over a specific period (depending on the size of the pattern). All participants can share their experiences, progress and any other thoughts with like-minded stitchers and our very own Vera Verachttert.

Let the fun begin and make sure you are part of the success!

Kind regards,

The LanArte & Vervaco Team

Secret Stitch Along: das ist Spaß, aber wie funktioniert es?

Eine Zählmusterpackung sticken ohne zu wissen wie das Endresultat aussehen wird!
Unsere Erfahrung mit den vorherigen Secret Stitch Along Projekten hat uns gelehrt das die meisten Teilnehmer das einfach lieben.

Die Idee hinter Secret Stitch Along ist, das der Kunde eine Stickpackung kauft ohne zu wissen welches Design er sticken wird. Die Teilnehmer des Projekts Secret Stitch Along werden die ersten sein die diese schöne LanArte oder Vervaco Zählmusterpackung fertigstellt welche erst später zum weltweiten Verkauf angeboten wird.

Das Foto des Designs und die Anleitung sind nicht in der Packung erhalten. Alle teilnehmenden Kunden müssen sich für die Teilnahme am Secret Stitch Along auf unserer Facebook Seite oder auf unseren Webseiten (www.lanarte.com oder www.vervaco.be) anmelden. Die Anmeldungen beginnen an einem vorab veröffentlichten Datum. Ab dem Startdatum wird wöchentlich ein Teil des Designs in der Facebook Gruppe „Secret Stitch Along“ und per E-Mail geteilt. Das komplette Design wird über einen bestimmten Zeitraum veröffentlicht und komplettiert. Alle Teilnehmer können ihre Erfahrungen, Fortschritte, andere Ideen und Gedanken mit den gleichgesinnten Stickfreunden und unserer eigenen Vera Verachttert teilen.

Lassen Sie den Spaß beginnen und erobern Sie sich einen Teil des Erfolges!

Mit freundlichen Grüßen,

Das LanArte & Vervaco Team
