Customize

Switches

Instructions

1. Click on a switch to select it, then click on the section of the tile you wish to change. (the highlighted area shows you what sections will be changed)
2. Click tiles in the grid preview to rotate the tiles for different layouts.
3. With a switch selected you can click on a "Used Switch" to change all shapes using that color to the new color

Custom.

Custom Cement Collection

In-Stock line is only a fraction of the styles that Casa Vita Bella offers. Our Custom Collection is a selected group of patterns we present ready for immediate production with a set lead time. With these expanded series we want you to express yourself, create your own artwork and get the perfect flair for your space.

Custom Design Tool

Select an existing pattern and manifest your inner designer by altering or creating a new model. Your place can be as unique as you are with a completely one of a kind decor and color combination.

1. Go to www.casavitabella.com.
2. Click the Cement Tab.
3. Click the tile you would like to customize.
4. Click the customize button below the tile image.
5. Change the colors by clicking the area of the tile you would like filled with that color.
7. Take a screenshot of the final tile design and attach it to your purchase order.

*Custom cement tile orders take 12-14 weeks to produce.

Special Order Porcelain Collection

Casa Vita Bella offers a large selection of custom 8x8" porcelain tiles for architectural projects. The minimum order quantity is 645 SF.

1. Go to www.casavitabella.com.
2. Click the Porcelain tab.
3. View the Special Order Collection.
