Highlights

1

Everything under one roof

This wonderful building has plenty of areas where you can relax and unwind, such as the DO.Lounge for example. Also awaiting you is the perfect combination of high-end features, excellent infrastructure, service and a feel-good atmosphere.

Flexible

Flexible co-working spaces, inspiring conference rooms and modern offices. Over two floors, you will find flexible office and co-working solutions and modern conference rooms for seminars, meetings, creative workshops or coaching sessions.

3

A blend of old and new in the Gerling Quarter

Our Cologne Gereon office is located in the Gerling Quarter, the largest listed building complex in Europe. The impressive complex stands out with its steel frame construction and true-to-the-original façades, and is reminiscent of American buildings like the Rockefeller Center. In the neighbourhood you will find a variety of gourmet restaurants and stores for all your daily needs.
