Sustainability & the Environment

Reykjavik Excursions aims to minimize negative environmental impact unavoidably caused by the company and to use resources as sensibly as possible.

This is done by monitoring and managing critical environmental factors within the company. With this vision we aim to be a **role model** for other companies.

We are incredibly proud to be the first Icelandic tour operator to be granted the **ISO 14001** certification for environmental management from the British Standard Institute (BSI). The company also has certifications from Vakinn, both for their quality system as well as for their environmental system. Vakinn is Iceland's tourism official quality and environmental system which aims to strengthen both quality and safety in tourism using guidance and support, as well as developing a sense of social responsibility.

Our Goals

Environment

- Decrease release of greenhouse gases as a percentage of driven kilometers.
- Increase proportion of recyclable waste.

Safety & Service

- Reduce number of absence due to accidents among staff.
- Initiate service and quality policy.

People

- Increase employee satisfaction.
- Certified payroll system.
- Same salary for equally valuable jobs.

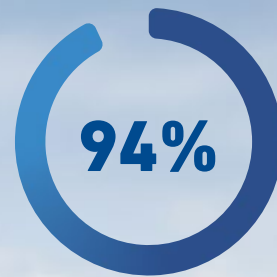

Society

- Implement purchase policy.
- Implement suppliers' evaluation.

Groups & Tailor-Made Services

For more than 50 years Reykjavik Excursions has served travelers from all over the world. Our dedicated team of travel experts work hard to ensure to offer our partners varied and interesting itineraries to cater for the needs of today's travelers. If you need a coach for just one transfer or maybe for a longer tour around Iceland please don't hesitate to contact us. Our group department loves organizing new adventures that suit your clients' needs and wishes. Offering classic ring road tours around Iceland, special interest groups and tailor-made itineraries, our friendly staff with years of experience will help through the whole process.

All year round our new and award-winning coach fleet is available for any kind of group tour, day tour or airport transfer, so your group can travel in Iceland without a worry in the world!

We own and operate one of the largest and newest coach fleets of high-quality, award-winning VDL buses which range in size from 7 to 69 seaters. In addition we have buses which are specifically adapted for highland travels. All our buses offer free WiFi and USB ports in selected vehicles.

Coach Rental

Have your own specific ideas about tours and want to do the planning yourself, but need a set of wheels? We offer the option of hiring a coach with a driver to transport your group from place to place.

Our professional drivers have earned their expertise through years of practice and will get you to and from your destination while you sit back, relax and enjoy. In case your group needs a guide we will provide one. All our guides are certified and specially trained professionals who speak several languages.

We own and operate one of the largest and newest coach fleets in Iceland consisting of approximately 100 vehicles of varying shapes and sizes (7 to 69 seats) and all are in excellent condition. They are spacious, comfortable, environmental-friendly, equipped with safety belts for all passengers, free WiFi and USB ports in selected vehicles. The fleet also includes 4x4 buses suitable for crossing unbridged glacier rivers, hence reaching almost any destination in the highlands.

Flybus & Flybus+

Reykjavik Excursions has operated the Flybus, the main bus service between Iceland's capital Reykjavik and Keflavik International Airport, since 1979. The Flybus, known for its efficient and reliable connections, is coordinated with all arriving and departing flights, around the clock, holidays included. The Flybus departs from Reykjavik's main bus terminal, BSÍ.

We additionally offer The Flybus Plus service which includes pickup and drop-off at designated bus stops, and at selected hotels in Reykjavik, for extra cost.

ONE OF THE LARGEST CAR RENTAL SUPPLIERS IN ICELAND

Enterprise Rent-A-Car

Enterprise Rent-A-Car, one of the largest car rental companies in the world, joined forces with Reykjavik Excursions in 2014. The partnership was formed because of their shared belief in customer care, value and outstanding service in the ever expanding Icelandic travel network.

Iceland has a reputation for being an exciting alternative destination for travelers looking for a different experience. Renting an Enterprise Rent-A-Car allows visitors to explore our beautiful country at their own pace.

Our three rental stations are located at Keflavik International Airport and in Reykjavik at the BSÍ Bus Terminal in the city centre and at Skarfabakki Harbor.

Why choose Enterprise Rent-A-Car?

- Only the newest car models in all categories.
- Competitive prices.
- Unlimited mileage.
- Hotel pick up within Reykjavik city limits.
- 24/7 breakdown service.
