

INTRODUCTION

The Maskcara Difference

At Maskcara Beauty, we truly believe that we can have our cake and eat it too.

But what does that really mean? It means you don't have to choose between financially supporting your family and spending time with them. It means you don't have to choose between helping yourself or helping others. With a little creativity, optimism, and hard work, you can have it all. Our Compensation Plan is no exception; it's easily customizable to fit the level of part-time or full-time involvement that suits you. We are confident that you'll find it both rewarding and easy to share with others.*

Our Goals:

*CV is converted to the local currency in global situations, and each country will have their own SV and be compensated in their home currency.

ENHANCED RETAIL COMMISSIONS

The Foundation of Your Maskcara Business

The foundation of your Maskcara business is selling products and creating new customers. When you lead and share via social media (or host an event), you share your enthusiasm for the products, take orders to be fulfilled by the Company, and develop lasting customer relationships.

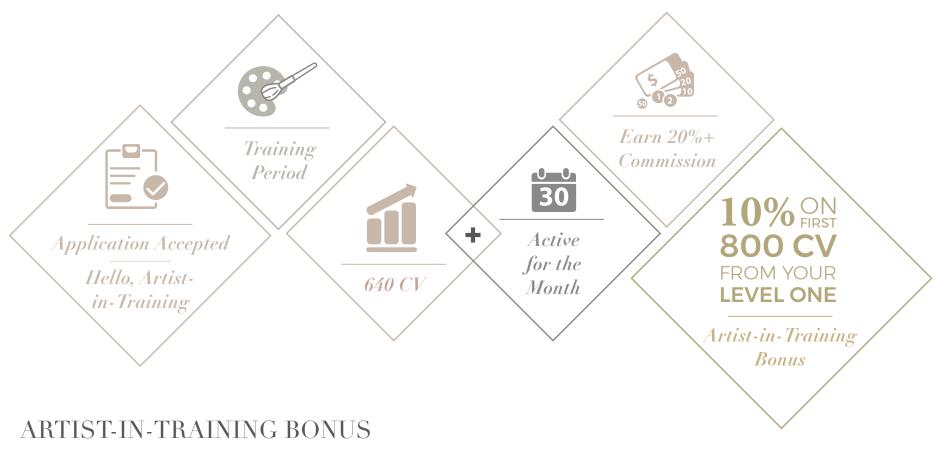

All Maskcara products have a Retail Price (SRP). Artists may purchase products at a "Wholesale" price that is 20% less than the SRP. This difference between the SRP and the Wholesale price is called a Base Commission.

Earn While You Learn

As a new Artist, you can earn while you learn. As soon as the Company has accepted your Application, you will become an Artist-in-Training and be eligible to start earning the 20% Base Retail Commission. During this training period, you will be working toward your first 640 in commission volume (CV). Once you have sold your first 640 CV, and Active for the month, you are officially out of training and can earn more than 20% commissions.

It is important that you remain active and get out of your training period by hitting Elite Hac-er or higher so you can become eligible for the Artist-in-Training bonus by signing up people underneath you. This is a bonus you earn for training those new Artists you personally enroll, as you are being compensated for taking care of them.

RANK QUALIFICATIONS

Looking Forward

With Maskcara, the more you share, the more you'll grow. And the more you grow, the more you earn. As you fall in love with the Maskcara products and begin sharing them with others, you'll attract others to your team, helping you to grow your organization and advance in rank, which can open the door to bigger bonuses, greater incentives, and the chance to make a significant impact in the lives of those around you.

^{*}ACTIVE: In order to be Active, you must reach 240, 480, or 720 CV (depending on your rank) in a calendar month. Being active enables you to receive your downline commission, or level bonus.

^{**}ACTIVE LEG: This is defined as a downline with at least one active Elite HAC-ER.

^{***}TOTAL GROUP COMMISSION VOLUME (TGCV): This is the total CV created by you and all your downline Artist teams in the sponsor genealogy calculated to infinite depth. This TGCV is used to calculate various forms of qualification for earning new rank promotions and rank maintenance in various phases of the Compensation Plan. It is sometimes subject to the 40% Rule.

ENROLLER BONUS

Get Rewarded for Sharing What You Love

Enrolling new Artists is an important step in your Maskcara journey, and you'll be rewarded as you take care of and educate those new artists underneath you. Every time you enroll a new Artist, you also begin receiving an ongoing 5% up to 7% CV Enroller Bonus on that Enrollee's entire Personal CV, for as long as you remain personally "Active." This bonus is paid monthly. Please note that this is only a bonus for level one artist you've personally enrolled.

LEVEL BONUSES

You Build, They Build: Lifting Other Artists for Maximum Success

By helping your recruited Artists learn to gather customers and build their teams, you support their success while you develop depth in your organization. Maskcara compensates you for building depth by paying you through up to five levels of Artist sales volume in your organization.

The term "Level" is used to describe your relationship to the other Artists. When you sponsor someone, that person is your Level 1. When that person sponsors someone, the new Artist becomes your Level 2, and so on.

PERSONAL LEADER BONUS

Lead the Way to a Brighter Future

When you become an Influencer, you'll qualify for the Personal Leader Bonus. This bonus is just that—a bonus—and does not affect what you're already paid through the compensation plan. As an Influencer, you've proven yourself as a leader and will begin making 2% CV on your entire Personal Leader Group.

GENERATION BONUSES

Achieving Lifelong Prosperity

When you help an Artist in your downline achieve the rank of Influencer, their Personal Group comes out of your Personal Group and becomes your 1st Generation. Your new Influencer will begin receiving the 2% CV Personal Leader Bonus, and you will now begin receiving a 3% CV Generation Bonus on that Influencer to unlimited depth. When an Influencer under your 1st Generation reaches the rank of Influencer, they'll become your 2nd Generation, and so on. This bonus continues through your 3rd Generation.

COMPRESSION

If an Artist under you decides that Maskcara isn't the right fit for them, or that artist doesn't make any sales that month, you will lose that enroller bonus with that artist. However, you don't lose your level 1 bonus CV because of something we call Compression. If your level 1 artist makes no sales within the month, your level 2 artist will then move up and become your level 1 artist and your level 3 will become your level 2. If your original level 1 artist comes back the next month you get your enroller bonus back and she takes her place again at level 1.

40% RULE

No more than 40% of the TGCV goal can come from one Leg of your downline. This ensures that you are taking care of all of your Downline artists, not just a select few.

Let's say you are trying to qualify as a top Hac-er. As a Top Hac-er you have a TGCV goal of 800, so your strongest leg will only count up to 320 to meet the required goal, even if that particular leg has over 320 CV in sales that month. You are also considered a leg as well, and no more than 320 CV from your own sales will go towards that TGCV. Again, it's important you are taking care of your entire team and building outward instead of just focusing on yourself or one leg.

*ACTIVE:

In order to be active, you must reach 240, 480, or 720 CV (depending on your rank) in a calendar month.

**ACTIVE LEG: This is defined as a downline with at least one active Elite HAC-ER.

ARTIST: The generic name for an independent contractor who has signed an Artist Application and Agreement form with the Company, and whose Artist Application and Agreement the Company has accepted. Upon acceptance of such Agreement by the Company, an Artist is eligible to purchase the Company's products at a wholesale price and can enroll and sponsor other people into their downline retail sales organization. An Artist is eligible to earn Commissions and Bonuses in accordance with the terms and provisions of the Compensation Plan.

BONUS QUALIFIED: You are bonus qualified when you are an Artist in good standing and have met the minimum personal sales requirements to be considered "Active" for the applicable pay period.

COMMISSION: The amount of money that an Artist earns when a product is sold at retail to a customer is considered to be Commission.

CV (COMMISSION VOLUME): CV is the global commission value of an item that is used to determine active status and/or rank and upline commissions.

DOWNLINE: Those people directly sponsored by an Artist, plus all the people whose line of sponsorship resulted from and came through that Artist. Your Downline consists of all Artists on your Level 1, Level 2, Level 3, Level 4 and so on, to infinite depth in each Leg.

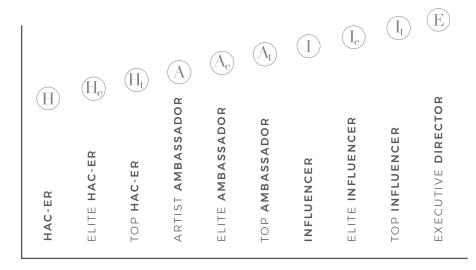

ENROLL: To sign and submit an Artist Application and Agreement form to Maskcara for the purpose of becoming an Artist for the company.

ENROLLER (also referred to as SPONSOR): A Maskcara Artist who explains the program, assists in the enrollment, and provides preliminary training to the enrollee.

LEG: Each personally sponsored Artist on your first level is part of your total Downline and is a separate "Leg." You and your entire Sales Organization (Downline) are one "Leg" to your sponsor.

LEVEL: The people you personally sponsor are your first level. The ones they sponsor are your second level. The ones your second level sponsors are your third level, etc.

RANK: As you meet certain performance criteria (as defined in this Compensation Plan) you will earn progressive title designations known as "ranks." As you move to higher ranks, you will become eligible to receive increased levels of bonus participation. You will always carry the title of the highest rank you reach, but are paid at the rank for which you qualify each month.

RETAIL COMMISSION: Regardless of your rank, you have the opportunity to sell products and receive a minimum 20% retail commission on all of the Maskcara products.

Based on your monthly sales performance, you may also earn an additional Enhanced Commission of up to 20%.

SUGGESTED RETAIL PRICE (SRP): The retail price determined by Maskcara.

SV (SALES VOLUME): SV is your customer sale and/or any orders for personal use.

TEAM: Your Team consists of you and the people that you directly enroll as Artists, and the people they enroll as Artists, and so on, and so on, and so on. There is no limit to how wide or deep your Team can grow. (See "Downline" and "Leg.")

***TOTAL GROUP COMMISSION VOLUME (TGCV): This is the total CV created by you and all your downline Artist teams in the sponsor genealogy calculated to infinite depth. This TGCV is used to calculate various forms of qualification for earning new rank promotions and rank maintenance in various phases of the Compensation Plan. It is sometimes subject to the 40% Rule.

UPLINE: The term "upline" refers to that portion of either your Enroller or Sponsor genealogy that precedes you. Your upline consists of the Artist who is your Enroller and/or Sponsor, and her Enroller, his Enroller and/or Sponsor, etc., all the way to the Company.

WHOLESALE PRICE: All Maskcara products have a Suggested Retail Price and may be purchased by Artists at a "Wholesale" price that is 20% less than the SRP.
