EXPLORE WITH NATIONAL GEOGRAPHIC- Because How You See It Matters

For more than 20 years, the unique collaboration between National Geographic and Lindblad Expeditions has defined modern expedition cruising, fostering meaningful connections between people and the planet through transformative travel experiences. Every journey blends the legendary exploration spirit of National Geographic with Lindblad Expeditions' unmatched 50+ years of expedition heritage.

TRAVEL WITH INSPIRING EXPERTS

Our accredited Egyptologist guides reveal the significance of every antiquity you encounter. These experts specialize in Egyptian art, archaeology, history and culture, and many are celebrated academics and college professors who have worked with us for years. On select departures, you'll also travel with a National Geographic Expert—such as an archaeologist or anthropologist—who adds fascinating context to your surroundings.

TAKE GREAT PHOTOS WITH THE PROS

National Geographic photographers have spent decades traveling the globe, capturing the world's most impactful images. They join

select expeditions—and a National Geographic-Lindblad Expeditions certified photo instructor accompanies every departure—helping travelers hone their camera skills amid Egypt's tombs and temples. With our special permits, you can take photos at sites with restrictions for other groups.

LINDBLAD EXPEDITIONS

GAIN ACCESS TO SELDOM-SEEN SITES

Enjoy the rare opportunity to explore the tomb of Seti I, a masterpiece of color and scale in the Valley of the Kings. In Cairo, gain up-close access to the Sphinx, and enjoy an intimate viewing of the artifacts unearthed from King Tut's tomb during an after-hours visit to the Antiquities Museum. And travel off the beaten path to the temple of Dendera, adorned with unusual paintings of Roman emperors alongside the typical Egyptian deities.

A PRIVATE SMALL-GROUP EXPERIENCE

Our Egypt expeditions never exceed 60 travelers, guaranteeing you a more personal experience. With one Egyptologist guide for every 20–25 guests, you can satisfy your every curiosity about this great civilization. Our small group size also allows us access to popular sites at off-peak hours, so we can linger after the crowds are gone.

INCLUSIONS CURATED FOR EXCEPTIONAL VALUE

From excursions and engaging talks to meals, onboard amenities, airport transfers, Wi-Fi and much more—the fleet's inclusions encompass a full expedition experience.
