

Want to help your child read better?

Science of Reading is for you

Join our free 5-day workshop. Our program is designed for all parents to support their child's reading learning journey.

Supporting Reading at Home: A Workshop for Parents

In the program, you will:

- Cover important topics related to literacy.
- Discover strategies and tips to support your child's reading at home.
- Connect with other parents in your community.
- Receive 5 free children's books to build your at home library.

When and where?

- The workshop is provided in person or virtually via Zoom.
- Available in English or Spanish.
- Each session lasts 90 minutes.

"This has been very important because I know that reading not only exercises the brain but also allows you to learn a lot. I have as a gift all the strategies I learned to help my son develop his vocabulary."

- Parent participant
