

# California's groundbreaking new virtual mental health services for youth, families, and young adults.

As part of the Children and Youth Behavioral Health Initiative's (CYBHI) \$4+ bn investment to improve equitable access to mental health support for all young Californians, two free programs — **BrightLife Kids** and **Soluna** — were created in partnership with CalHOPE.

- For families with children ages 0-12
- Video or chat-based 1:1 coaching with diverse, bilingual coaches
- On-demand digital tools and resources
- Coach Specialists to help with referrals
