Walpole Outdoors®

From Inspiration to Reality

Thoughtfully designed outdoor spaces, brought to life with the latest styles and trends.

Introducing Sylvera™ Our new sustainable, ultra-high-performance wood line. | Page 36

Crafting the Extraordinary

Walpole Outdoors designs, builds, and installs handcrafted outdoor structures with a level of precision, care, and permanence that is increasingly rare. Rooted in New England's woodworking tradition, **every piece is made to age gracefully, delivering lasting beauty and strength.**

From first sketch to final installation, our process is intentionally hands-on. We work with **premium materials and time-tested techniques** to create outdoor architecture that feels considered, balanced, and built to last.

The result is an outdoor feature that feels fully integrated with the home, **crafted with purpose, proportion, and restraint.**

INTRODUCING
SylveraTM

A sustainable, ultra-high-performance wood line.

Sylvera

Sylvera is our new line of outdoor products crafted from an advanced, ultra-high-performance sustainable wood. It combines **long-term durability and exceptional stability with the natural beauty of wood.**

DIMENSIONAL STABILITY

Sylvera's dimensional stability helps outdoor designs maintain precision over time. This material exhibits three to four times less swelling and shrinking than traditional woods.

MATERIAL WEATHERING

Like all natural wood, Sylvera responds to sun and weather over time, developing a soft, silvery-gray patina without compromising performance.

SUSTAINABILITY

Sustainability is fundamental to Sylvera. Boards are sourced from FSC-certified forests and produced through a non-toxic modification process.

A white picket fence with a double gate, set in a lush green yard with trees and bushes. The fence is made of white pickets and has a double gate with black hardware. The yard is green and well-maintained, with several trees and bushes in the background. The overall scene is bright and sunny, suggesting a pleasant outdoor environment.

Perimeter Fences

Walpole Outdoors perimeter fences are designed to frame the landscape with elegance and intention. Crafted for lasting performance, they define property lines while complementing the home's architecture and creating a cohesive, finished environment. Choose from a curated collection of styles to find the design that best suits your home, landscape, and way of living.

Picket Fence

With its strong vertical lines, there's an orderly stateliness to this popular and enduring fence style. Whether you choose the Westchester with its row of lower pickets, the bold and geometric lines of the Yorktown, the charming, wider Sudbury, or any of the many other styles, the picket fence is certain to create a graceful appearance that dignifies and enhances the beauty of any boundary. Ideal for defining space without closing it off, a picket fence offers openness, charm, and classic curb appeal.

YORKTOWN PICKET FENCE

Defined by bold geometry and refined lines, the Yorktown picket fence offers a sophisticated balance of strength and privacy.

LOUVERED FENCE

The louvered fence offers a clean, modern aesthetic while delivering effective privacy and airflow. Angled horizontal boards are precisely spaced to allow light and breezes through while limiting direct views.

Screen Fence

Offering an exceptional balance of privacy and security, the screen fence makes a solid and impressive statement. Built to stand the test of time, its boards create an elegant screen effect, delivering both function and refined appeal. Clean lines and a versatile profile allow it to complement a wide range of architectural styles, from traditional to contemporary.

Post & Wire

Featuring cleated mesh panels securely fastened to each post, the post & wire fence is defined by sleek lines and contemporary framing. Its durable, minimalist design preserves clear views of the surrounding landscape while subtly and confidently defining the space.

SAG HARBOR

The Sag Harbor fence pairs mesh panels with crisp, modern framing to create a clean, architectural profile that maintains openness while establishing an elegant boundary.

Post & Rail

The understated elegance of a Post & Rail fence makes it ideal for defining property boundaries or containing horses and livestock. Its open, welcoming profile preserves expansive views, while vertical posts paired with two or more horizontal rails create a timeless, functional design.

MORGAN

The Morgan fence reimagines the classic Post & Rail style with a clean, contemporary sensibility. Streamlined posts and precisely spaced horizontal rails create a refined, yet welcoming, presence.

Drive Gates

Drive gates establish the first impression of a property. Walpole Outdoors drive gates pair strength with sophistication, creating **entrances that feel secure, composed, and timeless.**

1 2" HORIZONTAL-VERTICAL LATTICE

With its neatly woven straight lines, this lattice fence's 2" square openings create a classically elegant look for racquet courts. To add visual interest or to showcase a view, Sag Harbor fence sections can be interspersed throughout the 2" HV Lattice fence perimeter. Crafted in solid cellular vinyl.

2 SAG HARBOR

The Sag Harbor's contemporary framing features sleek lines and maximum transparency without sacrificing durability. The fence is fabricated in panel sections with 3½" tall rails, 2½" wide side frames, and a flat fence cap. 1½" x 12-gauge welded wire or nylon soft mesh is internally wrapped. Offered in solid cellular vinyl and Western Red Cedar. Shown in Verde Green.

3 AQUIDNECK FENCE

The Aquidneck court fence is a simple and elegant style consisting of a basic frame and 1 $\frac{3}{4}$ " x 9-gauge black chain link fabric. It features 5 $\frac{1}{2}$ " tall rails top and bottom, a flat fence cap, courtside fascias, as well as coverboards to obscure chain link attachments to rails. Offered in solid cellular vinyl and Western Red Cedar.

4 5" HORIZONTAL-VERTICAL LATTICE

This meticulously crafted and classically elegant fence creates a bright and airy perimeter around your racquet court. Chain-link wire is secured to the fence to corral any wayward shots. Crafted in solid cellular vinyl. Shown in Iron Ore.

Screens & Enclosures

Designed for both beauty and purpose, Walpole Outdoors lattice panels and enclosures can discreetly screen utilities, provide elegant privacy to patios, or simply introduce a charming decorative layer to the home.

UNIVERSAL

The Universal enclosure provides a tasteful backdrop to contain backyard equipment and home utilities, complementing most home aesthetics.
