# Walpole Outdoors®

# Crafting the Extraordinary

Walpole Outdoors designs, builds, and installs handcrafted outdoor structures with a level of precision, care, and permanence that is increasingly rare. Rooted in New England's woodworking tradition, **every piece is made to age gracefully, delivering lasting beauty and strength.**

From first sketch to final installation, our process is intentionally hands-on. We work with **premium materials and time-tested techniques** to create outdoor architecture that feels considered, balanced, and built to last.

The result is an outdoor feature that integrates seamlessly with your home and landscape—designed to enhance how you use and enjoy your space every day.

THE LEGACY OF WALPOLE OUTDOORS

# Timeless Forms. Purposefully Crafted.

Great design is about more than just great looks. It's also about fine craftsmanship—the difference you can see and feel in every detail. Since 1933, our work has been defined by handcrafted quality, with skilled artisans shaping and finishing each piece to ensure lasting beauty and performance.

## FENCE CUSTOMIZATION

# Personal by Design. Exceptional by Craft.

Every detail is intentional. Every element is considered. The result is a fence that feels integrated with your property, shaped by your preferences and built with purpose.

With a wide range of profiles, post caps, and configurations, each design can be tailored to suit the architecture and landscape. Our Design Consultants guide the process from concept through completion, ensuring a result that is both refined and timeless.

Our **signature fence styles** represent the designs our customers choose most—refined, time-tested, and enduring in their appeal. By focusing on these core styles, we're able to deliver exceptional craftsmanship with greater efficiency and a more streamlined timeline. Each style remains fully customizable, allowing you to tailor almost every detail for a finished look that reflects your aesthetic. In addition to these signature offerings, our full catalog of fence styles is also available, providing even more options to suit your vision.

QUALITY YOU CAN SEE

# Materials You Can Trust

Every Walpole Outdoors fence is crafted from premium materials selected for their strength, durability, and ability to age beautifully within their surroundings.

## SOLID CELLULAR VINYL

A pioneer in bringing solid cellular vinyl to outdoor structures and fencing, Walpole Outdoors sets the standard with decades of experience shaping it into elegant, lasting designs. This advanced material offers the refined look of painted wood while resisting moisture, insects, and corrosion.

Each fence is crafted with the same care as fine woodworking, routed, shaped, and assembled with precision. Our process allows for clean lines, seamless joinery, and custom detailing without compromise. Internal reinforcements and time-tested construction methods ensure long-term strength, stability, and performance in any environment.

## CEDAR

For those drawn to the warmth of natural wood, our fences are crafted from select-grade cedar chosen for its durability and character. Over time, cedar develops a soft, silver-gray patina or can be finished in one of our signature stains. Equally suited to traditional and contemporary settings, cedar fencing brings natural texture and depth to the landscape while maintaining the integrity expected of Walpole craftsmanship.

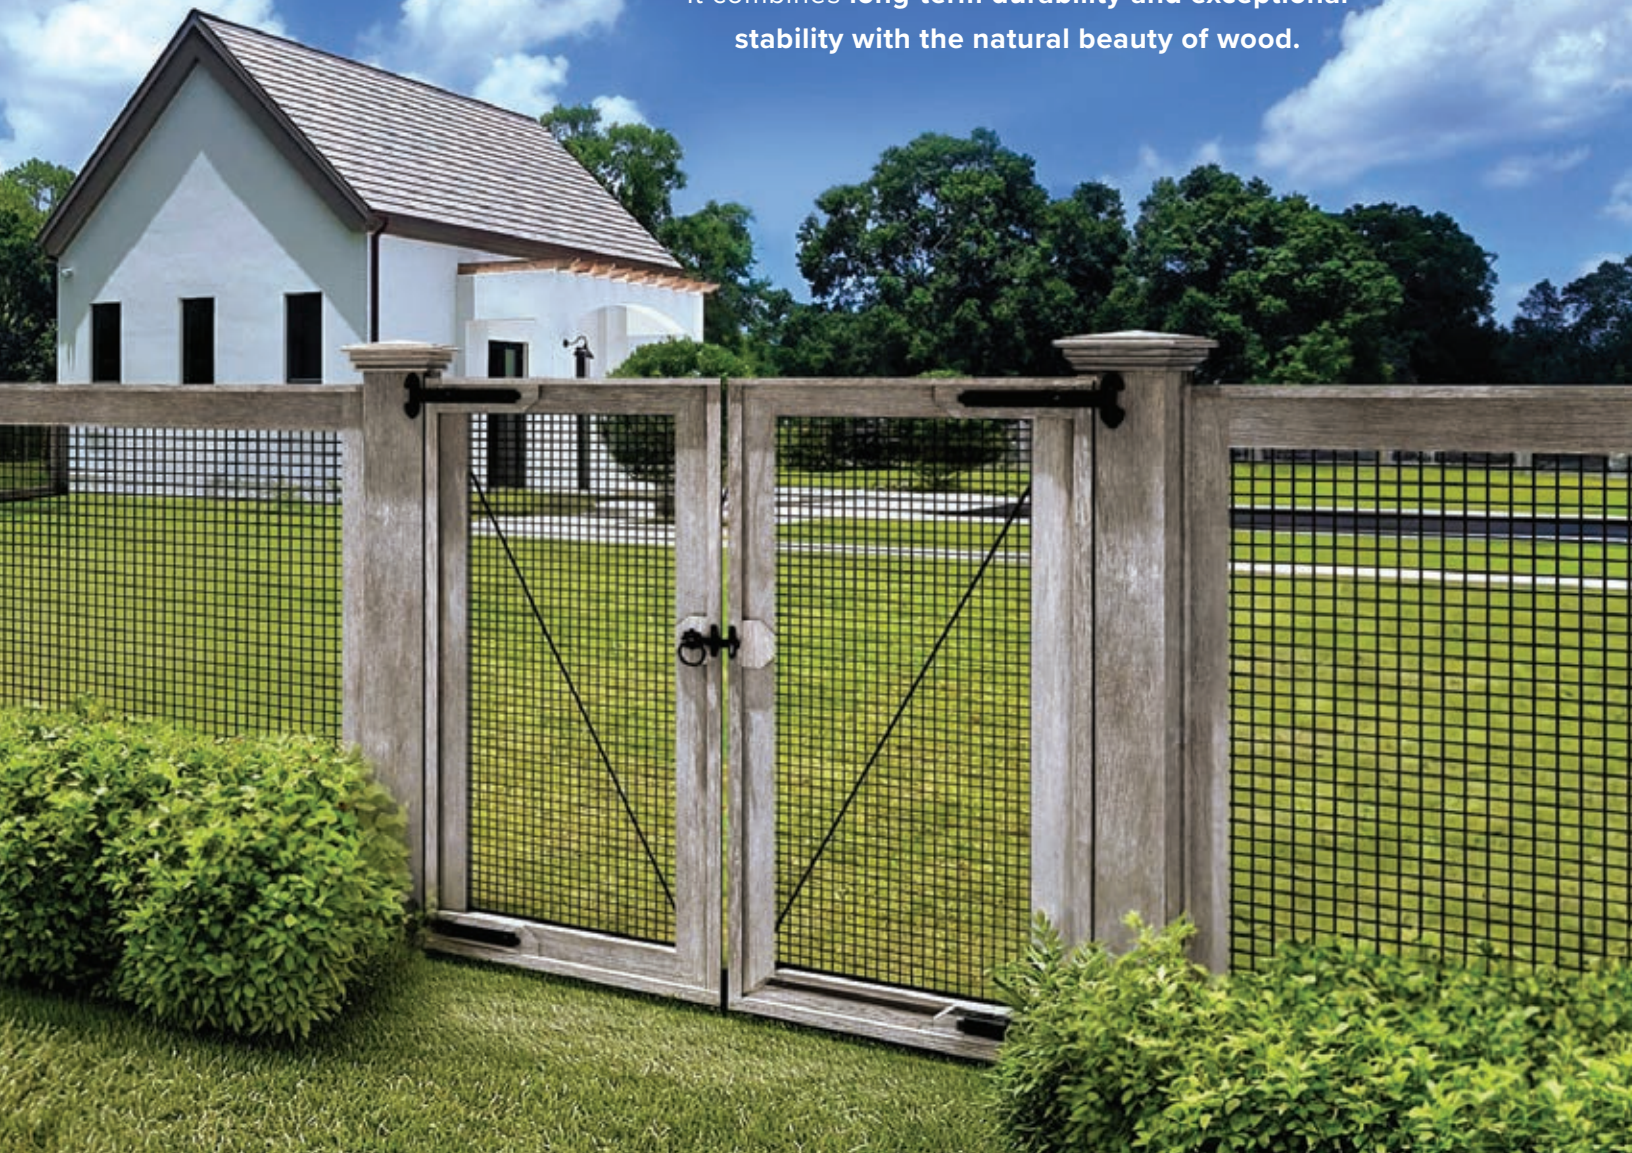

## INTRODUCING SYLVERA

Walpole Outdoors is excited to announce the launch of our new line of ultra-high-performance wood products. Sylvera begins with real, sustainably sourced wood, enhanced at the molecular level to create a new material that respects the environment while delivering generational performance—and outperforms traditional hardwoods in durability, stability, and longevity without sacrificing aesthetics.

# Sylvera™

Sylvera is our new line of outdoor products crafted from an advanced, ultra-high-performance sustainable wood. It combines **long-term durability and exceptional stability** with the natural beauty of wood.

## DIMENSIONAL STABILITY

Sylvera's dimensional stability helps outdoor designs maintain precision over time. This material exhibits three to four times less swelling and shrinking than traditional woods.

## MATERIAL WEATHERING

Like all natural wood, Sylvera responds to sun and weather over time, developing a soft, silvery-gray patina without compromising performance.

## SUSTAINABILITY

Sustainability is fundamental to Sylvera. Boards are sourced from FSC-certified forests and produced through a non-toxic modification process.

# How It Works

## 1 SITE VISIT & DESIGN CONSULTATION

Our expert design consultants work closely with you from the start, guiding everything from measurements and layout to styles, gates, cap selections, and accessories. We help you visualize your landscape and explore design possibilities tailored to your property. From initial concept through final details, we ensure every element is thoughtfully considered to create a cohesive and lasting outdoor design.

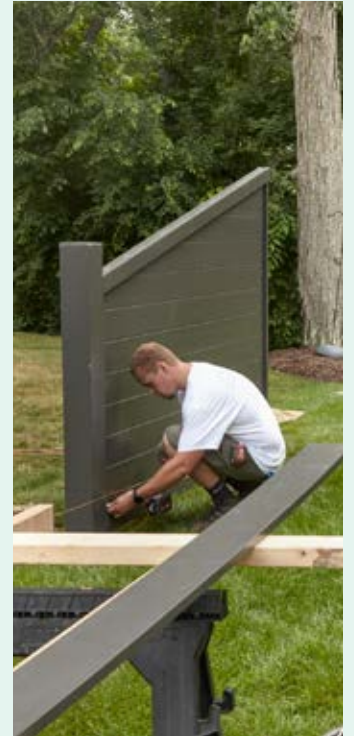

## 2 QUOTE & PROPOSAL

Once size, style, material, and customization options are finalized, your Walpole Outdoors consultant will provide a detailed proposal. This includes key considerations such as fence style, dimensions, terrain, and any site-specific requirements. We'll also review options and make thoughtful adjustments as needed to ensure the design aligns with your priorities while maintaining quality and intent.

## 3 ENGINEERING & FABRICATION

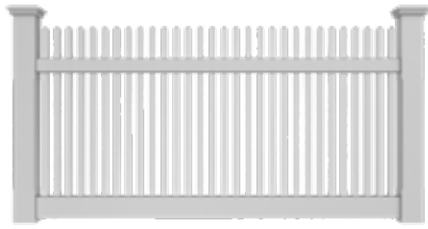

With an approved proposal, our in-house engineering team develops detailed drawings. Each project is then made to order and handcrafted in our New England workshop, where our craftsmen follow exacting standards to achieve proper scale, proportion, and structural integrity. This meticulous process ensures every piece arrives ready for a seamless installation and reliable, lasting performance.

## 4 DELIVERY & INSTALLATION

Our trained, certified installation teams complete the process with precision and care. Every post is set to the proper depth, and each section is aligned and secured to create a fence that is both durable and visually refined, built to perform for years to come. We respect your property throughout the process—working carefully around existing plantings and leaving your site neat and tidy when the job is complete.

*Installation available within our service areas.*

FORM MEETS PURPOSE

# Define with Style

A fence is more than practical, it's an extension of your home's design. From arched and scalloped tops to refined post caps and lattice toppers, each style reflects over 90 years of craftsmanship and design. Begin by considering how your fence will function—defining a perimeter, enclosing a garden, securing a pool, or surrounding a racquet court—and then select a style that brings that purpose to life with clarity and intention.

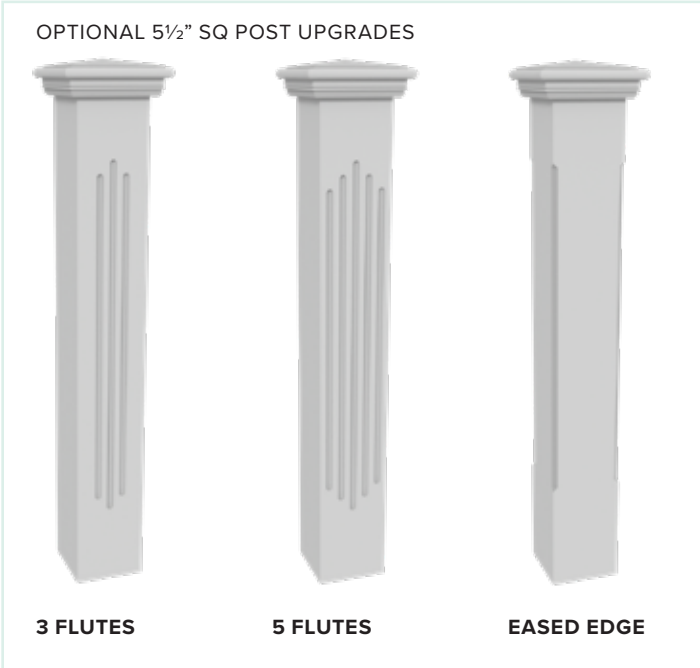

# Customization Options

**POST DECORATIONS**

Our 5½” square post is the standard across most Walpole Outdoors fence styles—offering clean, classic lines and dependable support. Customers may choose to customize their 5½” square posts with decoration: 3 flutes, 5 flutes, or eased edges.

**SMOOTH**

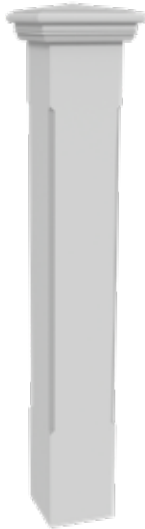

OPTIONAL 5½” SQ POST UPGRADES

**3 FLUTES**

**5 FLUTES**

**EASED EDGE**

**PILLAR POSTS**

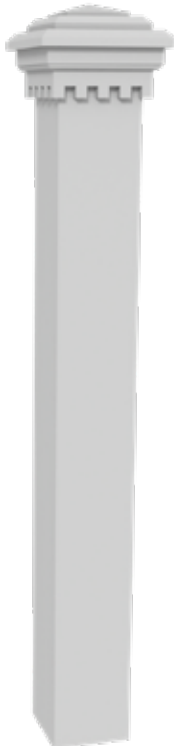

For those seeking greater architectural impact, we offer optional pillar posts ranging from 8” to 16” square (in two-inch increments). Whether anchoring a gate, flanking a driveway, or framing key sections of your fence, larger posts bring added dimension, weight, and visual sophistication.

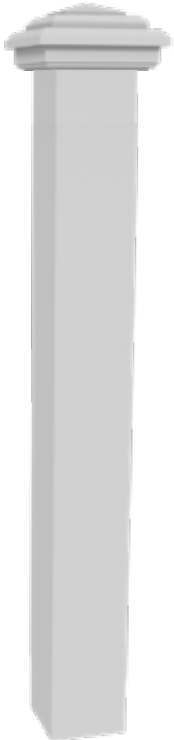

**BOSTONIAN**  
12” SQ shown

**WENHAM**  
12” SQ shown

**DARIEN**  
8” SQ shown

**DARIEN - NO DENTILS**

# Standard Paint Colors

---

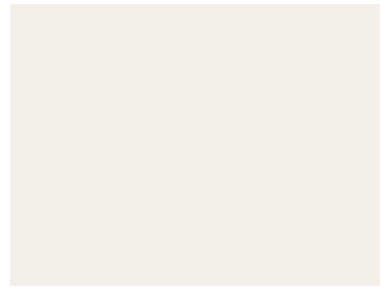

Our quality-controlled, in-line coating system ensures a uniform, durable finish on every fence and outdoor structure. In our New England workshop, coatings are applied using a high-pressure, airless spray process, followed by sanding and curing between each coat. This controlled process delivers a superior finish compared to on-site staining, while eliminating mess and disruption in the yard or garden.

# Perimeter Fence

Engineered for lasting beauty and performance, our perimeter fencing enhances outdoor spaces with refined design and reliable function. Explore a diverse selection of timeless styles, each customizable to harmonize with the surrounding landscape and outdoor aesthetic. We offer six distinct styles, from formal and square-edged to rustic farm-inspired and sleek contemporary options. Discover architecturally elegant designs on the following pages, where you'll find our complete range of perimeter fence options.

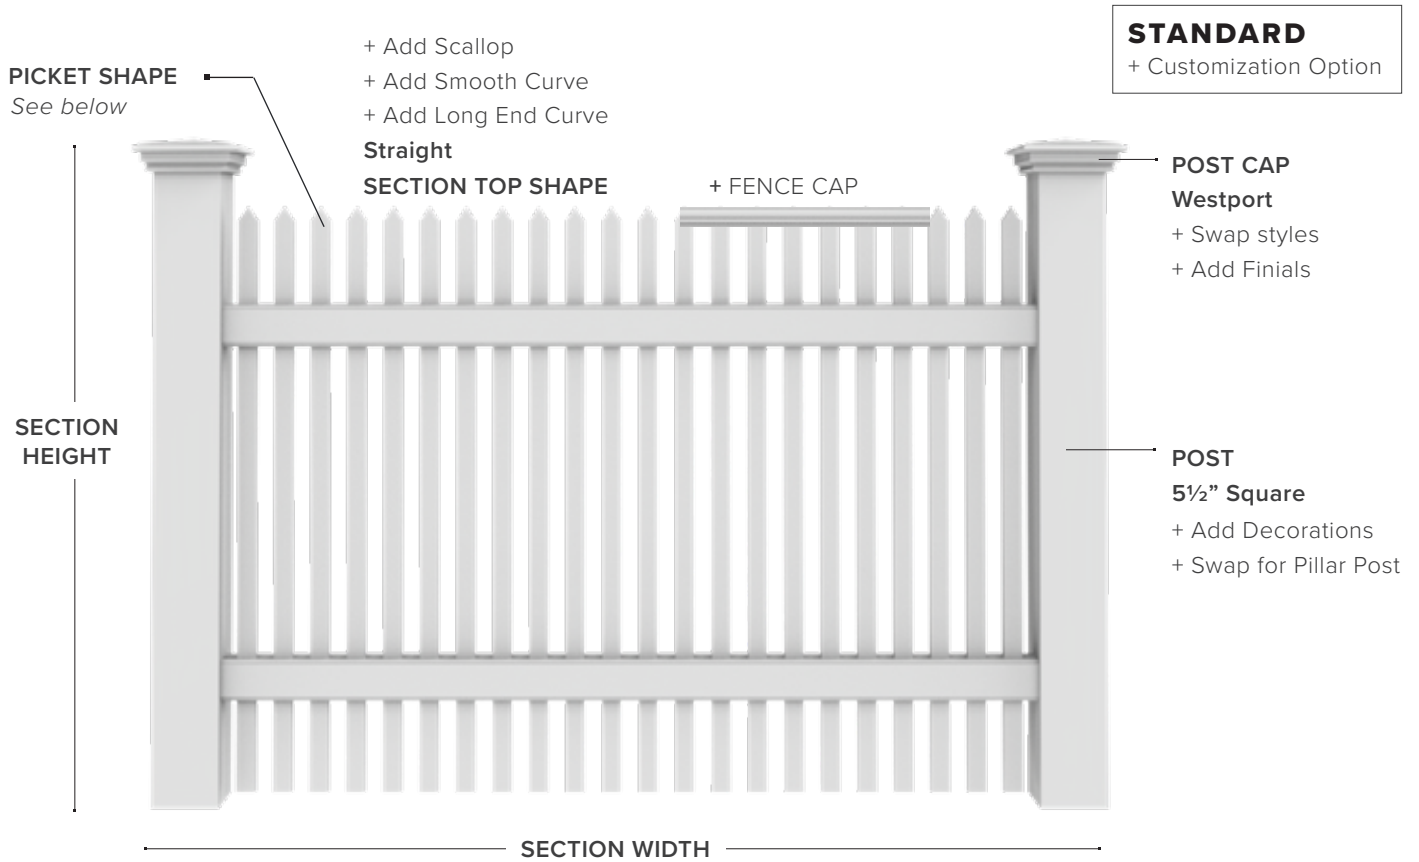

PERIMETER FENCE

# Picket

Defined by strong vertical lines, picket fencing offers a sense of order and quiet elegance. Whether classic or more contemporary in profile, each variation brings structure, rhythm, and a refined edge to the landscape, enhancing the character of any boundary.

## CHESTNUT HILL

Our most popular picket fence, the Chestnut Hill beautifully combines practicality with charm and grace. The signature design shown above features straight section tops that blend tastefully with the home's outdoor area. A matching double walk gate features a criss-cross motif for extra bracing and creates a welcoming invitation into any part of the garden.

### 1 2" HORIZONTAL-VERTICAL LATTICE

With its neatly woven straight lines, this lattice fence's 2" square openings create a classically elegant look for racquet courts. To add visual interest or to showcase a view, Sag Harbor fence sections can be interspersed throughout the 2" HV Lattice fence perimeter. Crafted in solid cellular vinyl.

### 2 SAG HARBOR

The Sag Harbor's contemporary framing features sleek lines and maximum transparency without sacrificing durability. The fence is fabricated in panel sections with 3½" tall rails, 2½" wide side frames, and a flat fence cap. 1½" x 12-gauge welded wire or nylon soft mesh is internally wrapped. Offered in solid cellular vinyl and Western Red Cedar. Shown here on Pickleball court. Also shown on Page 112 as Tennis Court in Verde Green.

### 3 AQUIDNECK

The Aquidneck court fence is a simple and elegant style consisting of a basic frame and 1 $\frac{3}{4}$ " x 9-gauge black chain link fabric. It features 5 $\frac{1}{2}$ " tall rails top and bottom, a flat fence cap, courtside fascias, as well as coverboards to obscure chain link attachments to rails. Offered in solid cellular vinyl and Western Red Cedar. Shown above with optional Basketball Recess.

### 4 5" HORIZONTAL-VERTICAL LATTICE

This meticulously crafted and classically elegant fence creates a bright and airy perimeter around your racquet court. Chain-link wire is secured to the fence to corral any wayward shots. Crafted in solid cellular vinyl. Shown in Iron Ore.

Walk Gates are also available in our Signature fence styles in a range of sizes with numerous customization options.

### 1 HAMPTON DOUBLE GATE

The Hampton Double Gate (shown in a Spindle Top Arbor, sold separately) has a scallop top that curves from 5'H to 4' 4"H at center. The picket has a half-lapped lattice top and includes black powder coated 12" heavy reversible hinges, a ring latch, and cane bold. Choose posts and caps from our selection (sold separately) or place between your existing supports. Prefinished white.

7960885	4½"W	<b>\$3,555</b>
7960886	6"W	<b>\$3,775</b>

Price includes: gate + hardware. Add posts if required.

Unless otherwise noted, price shown is for the gate only. Posts, post caps, and hardware, if required, are added separately to allow for additional customization options.

### 2 BASKING RIDGE GATE

The concave board gate and arch blend to form a perfect circle. 5½" wide boards and 4" square posts, topped by a 3½" single arch. Includes a black ring latch and two 12" heavy reversible strap hinges. Prefinished in verde green or white. 60"H x 48"W. 92" H with arch.

795684W	White	<b>\$2,414</b>
795684	Verde Green	<b>\$2,414</b>

Price includes gate, posts, post caps, and hardware.

### 3 PORTHOLE GATE

A circular cut-out and crisscross panels combine to create a distinctive walk gate. Shown here with sphere post caps, available as one of many customization options (not included). Crafted in solid cellular vinyl and prefinished in white.

7963G6H35W	6'H x 3½'W	<b>\$2,720</b>
7963G7H4W	7'H x 4'W	<b>\$2,990</b>

Price is for gate only. Add posts, caps, and hardware if required.

#### 4 CHELSEA PICKET GATE

Curved brace and sphere post caps give this Chelsea gate with concave scallop top a sophisticated look. Gate includes 5½" square posts with sphere caps, a pair of black heavy reversible strap hinges, and a black ring latch. Prefinished white.

795691	3'H x 3'W	<b>\$2,200</b>
795692	3'H x 3½'W	<b>\$2,295</b>
795693	3½'H x 3'W	<b>\$2,295</b>
795694	3½'H x 3½'W	<b>\$2,305</b>

Price includes: Gate + posts + post caps + hardware.

#### 5 BRISTOL GATE

Reminiscent of an historic style, this gate features crisscross panels and fine detailing on the top. Crafted in solid cellular vinyl and prefinished white. Side fence sections sold separately. Shown here with Falmouth post caps, available as a customization option (not included).

7965G35H35W	3½'H x 3½'W	<b>\$2,220</b>
7965G4H4W	4'H x 4'W	<b>\$2,298</b>

Price is for gate only. Add posts, caps, and hardware if required.

#### 6 HAMPTON SINGLE GATE

The Hampton Single Gate (shown in a Spindle Top Arbor, sold separately) has a scallop top that curves from 5'H to 4' 4"H at center. The picket has a half-lapped lattice topper and includes black powder coated 12" heavy reversible hinges and a ring latch. Choose posts and caps from our selection (sold separately) or place between your existing supports. Prefinished white.

7960883	3½'W	<b>\$1,948</b>
7960884	4'W	<b>\$1,952</b>

Price includes: gate + hardware. Add posts if required.

#### 7 LOUVERED GATE

A beautiful gate that provides privacy with contemporary elegance. Crafted in solid cellular vinyl and prefinished white. Shown here with gate cleats attached to existing stone pillars.

7532G4H3W	4'H x 3'W	<b>\$1,695</b>	7532G5H4W	5'H x 4'W	<b>\$1,930</b>
7532G4H35W	4'H x 3½'W	<b>\$1,790</b>	7532G6H3W	6'H x 3'W	<b>\$1,835</b>
7532G4H4W	4'H x 4'W	<b>\$1,850</b>	7532G6H35W	6'H x 3½'W	<b>\$1,940</b>

Drive Gate Product Guide

Scan here to explore all styles.

**1 CHIPPENDALE**

This distinctive entrance gate adds architectural interest with a unique pattern. Available with straight, arched, or scalloped top and Wenham, Darien, Bostonian pillars or masonry columns. 6'H. 12'W-18'W.

**2 CHESTNUT HILL**

A classic gate style that beautifully combines practicality with charm and grace. Available with Straight, Arched, or Scalloped top and Wenham, Darien, Bostonian pillars or masonry columns. 4'H-8'H. 12'-18'W. Shown here with Annisquam Scallop top and Wenham Pillar Posts.

3

4

### 3 FARMSTYLE POST & RAIL

With its unpretentious lines, this four-rail farm gate is functional as well as delightful. Available with straight top and Wenham, Darien, Bostonian pillars or masonry columns. 4'H-5'H. 12'-18'W.

### 4 SPACED HORIZONTAL

This Spaced Horizontal Drive Gate features Darien Pillars and Copper Caps and is finished in a custom color for a clean, modern contemporary look. The horizontal board spacing creates a sleek, linear rhythm that balances openness with privacy. 4'H-6'H. 12'W-16'W.

## MONTAUK HORIZONTAL

The Montauk Horizontal Drive Gate offers a clean, contemporary aesthetic defined by its evenly spaced horizontal boards and strong linear form. Designed to balance openness with privacy, its sleek profile allows light and views to pass through while maintaining a sense of enclosure. 4'H-6'H. 12'W-18'W.

Drive Gates

all styles.

**BOARD & TOPPER**

A lattice topper adds style to a stately board fence, creating privacy with a light and airy style. Available with straight, arched, or scalloped top and Wenham, Darien, Bostonian pillars or masonry columns. 5'H-8'H. 12'W-18'W.

**UNIVERSAL**

A dignified and practical gate that delivers privacy and security. Available with straight, arched, or scalloped top and Wenham, Darien, Bostonian pillars or masonry columns. 4'H-8'H. 12'W-18'W. Shown here with a Smooth Scallop top and Wenham Pillar Posts.

**HORIZONTAL UNIVERSAL**

This drive gate is a superb combination of security and contemporary elegance. Available with Wenham, Darien, Bostonian pillars or masonry columns. 4'H-8'H and 12'W-18'W. Shown here in Iron Ore.

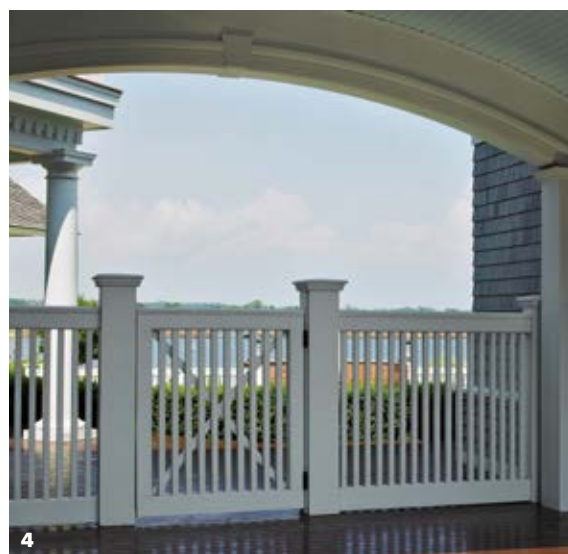

**PICKET WITH PANEL BOTTOM**

A paneled bottom adds privacy and elegance to this classic entrance gate style. Available with straight, arched, or scalloped top and vertical board, raised, or recessed panels. 4'H-8'H. 12'W-18'W. Shown here with board panel bottom and optional Arch Brace.

# Railings

### 1 PENDLETON DECK RAILING

The Pendleton Railing has thin yet sturdy rails for a look that complements buildings with a more modern architecture. Deck railing with 1½" x 3½" aluminum reinforced bottom rail. 1½" square pickets and Yorktown cap. Available 3'H and 3½'H.

### 2 JAMESTOWN RAILING

Elegance meets function with the bolder lines and defined rails top and bottom of this railing style. Aluminum reinforced deck railing with 1" x 3½" rails both sides. 1½" square pickets and Yorktown cap. Available 3'H and 3.5'H.

### 3 PENDLETON DECK RAILING

This curved Pendleton Railing creates an elegant, flowing look that complements the relaxed sophistication of this beach house.

### 4 JAMESTOWN RAILING

The Jamestown Railing with coordinating gate creates a sophisticated safety barrier for this coastal home, blending refined design with dependable function.

# Pergolas

Walpole Outdoors pergolas create inviting outdoor rooms defined by light, structure, and timeless design. Meticulously crafted for lasting performance, each pergola brings architectural presence and proportion to the landscape—offering shade, comfort, and a natural gathering place that feels both intentional and enduring.

Explore Our Pergolas

Scan here to see all styles.

# Ambiance Louvered Room

The aluminum Ambiance Louvered Room combines sleek design, smart technology, and full weather protection with a watertight louvered system.

### THE AMBIANCE KIT

Available in two sizes, 10'x10' and 10'x12', the Ambiance Kit Pergola (shown at top) features a smaller frame size with 4"x4" posts and beams. The Kit comes standard in the popular umbra gray with white louvers, as well as with motorized louver operation. Optional add-ons include LED lighting and side zip screens.

Starting at **\$16,560** (10' x 10')

### THE AMBIANCE ELITE

Available in various sizes to fit your space, the Ambiance Elite is constructed with more robust 8"x8" reinforced posts and beams. The frame and louvers are available in any combination of three colors: umbra gray, black, and white. The Elite comes with manual louver operation and a variety of optional upgrades.

Starting at **\$23,940** (10' x 14')

- Available Options:**
- Motorized louvers
  - LED lighting
  - Motorized side screens
  - Solid wall
  - Fan bar
  - Extra post
  - Heaters

### 1 WESTERN RED CEDAR PERGOLA

This pergola is made from select-grade Western Red Cedar and arrives unstained, allowing the wood to naturally weather to a stunning silver-gray patina—a beautiful complement to any outdoor setting. It features square columns and the Walpole Ogee end cut style as standard. The Western Red Cedar pergola is available in a range of sizes, from 10'x10' to 14'x14'.

### 2 LOCKHART PERGOLA

This contemporary style pergola is crafted in solid cellular vinyl and painted in Iron Ore (joists can be painted Iron Ore or Passive Gray) for a refined yet striking presence. An optional privacy panel creates a defined space that feels both open and protected. Available in sizes from 10'x12' to 14'x15½'.

3

4

### 3 ATTACHED PERGOLA

Extending directly from your home, the attached pergola is available with a straight top and customizable design options for round, square, or paneled columns, beam and lath end cut styles—as well as add-on features like shade canopies and side screens.

### 4 FREESTANDING PERGOLA

The freestanding pergola is available in a variety of sizes with customizable design options for arched or straight top; round, square, or paneled columns; beam and lath end cut styles—as well as add-on features like shade canopies and side screens. Shown above with Arch top and Paneled columns.

## WALPOLE OUTDOORS SIGNATURE KITCHENS

Designed by Danver

Ranging from an elegant grilling station solution to a sprawling outdoor kitchen that'll be the heart of your outdoor space, there's a Signature Kitchen layout to suit everyone's needs.

- European-style cabinets constructed with 304-grade stainless steel.
- Available in six different powder coat finishes.
- Designed to accommodate 30-36" or 42" grills, standard kitchen sinks, and below-counter refrigerators.
- Seven pre-determined layouts featuring our most functional and versatile cabinet configurations.
- Custom layouts and configurations are also available.

# Bespoke Pergolas

For projects that call for something truly exceptional, our pergolas showcase the depth of our design and engineering expertise. We specialize in creating structures others can't—combining industry-leading structural performance with refined architectural detailing to bring even the most ambitious visions to life.

4

**1 HYBRID RADIUS PERGOLA**

This spectacular outdoor structure artfully combines low maintenance solid cellular vinyl radius beams that have been painted pewter for heightened dramatic effect with Western Red Cedar posts and joists.

**2 DOUBLE COLUMN PERGOLA**

An expansive handcrafted double column pergola defines this outdoor kitchen. Columns are secured atop stone bases, so that the pergola works harmoniously with the customer's chosen outdoor motif.

**WIDE SPAN PERGOLA**

This pergola achieves an expansive, uninterrupted width of 30 feet, with steel-reinforced 5" x 14" beams that deliver superior structural integrity. This allows for maximize usability while maintaining long-term durability and performance.

**3 RADIUS PERGOLA**

Our radius beam construction sets a new standard for craftsmanship. Each curved beam is formed with smooth, seamless transitions—eliminating visible joints and creating a clean, continuous arc. The result is a sophisticated architectural feature that enhances both contemporary and classic designs.

**4 STEPPED PERGOLA GROUP**

Majestic in size and magnificent in its detailed joinery, this Walpole custom stepped pergola grouping is created in solid cellular vinyl, requiring little to no maintenance for years. The tapered Craftsman pergola columns are 83" and 95" tall and 9" wide at the top.

# Curb Appeal

Defined by balance and subtlety, thoughtfully chosen elements create a composed, welcoming presence at first sight. Each detail works together to enhance the architecture and set a tone that feels both intentional and inviting.
