

NORTH CAROLINA FARM BUREAU MUTUAL INSURANCE COMPANY

With more than 180 Local Agency offices, we have an opportunity that suits you. Interns will be paired with a local agency manager based on your location preferences. Whether you're looking for a position in your hometown during the summer or near your school throughout the fall or spring semesters, we've got you covered.

ORGANIZATION OVERVIEW

At North Carolina Farm Bureau Mutual Insurance Company, we pride ourselves on delivering genuine service through real people who are ready to help you in every county across the state.

Together with our North Carolina Farm Bureau members, we have established the largest domestic property and casualty insurance company in North Carolina. Headquartered in Raleigh, our Mutual Insurance Company is owned and governed by our policyholders through an elected Board of Directors. With a network of agents spread throughout the state, we provide insurance coverage for both farm and non-farm policyholders in all 100 counties. Our assets exceed \$2 billion, and we are rated A (excellent) by A.M. Best Company, Inc.

As an intern in this program, you will collaborate with a Farm Bureau Insurance Agency in North Carolina. Each day, you will engage in meaningful work, interacting with agency staff, home office personnel, and both current and potential clients. This experience will help you develop the knowledge, skills, and competencies necessary to support various functions within our marketing and sales departments.

The company's internship program is designed to offer students a chance to apply the business skills they have learned in school while gaining valuable work experience. Upon successfully completing the internship, there may be an opportunity to be contracted as an agent with NC Farm Bureau Mutual Insurance Company.
