Titi Kamal
Actress & Entrepreneur

Dear JCI Indonesia Family,

This year, we rise together with a renewed spirit - through our theme, **"Rise & Inspire."** It's not just a slogan; it's a daily reminder for each of us to stand taller, dream bigger, and move others through our actions. As young active citizens, we are called to lift ourselves and others — to be the spark that our communities need. I believe that if each one of us chooses to inspire just one more person, the ripple effect will be unstoppable.

I'm excited to share that after nearly a decade, we are bringing back the JCI Indonesia Newsletter! This is the first of four editions this year, and it's meant to be our platform - a space where we share stories, celebrate milestones, learn from each other, and stay connected as one big family. I hope this newsletter becomes something you look forward to — a source of inspiration and new ideas that keep our energy alive across all chapters.

This year, we are also taking a bold step with the Indonesia Development Council (IDC). For the first time, IDC will organize roadshow gatherings across multiple cities, bringing our energy, mission, and vision closer to new communities. We want to connect face-to-face, share what JCI stands for, and open doors for new chapters and new dreams. Growth doesn't happen from behind a desk — it happens when we meet people where they are, and that's exactly what we'll do.

Finally, I want to encourage each of you: ***don't just be busy, be impactful.*** Let's create projects that truly make a difference - projects that solve problems, empower others, and leave something better behind. This is our time to rise, not just for ourselves, but for the future we believe in.

Let's Rise and Inspire, together.

Warm regards,

Budiman Kusmanto
2025 National President

JCI Indonesia Inauguration 2025

A Joyful Kickoff To a Promising Year

The **JCI Indonesia Inauguration 2025** was a vibrant and inspiring celebration that marked the beginning of an exciting new chapter for the organization. This annual event officially welcomed the newly elected National President and National Board of Directors, setting the stage for a year of impactful leadership and collaboration.

More than just a formal ceremony, the inauguration was a joyful gathering of passionate young leaders from across the country and around the world. It served as a unique platform for members to connect, exchange ideas, and reaffirm their shared commitment to creating positive change in their communities.

We were honored to be joined by distinguished guests from the JCI World Board of Directors. Their presence highlighted the strong bonds between JCI Indonesia and the global JCI family.

The energy in the room was electric as over **160 members** came together, representing **18 local chapters** across

Indonesia, along with international members from **Japan, Malaysia, Singapore, Cambodia, Philippines, Hong Kong, Russia, and South Korea.** This dynamic mix of cultures and experiences truly embodied JCI's spirit of international collaboration.

The 2025 Inauguration was more than a ceremony-it was a celebration of unity, purpose, and fresh beginnings. With renewed energy and shared vision, we step confidently into the year ahead, ready to make an even bigger impact together.

JCI Indonesia Leadership Summit 2025 **Energizing the Leaders of Tomorrow**

Capping off a year of growth and momentum, the **JCI Indonesia Leadership Summit 2024** was the perfect grand finale-a true cherry on top of our leadership development efforts. Held from **November 30 to December 1, 2024**, at the charming **Salaview Hotel** in **Solo, Indonesia**, the summit brought together the bright minds who will lead JCI Indonesia into 2025.

This energizing event, initiated by **Budiman Kusmanto**, 2025 National President, was thoughtfully designed to prepare the incoming Board of Directors from every local

chapter across Indonesia. The goal? To empower them with confidence, clarity, and community.

Led by an outstanding team-**Nadia Indriani Karina**, Chairperson of the 2025 National Training Committee, as Project Director, and **Sanda Risma Panggabean**, 2003 National President, as Head Trainer-the summit featured hands-on training sessions, powerful discussions, and engaging leadership simulations.

With a focus on:

- Understanding roles and responsibilities more deeply,
- Fostering collaboration between chapters and the national board, and
- Crafting sustainable strategies that drive real community impact.

The summit created an atmosphere full of learning, laughter, and leadership magic.

The Leadership Summit was more than just preparation-it was inspiration in motion. It united passionate young changemakers who are ready to lead with purpose, create with heart, and work together to build a brighter future.

Here's to the next generation of leaders-stronger, bolder, and more connected than ever. Together, we're building Better Leaders for a Better World.

A Royal Welcome **Mangkoenagoro X Hosts JCI Delegation in Solo**

On the occasion of the JCI Indonesia Inauguration in Solo, an evening of cultural grace and royal hospitality took center stage as the JCI delegation was cordially invited to a Royal Dinner hosted by His Highness Mangkoenagoro X. The event took place on December 2, 2024, at the historic Pura Mangkunegaran, a cultural landmark that reflects the soul of Javanese tradition.

The Royal Dinner brought together esteemed delegates from across the globe, including 2025 JCI World President Keisuke Shimoyamada, 2025 JCI Indonesia National President Budiman Kusmanto, and members of the National Board of Directors. Also in attendance were international guests representing countries such as Russia, Malaysia, Cambodia, and more - all united in celebration of leadership, friendship, and shared vision.

In a remarkable display of cultural appreciation, all attendees donned traditional Javanese attire, embracing the rich heritage of the host city. The dignitaries were warmly welcomed by Mangkoenagoro X himself, who graciously opened the palace doors for an evening that blended royal elegance with meaningful exchange.

The event served not only as a tribute to Javanese tradition but also as a symbol of JCI's enduring commitment to global cooperation and cultural diplomacy. As the spirit of unity filled the halls of Pura Mangkunegaran, it became clear that this gathering was more than ceremonial — it was a reaffirmation of shared values and a future built on collaboration across nations.

JCI Jakarta

Junior Chamber International (JCI) Jakarta, established in 1996, is the pioneering chapter of JCI in Indonesia. As a non-profit and non-governmental organization, JCI Jakarta is dedicated to cultivating young leaders aged 18 to 40, encompassing university students, professionals, entrepreneurs, and more. Despite its name, JCI Jakarta endeavors to create a significant impact nationwide through various community development projects. Notable initiatives include the rehabilitation of the Ciherang-Cimarias bridge in Sumedang, known as "Jembatan Cinta," and the construction of deep wells to provide clean water in Ngawi, East Java. These efforts exemplify JCI Jakarta's commitment to fostering positive impact and empowering communities across Indonesia.

Creating Your Perfect Pitch Workshop

It is a pre-event that is part of the Creative Young Entrepreneur (CYE) 2025 series of activities.

This workshop is designed to provide participants with skills in creating an attractive pitch that can attract investors.

This event covers important topics such as understanding what investors are looking for, how to create an effective presentation deck, and strategies for practicing and delivering a pitch with confidence.

This workshop is guided by Ria Ellysa, CEO and Founder of Oterra Indonesia, who will share insights based on her experience in presenting her business to various partners and venture capital.

This session is very useful, especially for those who are preparing to take part in the CYE Indonesia 2025 competition, or anyone who wants to improve their pitching skills.

JCI Bali

Entrepreneur by Design Series

This is one of JCI Bali's programs, which aims to develop innovative and impactful young leaders, this program equips young people with an entrepreneurial mindset and leadership skills.

Output: The birth of young Balinese leaders who create sustainable use and contribute to the progress of the Bali region.

JCI Yogyakarta

Junior Chamber International (JCI) Yogyakarta is one of the oldest chapters in Indonesia that has been established and actively contributing for more than 30 years. As part of the international youth organization JCI, the Yogyakarta Chapter continues to be committed to producing young leaders who are strong, progressive, and have a positive impact on society.

Over the past three decades, JCI Yogyakarta has run various programs and initiatives that reflect the spirit of leadership, entrepreneurship, self-development, and social action. These programs not only provide benefits to members, but also make real contributions to the local community. Some of the activities that have been carried out can be easily found through online searches, and can be used as a reference to get to know more about the journey and values upheld by this chapter.

With the spirit of collaboration, innovation, and sustainability, JCI Yogyakarta continues to open space for young people who want to grow together, build networks, and contribute directly to positive changes in the surrounding environment.

Let's join and be part of this long journey because big changes always start from small, consistent steps.

Rendy Mahardika

JCI Yogyakarta

JCI Yogyakarta

Free Design Program and MSME's School

As part of its commitment to supporting the growth of micro-businesses in the Special Region of Yogyakarta, JCI Yogyakarta initiated a social program that focuses on strengthening the business image of MSMEs, especially street vendors. Through this program, JCI Yogyakarta provides free banner design services for business actors who do not yet have attractive and representative promotional materials.

This program arose from concerns over the fact that many MSMEs, especially street vendors, do not yet have access to decent visual designs that can increase the attractiveness of their businesses. With professionally designed banners, it is hoped that these business actors will be able to appear more confident and competitive amidst increasingly tight market competition. There have been 35+ MSMEs that have been visited and assisted through the design sharing program.

Not only stopping at providing free designs, JCI Yogyakarta also organizes the MSME School, a training program designed to equip business actors with practical skills in

managing a business, especially in the digital era. The training materials cover various important topics, such as digital marketing, simple financial management, and strategies for building a business brand.

Through this program, JCI Yogyakarta hopes to be a bridge of positive change for local MSME's encouraging them to move up a class and be able to adapt to the times. This initiative is a real manifestation of the spirit of youth to help build an inclusive and sustainable people's economy.

JCI East Java

This year, JCI East Java celebrates its 10th Anniversary. Of course, every event and program held is expected to have a massive impact on the surrounding community, both nationally and internationally. One of the decisions I made as Local President this year was to establish close relationships with national and international JCI chapters, as well as organizations outside JCI.

In the last 3 months, we have signed an MOU with Apkrindo Jatim, an MOU with Bank BRI, an MOU with Lazada Indonesia, attended the Presidential Induction of JCI SouthKey and JCI Makati, and attended a meet and greet with JCI Nagoya in the plan to build relations towards a sister chapter in the future. We believe that a good bridge with other organizations needs to be built so that many members can feel the benefits and broad impacts of JCI EAST JAVA.

Leading Future Generations! LFG!

Andrew Hartono

2025 Local President
JCI East Java

JCI East Java

Business Master Class: Zero To Hero

In March, JCI East Java invited Mr. Ferry Setiawan as the General Chairperson of APKRINDO DPD Jatim and also Aristia Chen as a member of JCI Srikandi to talk about their stories of moving in their respective businesses from zero to becoming successful today. This event is included as one of the events in the Business Master Class from the Business Area of Opportunity.

We collaborate with JCI Srikandi, APKRINDO, and Bank BRI so that the event can run extraordinarily. This event is one of a series of events in the road to One Decade JCI East Java. We hope that all members and participants who attend can learn from the two speakers how much hard work needs to be done, what experiences can be gained from the ups and downs of every business actor, and how consistency and perseverance produce good results.

The collaboration with JCI Srikandi and APKRINDO is also the first this year and can be said to be very successful. We hope that there are many other programs and projects that we can build together because by doing it together, the impact will be much greater for the community around us.

Driving Global Connection Through Mobility

JCI is proud to announce its latest global partnership with SIXT, one of the world's leading premium mobility providers. Known for its top-tier car rental services in over 100 countries, SIXT offers not only convenience but also the flexibility and quality service that young leaders on the move truly value.

Through this partnership, JCI members around the globe now enjoy exclusive access to discounts and premium services—making it easier than ever to attend international conferences, connect with communities across borders, and grow their impact on a global scale.

Whether traveling for leadership summits, international training, or grassroots community initiatives, SIXT's support helps JCI members focus on what matters most: creating positive change wherever they go.

For members of JCI Indonesia, this collaboration opens doors to even more seamless global mobility, supporting the bold spirit of Indonesian changemakers as they take part in international experiences and build bridges across cultures.

Partnering for Impact, Together

At JCI, we believe that collaboration is the key to sustainable progress. Partnerships like this one with SIXT illustrate how aligned values can lead to shared growth and greater impact.

Organizations and brands seeking to engage purpose-driven young leaders and changemakers across Indonesia and beyond will find in JCI Indonesia a powerful ally. With a dynamic network of thousands of emerging leaders, partnering with JCI Indonesia is more than a collaboration—it's a gateway to meaningful engagement, community trust, and long-term relevance.

Let's explore what we can build together.

New Global Partnership with SIXT!

Under this partnership we provide all JCI members with special rates for renting a car anywhere in the world, including the exclusive SIXT Platinum Status.

The SIXT Platinum Status includes the following car and truck rental benefits Up to 15% discount.*

1. Free car upgrade upon availability. Includes an upgrade to the next higher vehicle category.**
2. Exclusive counter and parking.
3. Free additional driver for all rentals in the US. Only for US-residents and rentals within the contiguous U.S.

**On discountable rates for online and offline private customers at the respective time of rental at the rental location at Sixt rent a car and Sixt rent a truck. Discount amount subject to local availability. May not be combined with special offers.*

***Subject to availability, not valid for long-term rentals, special categories (Sports & Luxury) or trucks.*

SIXT rent is available at 2,200 SIXT stations in over 100 countries. The range includes a high-end fleet of modern cars, from small cars to luxury convertibles, as well as vans and minibuses. Customers always benefit from the premium fleet and exceptional service.

How to Get Your Benefits

Option 1: Register via Browser

Sign up for your personal SIXT Platinum status using the following link: **www.sixt.com/jci**

Option 2: Register via SIXT App

1. Download the SIXT app **<https://www.sixt.com/app/>**
2. Log in (if you already have an account) or register a new one.
3. In the app, go to My Account > Profiles
4. Select Add Profile > Create Business Profile
5. Enter the following details:
Customer number: **19463129**
Rate key: **jciworld1915**

Once you are registered and logged in with the new profile, the discount will be applied automatically and will be reflected in the prices shown on both the app and browser.

SIXT+ Car subscription (available in 10 European countries, the US and Canada): As JCI special, you receive a free extra 500 km package per month.

For a personalized subscription offer including benefit or all other requests, please contact: **jci@sixt.com**

Take advantage of this opportunity and start planning your next trip! We are proud to provide our members with this unique benefit.

JCI Indonesia Goes to Singapore

Connecting Beyond Borders

From **8–10 April 2025**, JCI Indonesia embarked on an inspiring international business trip **to Singapore**, building bridges with global leaders and sparking new opportunities for collaboration and growth.

The journey began at the **FHA Food & Beverage Expo**, where JCI Indonesia joined **Bank Indonesia** and the **Indonesian Embassy** to proudly showcase Indonesia's innovation in the global food scene.

Our delegates then took part in exciting **company visits** to:

- > **ID Integrated** – a creative force in interior design,
- > **Dian Xiao Er** – a successful F&B brand with regional reach,
- > **Oceanus Group** – a listed leader in seafood supply chain solutions, and
- > **Google Singapore HQ** – where members explored cutting-edge innovation and digital culture.

A major highlight was **Beyond Borders**, a powerful business forum hosted at **KBRI Singapore** in collaboration with **JCI Singapore, JCI Japan**, and the **Singapore Manufacturing Federation Youth**. This was followed by **business matching sessions**, opening the door to future partnerships and cross-border projects.

The trip also featured a visit to **UBS Private Bank**, offering rare insights into global finance and investment strategy.

More than just a series of visits, this program energized our members to think globally, connect meaningfully, and lead boldly on the international stage.

Represent Indonesia-Join international JCI events and grow your global network! The world is waiting, and together, we go further.

A New Era of Leadership Training

JCI Indonesia Academy Joins Regional Collaboration

We are thrilled to announce a groundbreaking partnership that will elevate leadership development across Asia! On March 25, 2025, a Memorandum of Understanding (MoU) was officially signed in Da Nang between JCI Mongolia Academy, JCI Vietnam Academy, and JCI Indonesia Academy—marking the beginning of a vibrant and collaborative journey in shaping the future of JCI trainers.

This MoU solidifies the shared vision of JCI Mongolia, JCI Vietnam, and JCI Indonesia to develop structured, high-impact leadership training through national academies. With the recent establishment of the JCI Vietnam Academy and the upcoming formation of the JCI Indonesia Academy, JCI Mongolia Academy will take the lead in providing mentorship, proven methodologies, and strategic support to ensure both academies thrive from the very beginning.

Establishing Strong Foundations

Under this agreement, the three academies will work hand-in-hand to build robust leadership programs. JCI Mongolia Academy will spearhead guidance efforts and organize a “Train The Trainer” (TTT) program to help create certified trainers for Vietnam and Indonesia. This will ensure each academy is not just well-founded, but also empowered with quality leaders and facilitators.

Committed to Long-Term Growth

The collaboration doesn't stop at launching the academies-it's built for the long haul! Over the next three years, the academies will rotate hosting annual TTT programs, enabling each country to benefit from shared experiences, cultures, and training styles. This spirit of continuous learning and connection will help trainers grow in skill, confidence, and global perspective.

Trainer Exchange and Continuous Learning

To further boost trainer development, the parties have committed to organizing quarterly LAB and Master Class sessions, both online and in person. These sessions will focus on practical learning and advanced methodologies. Trainers will also be exchanged across the three countries, creating a unique platform for cross-cultural knowledge sharing and deeper friendships.

Adopting the 5-Star System

In a generous move, JCI Mongolia Academy is granting JCI Vietnam and JCI Indonesia Academies the right to use its exclusive 5 Star System a world-class trainer advancement framework. This system ensures consistency, progression, and quality in trainer development throughout the duration of the MoU.

A Bright Future Begins Now

This MoU will be in effect for three years, with an opportunity to extend the collaboration further based on impact and outcomes. We are excited to witness the launch of JCI Indonesia Academy and the powerful transformation it will bring to our national leadership development landscape. Together, we rise stronger!

Together We Rise Stronger!

"The Innovators Leader: Sustainable Impact Beyond Limits"

The Junior Chamber Indonesia (JCI) is proud to announce its annual flagship event, Creative Young Entrepreneur (CYE) 2025. This prestigious event is set to take place over two days, with the competition scheduled for 9th May 2025 at Gedung Pusat Perfilman H. Usman Ismail, followed by the Gala Dinner & Awarding Night on 10th May 2025 at Hotel Sahid Jaya Jakarta.

JCIs Role in Fostering Young Entrepreneurs

JCI has long been a catalyst for fostering young entrepreneurs, and the CYE event exemplifies this commitment. The event is far more than a mere competition; it serves as a launchpad for aspiring business minds, offering a pathway to international recognition and creating a hub for collaboration and impactful innovation. With the tagline #indonesiatotheworld, JCI aims to showcase Indonesia's entrepreneurial talent to the global stage, encouraging sustainable impact beyond limits.

Success Stories of JCI Members

One of the remarkable success stories is that of **Rico Tedyono**, JCI Indonesia's National Executive Vice President for 2025. Rico triumphed as the winner of CYE Indonesia 2023 with his fintech company KOMUNAL, which focuses on enhancing financial inclusion by digitizing rural banks. His journey from a national winner to a thriving business leader symbolizes the opportunities that CYE offers to young entrepreneurs, paving their way to success and recognition.

International Exposure for CYE Indonesia Winners

The winners of CYE Indonesia will not just bask in national glory but will also contest in the CYE International competition. This provides them with invaluable international exposure, opening doors to global markets and networks. The platform allows these young entrepreneurs to showcase their innovative solutions on a larger scale, thereby amplifying their business potential and fostering international collaborations.

The CYE 2025 event promises to be a milestone in JCI's mission to nurture the next generation of innovative leaders who are ready to make a sustainable impact beyond limits. Join us in celebrating and empowering Indonesia's young entrepreneurs as they take their innovations to the world.

A Movement of Love, Inclusion, and Impact

Walk for Autism (WFA) is more than just a campaign—it's a powerful movement that echoes hope, compassion, and unity. Spearheaded by **JCI East Java** and proudly joined by **JCI Nusantara, JCI Femme,** and **JCI Jakarta,** WFA has become a shining example of what can happen when passionate leaders come together to create meaningful change.

At its heart, WFA aims to empower children with autism in Indonesia—raising awareness, increasing access to resources, and breaking down stigma through inclusive,

community-driven initiatives. The movement addresses critical challenges in Indonesia, such as a lack of therapists, limited awareness, and insufficient support systems for families navigating the autism spectrum.

A Multifaceted Approach for Real Impact

The 2023 campaign was filled with heart and action:

- > **Free therapy sessions** were offered to over 20 children with autism-led by licensed professionals who understood their unique needs.
- > **Educational webinars** reached over 1,000 participants, equipping parents, educators, and caregivers with valuable knowledge and strategies.
- > **The Fun Walk for Autism**, held both in-person and virtually, gathered more than 2,000 participants across multiple cities—filling the streets with blue, the color of both autism awareness and JCI spirit.
- > **A powerful 12-episode video series** showcased stories from the perspective of individuals with autism, promoting empathy and understanding.
- > **Through the Talent Challenge and WFA Scholarship**, young people with autism were empowered to showcase their abilities and pursue education, supported by nearly \$7,400 in scholarship funds.

WFA's success was also made possible through deep local engagement. Over **40 local businesses** across Indonesia contributed, with some donating part of their proceeds to support therapy programs. The campaign even lit up the digital world—spreading its message across Instagram, Facebook, and YouTube, creating a vibrant community of support.

A Movement Recognized Beyond Borders

The true magnitude of WFA's impact was recognized on a global stage. At the **2024 JCI Asia Pacific Conference**, Walk for Autism was honored with the **Best Community Impact Award**-a prestigious acknowledgment that this movement doesn't just touch lives locally, but resonates across borders.

This recognition is a proud moment not only for JCI East Java but also for all chapters and partners who believed in the vision of an inclusive, compassionate Indonesia. Walk for Autism stands as proof that when we walk together-with empathy, with action, and with purpose-we create a ripple of change far beyond what we can imagine.

Unlocking Potential

Individual Development and Leadership Growth in JCI

At the heart of JCI lies a powerful truth: every young person has the potential to lead, inspire, and create lasting impact. Among the four areas of opportunity in JCI, Individual Development is one of the most vital-because it is through personal growth that leaders are born, and through leadership that change becomes possible.

For JCI Indonesia members, striving for continuous individual and leadership development should be a shared commitment. When we invest in ourselves-sharpening our communication skills, strengthening our character, and challenging our limits-we position ourselves to become better leaders not only within JCI, but also in our communities, workplaces, and the nation.

Leadership growth isn't just about titles or positions. It's about influence, responsibility, and action. It is this kind of leadership that enables us to take meaningful steps toward solving the problems around us. And it starts by saying "yes" to opportunities that help us grow.

That's why we encourage all members to be actively involved in chapter activities. Whether you're leading a project, speaking at an event, or volunteering behind the scenes, every moment of engagement is a chance to learn, contribute, and grow. Your chapter is your training ground-embrace it!

Beyond chapter level, JCI Indonesia offers powerful platforms to elevate your personal development journey: the **JCI Indonesia Leadership Academy** and the **Debate & Public Speaking Competition**. These are not just events-they are transformative experiences designed to push you out of your comfort zone and into your growth zone. Alumni of these programs often become the driving force behind impactful projects and inspiring leadership within the organization.

Let's not wait for leadership to be given-let's cultivate it. Let's grow together, challenge each other, and become the kind of young leaders who are not only ready for the future, but ready to shape it.

**Because leadership
starts with you**

JCI Indonesia Leadership Academy 2025

Ready To Unlock Your Leadership Potential?

JCI Indonesia Leadership Academy 2025 is here to shape transformative leaders.

Join us for 3 days of intensive training, self-growth, and networking with top mentors in the field. Whether you want to enhance your leadership skills, master public speaking, or build a strong team, this is the place to be.

That's why we encourage all members to be actively involved in chapter activities. Whether you're leading a project, speaking at an event, or volunteering behind the scenes, every moment of engagement is a chance to learn, contribute, and grow. Your chapter is your training ground-embrace it.

JCI INDONESIA LEADERSHIP ACADEMY 2025

"TRANSFORMATIVE LEADERS"

MAY 23-25TH, 2025

-HARRIS HOTEL CIBINONG CITY BOGOR

THE TRAINING OBJECTIVE

- ◆ **DEVELOP TRANSFORMATIVE LEADERSHIP SKILLS**
Equip participants with modern, actionable leadership strategies and tools to create meaningful and lasting impact in their communities and beyond.
- ◆ **ENHANCE PERSONAL GROWTH AND SELF-AWARENESS**
Provide opportunities for participants to assess their strengths and weaknesses, unlock their potential, and cultivate a mindset of continuous improvement.
- ◆ **STRENGTHEN COMMUNICATION AND TEAM-BUILDING ABILITIES**
Improve public speaking, effective communication, and collaboration skills to inspire and lead teams with confidence.
- ◆ **DEEPEN UNDERSTANDING OF JCI PRINCIPLES AND LEADERSHIP ROLES**
Foster a comprehensive understanding of JCI's mission, philosophies, and leadership structure, empowering participants to excel as leaders within the organization.

Expanding Our Reach

How to Start a New JCI Chapter and Multiply Our Impact

In JCI, we believe that one of the best ways to create lasting impact is by growing our movement. The more local organizations we establish, the more young leaders we empower, and the greater our collective impact on society becomes. That's why chapter development is not just a strategic move—it's a mission.

As JCI Indonesia continues to grow, we are placing special focus on building new chapters across the nation. To support this vision, we have formed a dedicated committee: the Indonesian Development Council (IDC). This team exists with a clear purpose—to help identify, support, and guide the creation of new JCI Indonesia chapters in untapped cities and regions.

The IDC is inspired by the structure and success of the Asia-Pacific Development Council (APDC), but uniquely adapted to Indonesia's context. With a localized approach, the IDC works to ensure that each new chapter is not only launched successfully, but also nurtured with the right leadership mindset and sustainable structure.

But we can't do this alone.

We are currently looking for passionate individuals who want to get involved-either by joining the IDC committee or by initiating a new local organization in their own city. If you know a group of young active citizens who are eager to create change, JCI could be the platform they've been looking for. And the IDC is here to guide every step of the way-from introduction to official affiliation.

Starting a new JCI chapter is more than an administrative process. It's about planting the seeds of transformation in a community. It's about building leaders, one city at a time. If you're ready to be part of something bigger-to grow the movement and help shape the future of JCI Indonesia-let's talk. Together, we can turn vision into action and reach more lives than ever before.

**Because
the more
we grow,
the greater
our impact**
