A little late for spring but just in time for the festive season, I bring you the last paintings collection of 2022's Creative Cycle series. All these paintings have the embodiment of Persephone at their core - a celebration of the inner child, play, and curiosity!

# Full Bloom

90 x 90 cm - Oil on board (unframed)

R18 000

Spring Collection 2022

---

# Psychedelic Transkei Fairy

46 x 85 cm
