Dual arm monitor stand

Dimensions	Adjustable Max Length: 29" Adjustable Max Height: 20.5" Each arm can rotate 360°
Color	Black/Silver
Compatibility	Desk thickness: 1 ³⁄₈" max. Vesa (75x75 & 100x100) Load Capacity: Up to 19.8 lb (9 kg)

Notes

Allow a minimum spacing of .5"
between desks to fit unit clamp and
cord.

*Product specification is subject to change based on
availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes
not included but will be charged on final invoice.

Mobile whiteboard

$629

Notes

The magnetic accessory tray provides a place for markers and erasers. Tubular steel frame with mobile base for easy maneuvering. GREENGUARD certified — certified for low chemical emissions.
For smaller offices, this mobile whiteboard would require the removal of (1) 24" x 48" desk for ease of use.

*Product specification is subject to change based on availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes not included but will be charged on final invoice.

Dimensions	42"W x 21½"D x 72"H
Color	Frames: Grey

*Product specification is subject to change based on availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes not included but will be charged on final invoice.

SECTION

FINISHES

04

High traffic carpet tile

For pricing, please request a consultation

Manufacturer

Interface

Notes

This add-on requires a technician to verify the space and take dimensions. The carpet scope of work must be a wall-to-wall application. Depending on the scope of work, this could require the member to be out of the space for 1 - 2 days. As part of the regular cleaning service provided, the carpet will be vacuumed in lieu of mopping the wood floor. Any requests for a deep cleaning will be an additional cost.

*Product specification is subject to change based on availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes not included but will be charged on final invoice.

Dimensions	9.845" x 39.38" x 0.11". Scope of work dimensions to be taken by Third Party
Color	Charcoal Tweed
Material	100% Recycled Content Nylon

Paint

For pricing, please request a consultation

General white paint

Color	Ivory White
SKU	CC-130

Member selected accent paint

Color	TBD by Member
SKU	TBD by Member
Finish	TBD by Member

Manufacturer

Benjamin Moore

Notes

This add-on requires a technician to verify the space and take dimensions. Depending on the scope of work, this could require the member to be out of the space for 1 - 2 days.

*Product specification is subject to change based on availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes not included but will be charged on final invoice.

Dry erase

For pricing, please request a consultation

Dry erase paint

Dimensions	Scope of work dimensions to be taken by Third Party
Color	Clear
Material	Paint

Manufacturer

Benjamin Moore

Notes

This add-on requires a technician to verify the space and take dimensions. Member is to follow the Manufacturer's recommended cleaning instructions. Depending on the scope of work, this could require the member to be out of the space for 1 - 2 days. This finish requires a 7-day cure time.

*Product specification is subject to change based on availability, pricing and regional variances.

Price includes shipping, handling, & installation. Taxes not included but will be charged on final invoice.

TECH SERVICES

08

Tech Services Offerings

Service	Description	Benefits	Price*
Private WiFi (SSID)	Support data security by giving your employees a branded, private wireless (WiFi) network with unthrottled access to available internet bandwidth.	—Only accessible with a unique password, a Private SSID ensures your employees' machines are separated from other devices on the general WeWork WiFi network —Authenticate against your corporate infrastructure	$195/mo.
Public IP address	For those who wish to build their own network, establishing a public IP on the WeWork network will allow your members direct internet access to their own firewall or appliance.	—Uniquely identify your team's Internet traffic —Whitelisting —Securely support VPN and remote access	$95/mo.
Private VLAN	Establish a private and security-enhanced connection on our wired network—separating your employees' internet traffic from other members.	—Enhanced Security —Networking	$95/mo.
Enterprise direct connect VPN	A connection to your company's network with enhanced security, supported by primary and backup circuits for a reliable connection. No VPN client required.	—Removes the need for a VPN client —Private VLAN and SSID are included with the service, making your employees' connection even more secure.	$395/mo.
Dedicated bandwidth	High-performance internet, exclusively for your employees, featuring enhanced security and speeds. Includes primary and secondary Internet Service Provider circuits to support internet continuity if one circuit fails.	—Shorter installation times —Back-up reliability —24/7 monitoring	100Mbps: $950/mo. 200Mbps: $1,800/mo. 400Mbps: $3,000/mo.
Private video conferencing equipment	Enhance your private meeting room with video conferencing equipment, featuring an all-in-one video bar with a built-in camera, microphone, and speaker and a touch panel tablet.	—Delivery, installation, and programming included —Support included: equipment will be repaired or replaced	Starting at $1,050/mo. per room
Firewall-as-a-service	Realize the benefits of a dedicated firewall with 24/7 monitoring without the required CapEx, configuration, or ongoing management.	—Fully customizable network configuration —Unified Threat Management —Support included: equipment will be repaired or replaced	Starting at $750/mo. per Firewall
On-site colocation	Store your network gear in a climate-controlled, secured environment within a WeWork IT room. This offering is sold by rack unit ("RU").	—Secured room features CCTV monitors and keycard readers —Cooling to prevent overheating	1 RU: $295/mo. 10 RU: $1,450/mo. 20 RU: $2,495/mo.

*All services are subject to a $250 set-up fee and applicable taxes.
Services are subject to availability in your building. Services not available for WeWork On Demand members and not all services are available to WeWork All Access members. Private Video conferencing is available for most private meeting rooms with existing A/V infrastructure. WeWork's technology team will be in touch to confirm product availability.

Full Floor
Technology Bundle
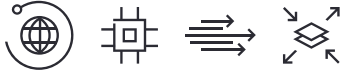

Our Full Floor Technology Bundle provides your employees with enhanced network performance, speed, security, and reliability to help get their work done. With connection more important than ever—we've added video conferencing options so your employees can make video calls with ease, Enterprise Direct Connect to make it seamless to create a connection to your company's network, and Firewall- as-a-service to complete your network stack with a dedicated firewall.

Substitutes available: On-site Co-location (2 RUs) can replace Firewall-as-a-Service if you choose to bring in your own firewall equipment

Full Floor Technology Bundle subject to availability in your building. WeWork's technology team will be in touch to confirm product availability.

What's included

Dedicated Bandwidth
High-performance internet, exclusively for your employees, featuring enhanced security and speeds.

Public IP
Unique address reserved for your company to connect a device to the Internet, securely supporting VPN and remote access.

Private VLAN
Separate your employees' internet traffic from other members with a private and security-enhanced connection.

Private WiFi (SSID)
Branded, password-protected network exclusively for your employees.

Private video conferencing equipment
Enhance your private meeting room with video conferencing equipment, featuring an all-in-one video bar and expert support.

Enterprise Direct Connect VPN
A connection to your company's network with enhanced security, supported by primary and backup circuits. No VPN client required.

Firewall-as-a-service (FWaaS)
Realize the benefits of a dedicated firewall with 24/7 monitoring without the required CapEx, configuration, or ongoing management.

Dedicated Bandwidth speed	100Mbps	200Mbps	400Mbps
Public IP, Private VLAN, SSID	Included		
Video conference room	1 Included (Additional available for $750/room/mo.)
