

Elevations Foundation 9th Annual Golf Tournament

Presented by Neenan Archistruction and SHI International

Elevations Foundation is proud to announce our 9th annual charity golf tournament, taking place on August 28th at the beautiful Colorado National Golf Club in Erie, CO. The event will bring together community and business leaders for a day of great golf, delicious food and a variety of specialty contest holes, all benefiting the charitable work of Elevations Foundation.

Founded in 2010, Elevations Foundation is an independent 501(c)3 nonprofit organization providing scholarships to college- or trade school-bound high school seniors and community grants to nonprofits across Colorado's Front Range. By becoming a tournament sponsor, you will actively support our important work while gaining visibility for your organization.

We are happy to present the attached sponsorship opportunities. Our sponsorships offer high visibility and recognition before, during and after the tournament, as well as the chance to support the life-changing work of Elevations Foundation.
