

LOTUS®

Lotus is the premium small kitchen appliance brand for home cooks with big culinary ambition. At the heart of each chef-inspired, meticulously crafted Lotus design is a passion for unlocking culinary confidence and delivering consistently delicious results. Experience function, flavor, and finesse – all in harmony, all in balance.

The Lotus Professional Two Slice Toaster

Luxury Countertop Cooking at the Next Level

Flexibility & Precision - Designed for ultimate versatility, the Lotus Professional Series Two Slice Toaster features extra-wide slots to accommodate thick bagels, artisan breads, and a variety of bread shapes and sizes. Self-centering bread guides ensure even toasting, whether using thin or thick slices. For superior toast performance, the 1-Slice Feature automatically adjusts heat distribution when toasting a single slice, ensuring consistent results.

Advanced Control & Customization
With seven toast shade settings, precisely adjust the toast color. The Cancel, Bagel, 1 Slice, and Defrost functions offer added flexibility, while the commercial-grade heating elements ensure reliable and consistent performance. The Bagel setting expertly toasts the inside while gently warming the outside. The defrost function delivers one-step toasting for frozen bread, waffles, French toast, and more.

Sleek & Thoughtful Design - Built for luxury and durability, this toaster features a stainless steel and die-cast construction that complements any high-end kitchen. The extended bread lifter makes for effortless removal of smaller foods and slide-out crumb tray makes for easy cleanup.

Elevate your kitchen with The Lotus Professional Two Slice Toaster—where precision meets performance in a stunning, high-end design.
