SCORING

It's a suit showdown!
The player with the **winning suit** adds their card's number to their total score.

But if these suits are played against each other, the player with the **higher-numbered card** wins the round and adds the card's number to their total score.

If you both play the **same suit**,
no one scores any points.

DINO CARDS

If someone plays a **Dino Card**, the player who won the round **adds or subtracts 2 points** from their total score.
