

Spellbound Princess Ellian Costume

1 Gather Supplies

- White shirt
- Burgundy pants
- Gold paint
- Light blue paint
- Gold beaded trim
- Gold gems/buttons
- Fabric glue
- Paint brushes

2 Paint the Shirt

Using a brush, hand-paint light blue designs across the front of the shirt just like the ones on Princess Ellian's outfit. Let the paint dry.

3 Add Gold Details

Using the gold paint, carefully add accents around the neckline and down the center of the shirt. Let it dry completely.

4 Add Trim and Buttons

Apply fabric glue along the bottom hem of the shirt and press the gold beaded trim into place, holding until it sticks. Use fabric glue to attach two gold buttons.

5 Paint the Pants

With your brush, hand-paint a gold triangle pattern down the outer sides of each pant leg.

6 Dress like a Princess

Allow everything to dry completely before wearing your new costume. You look just like Princess Ellian!
