Sesame Street Finger Puppet Friends

Pick your favorite character to bring to life!

Gather your supplies!

- Sesame Street finger puppet templates
- Multi-colored felt
- Scissors
- Hot glue or craft glue
- Fabric markers

To get started, scan here to print your Sesame Street templates

Eco tips!

Reuse old clothes to decorate your puppet

Have an adult help you with this project

1

Let's get started! Using the stencils of your favorite Sesame Street character, cut out two body pieces and two head pieces.

Tip: Trace the stencils onto the felt with a paint marker for easier cutting.

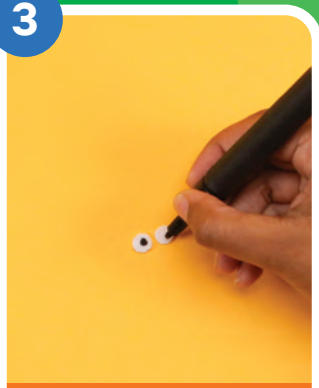

2

Cut out your character's detail pieces, like their eyes, nose, and mouth.

3

Use fabric markers or paint to draw on the eyes.

4

Glue the felt details onto one head piece and one body piece.

5

Let's turn your character into a puppet! Grab the other body piece and put glue along all the edges except the bottom. Now, attach the front of your character to the back, leaving a pocket for your finger.

6

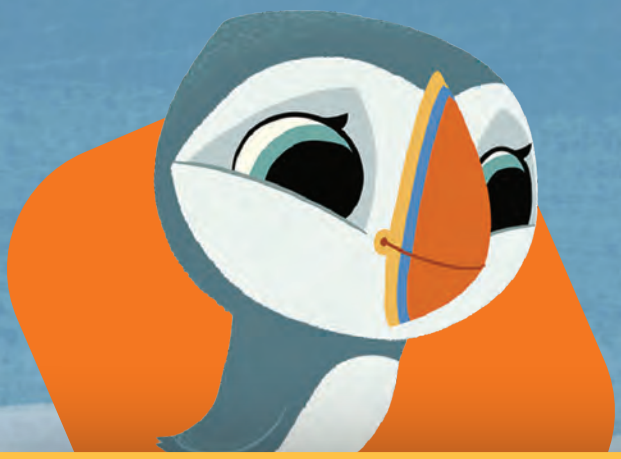

Glue the other felt head piece to the back of the head and neck.

7

Ta-da! Your puppet is almost ready. Wait until the glue is completely dry before you start playing with your new friend. Great job!
