Ruston, Major

Dear Mrs. Montbank:

Thank you for personally meeting with plaintiffs' investigator, Mr. Peter Nye last week. Both Peter and I were delighted to meet with you.

We appreciate your efforts to locate the written statement that you gave to defendant's insurance company. We also understand your inability eight months later, to recall the details in your statement. Naturally, we understand your reluctance to have us request or you to directly request a copy of your statement from defendant Davola or his insurance company since you are still a regular patron at The Garage tavern.

If you change your mind about requesting the statement, please telephone us at 248-3222.

Keep well, and we will be speaking with you further.

Sincerely,

A handwritten signature in black ink, appearing to read 'F.C. Fank', written in a cursive style.
