Utrecht **ARTISTS' ACRYLIC COLORS**

Since 1949, Utrecht has proudly handcrafted Artists' Acrylic Colors at our historic mill in Brooklyn, New York.

Starting with carefully sourced pigments, we masterfully mill and mix each color to peak radiance, always with the highest pigment concentrations.

Colors are individually lab and studio tested for performance and permanence and every tube is finished with a true color swatch—a testament to the integrity of our colors and a process that has remained unchanged since the beginning.

- **Maximum pigment loads**
- **Pure, clean mixing results**
- **Superior tinting strength**
- **Outstanding lightfastness**
