PRICING NOTE:
Blick is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored through October 16, 2023. However, as vendors provide price increases, we cannot guarantee printed prices in this catalog. Further, continuing supply chain disruptions have made it difficult to stay in stock on select items, and unfortunately vendors are taking much longer than usual to fill back orders. We ask for your understanding in these unprecedented times. As always, Blick reserves the right to correct typographical errors.

SHIPPING & HANDLING CHARGES

Merchandise orders totaling \$59 or more ship freight-free via FedEx Economy whenever possible. EXCEPTIONS: Additional shipping charges will be added to factory-direct (FOB) shipments; oversized or overweight orders that require a lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; all GBC Classiccut Ingento Cutters and Trimmers; the Blick 906 Model II Etching Press, the Blick 999 Model II Etching Press, the Blick Master Etch Model II Press, and all Blick Model II Benches; all kilns and pottery wheels; and some shelters. Some stocked furniture items will be shipped by truck and billed at an additional cost.

HANDLING CHARGE — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach a quantity of 10.

TRUCK SHIPMENT — Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$200. For an additional \$45 a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional \$30, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call 800.828.4548.

SHIPPING METHODS

Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases, average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer in two business days and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

FOB FACTORY AND OVERSIZED ITEMS

Items that include "LF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. Additional shipping charges do apply for these items. If you have any questions, call 800.828.4548. Please allow additional time for delivery. Some items shipped directly from the factory may not be available.

HEALTH & SAFETY

Blick Art Materials cares about your health and safety. An explanation of the icons found in this catalog follows:

Products bearing the **AP** seal are certified non-toxic and contain no materials in sufficient quantities to be toxic or injurious to humans, or to cause acute or chronic health problems.

Products bearing the **CL** (Caution Label) seal (or marked with a ●) contain ingredients that are toxic or hazardous, but they can be used safely if the directions on the container or packaging are followed.

Products marked with either of these symbols (■ or ▼) carry the Proposition 65 warning. These products can expose you to chemicals, including cadmium and cobalt, which are known to the State of California to cause cancer and birth defects or other reproductive harm.
